ANNIVERSARY ISSUE KUDOS

Here's a toast to 150 more! Candice ("Chocolate Covered," July '89), your 15th Anniversary Honey, caused more semen to race to my nutsack and scream for release than I have ever experienced. I knew a black HUSTLER centerfold would be great, but damn! Matti Klatt has outdone the master, and he *is* the master. Pages 70 and 71 had my tongue on the floor! I can just taste her sweet asshole and her coral pink pussy. Shit, I could come on her close-up on page 67. More black girls, please. I could cut out buying that other monthly men's magazine. Fuck the bigots! If Candice doesn't get your dick hard, you don't deserve one.

I've never written before, but I am a subscriber and have loved every minute of it. My friends love HUSTLER too. Every time I get a new issue they have to open it to check out the babes. I got the July issue in the mail and to my surprise I saw the black centerfold. Now I am convinced that HUSTLER is truly "America's Magazine." This proves that you can go out and show the most beautiful women in the world—all poon being equal. When I first saw your beauty from Canada, I couldn't wait to come all over again. I can honestly say you did pick a good one. Now find one in America. HUSTLER has the best articles, pictures and women (especially the women) that I have ever seen in a men's magazine. I also like the down-home *Beaver Hunt* section. Keep up the good work; I'm going to renew my subscription. —R. J.
Seattle, Washington

Thanks for the interview with Larry Flynt ("Hear Him Now") in the July '89 issue. Larry Flynt's signature on HUSTLER Magazine sets his product apart from those pretentious, glitzy men's magazines, as well as all the cheap imitators. It's the personality behind HUSTLER, a champion of the people who has fought long and hard to maintain his and everyone's First Amendment rights, that must be saluted. I imagine that the next generation will view Larry Flynt's contribution to a free press in this country as one of the most significant in history. Keep fighting the good fight, Larry! —R. M.
Chicago, Illinois

A newcomer to HUSTLER Magazine, I was impressed by the great number of socially relevant and eye-opening articles and photo features that you've published over the past 15 years. *Fifteen Outrageous Years!* (July '89) showed that HUSTLER is more than just another men's magazine, what with exposés on abusing the elderly, animal experimentation and child abuse, among others. Stick to your guns, continue to publish articles like these and I will be a buyer for years to come.

Candice: Chocolate Covered

THE SKINNY ON SKINHEADS

Your skinhead exposé ("Skinned Alive," July '89) was very informative. The best weapon against these racist geeks is their own wacko rhetoric. (I was interested to learn that it was a skinhead who broke Geraldo Rivera's nose. I never heard that before. The media attributed Geraldo's broken beak to a flying chair.) I admit, though, that I was a bit disappointed that you even ran this article. I think these ignorant thugs have been getting too much publicity, but I liked reading about them more than watching them on confrontational TV. In the cold, harsh light of your report it was easier for me to assess my revulsion for these bullies than during a hot, emotional TV face-off. —I. L.
Glendale, California

CBS insists it was a chair that broke Geraldo's nose. The skin says it was his fist. Neither is a paragon of credibility.

TASTEWATCH

My husband and I have always enjoyed your magazine, especially the jokes. However, the "Fight of the Century" ad parody in the June 1989 *Bits & Pieces* section was in very poor taste. As a publication that reaches millions, how about one

of your intelligent articles on child abuse? Maybe then another Joel Steinberg situation will be avoided. Let's educate instead of encourage. —T. S.
LaSalle, Illinois

JULIANNE FANS
"Julianne: Up and Coming" in the May '89 issue is one beautiful woman. She has a really cute face with a mouth I would love to have on my cock, nicely shaped tits with hard nipples, a pussy that looks like it was made to be eaten and fucked and a hot, tight ass. I hope to see more of her in your fine magazine—and on-screen, when she starts making porn films.
—J. E. C.
USN, Persian Gulf

I buy HUSTLER because of the great close-ups of pussy. You gave me more beautiful pussy with May '89's "Julianne: Up and Coming" than you ever have before. My eyes popped out each time I turned the page. That's what I thrive on and just love to see. I find more close-ups of delicious pussy in HUSTLER than in any other magazine. Until last fall, I used to flip through all the men's magazines at the newsstand trying to find some decent pink. Now, no more shopping around. I just walk in and pick up a HUSTLER because I know what's in there. I've bought almost everything you publish since then, including a lot of back issues. The two-page smegma monsters in HUSTLER do it for me like nothing else. I want to get some of them enlarged to poster size. It would be wonderful to see a life-sized poster included in HUSTLER once in a while. I'd pay extra for it so that I could put it on the inside of my closet door so that every time I opened it to dress . . . well, you get the picture. I will continue to buy HUSTLER as long as you keep publishing close-ups of pussy. Thank you from the bottom of my hard.

PLANE JANE?
As a loyal subscriber to your fine publication, I have to congratulate your staff on a job well done. In particular, the May '89 issue is one that will always have a special place in my pants. While on a commercial flight this March, I was seated next to a very tasty looking brunette who was not only gorgeous, but friendly as well. After striking up a conversation I learned that, in addition to her being a local stripper, she was also going to appear in the May issue of HUSTLER, in the "Grazing on a Wet Afternoon" photo feature. Needless to say, I was a nervous wreck awaiting the magazine's arrival. Honorable mention goes to the tandem twat shot on page 49! It's nice to know that you guys feature ordinary babes you might come across in your day-to-day travels, and not the greedy show-biz cunts found in other lame-ass magazines I don't need to mention. Keep it up, boys, I know I will.

BEAVER BOOSTERS
Shorty, in your June '89 *Beaver Hunt*, is gorgeous. She's just a few pounds heavy, but God, do a lot of guys love that! If being in *Beaver Hunt* fulfills her dream, why not do a spread on her? I'd love to tongue-fuck her and spend the rest of my life licking her asshole. Her husband is a lucky guy. —S. G.
New York, New York

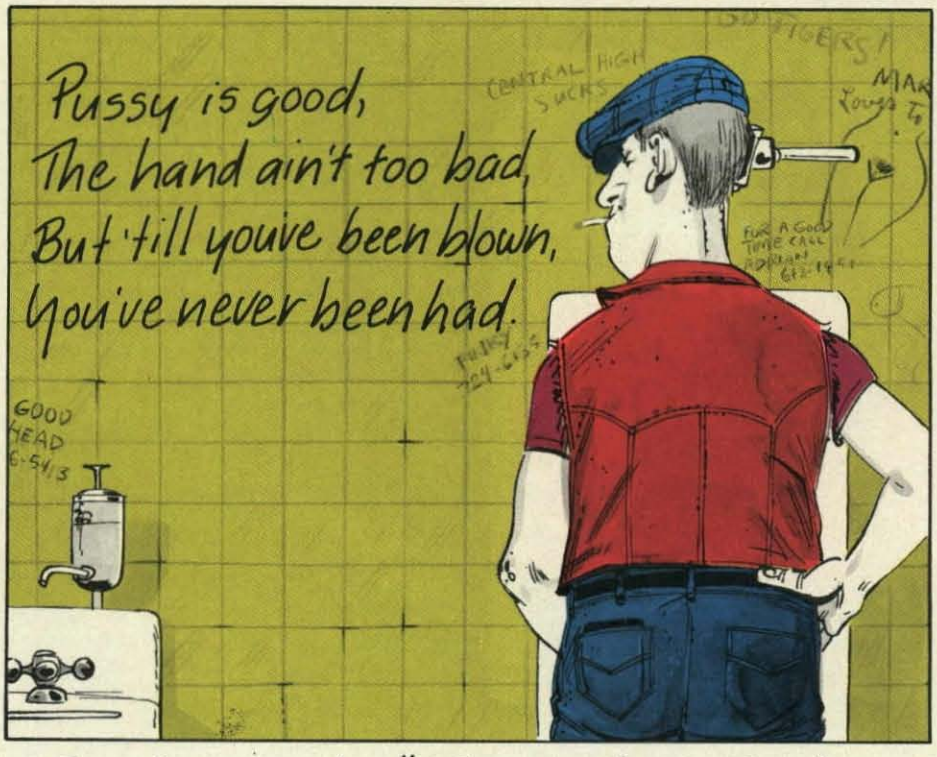

If it's not too late, I'd like to add my two cents worth about the April *Beaver Hunt*. Melanie is the sexiest Beaver I've ever seen in HUSTLER. I'd love to doggy her all night. And I bet she'd love it.
—J. B.

BAD RAP
Being an inmate in a Tennessee prison, I tremble in anticipation of seeing each and every issue of HUSTLER. I appreiate HUSTLER for being open and honest about current affairs, especially the "Prison Guard Tells All" article in the February 1989 issue. The whole article was how awful some prisoners can be, and *one* paragraph on the 2% of us who are decent people. Larry Flynt knows full well how deceitful people can be to a convict. Thanks to the maturity of HUSTLER, some people in the "free world" will understand that some of us inmates are good people. —K. W.
Wartburg, Tennessee

PUTTING WIVES ON NOTICE
I am the wife of an avid reader of your magazine. My husband hides them because he knows they disgust me. Despite my views, your pictures are obviously of interest to all men, and must satisfy something, somewhere in them. I know that I am just as good as the women you photograph so I have nothing to worry about. Maybe if more wives knew their husbands were reading HUSTLER they'd straighten up and clean up their acts.

BITS and PIECES

ASSHOLE OF THE MONTH

Alton H. Maddox Jr.

Some turds are darker than others, glistening intestinal blacksnakes that slither sewer-bound, leaving a trail of pitchy smudges on rectum and porcelain. Such shitty tracks are easily scrubbed away, unlike the indelible fecal smear staining the toilet bowl that is September Asshole of the Month Alton H. Maddox Jr.'s soul.

Maddox didn't set out to be an attorney of the belly-crawling, animated-bowel-movement type. His early career was dedicated to improving the chances of black criminal defendants, a striving for justice that would ideally blossom into a new civil rights movement. But somewhere along the high road to combat oppression, Maddox stepped on a smarmy pile of ego droppings and slipped into the descent to Assholism.

In defense of a black man accused of taking a razor to model Marla Hanson's face, Maddox portrayed the victim in criminal court as "a girl out of Texas with a lot of racial hang-ups. Just the simple sight of two black men, and she went absolutely nuts." So naturally they sliced her to pieces.

This racist rant could be dismissed as the bombast of just another grandstanding bigot, except that it is only the cruddy tip of the turdberg festering in Maddox's toilet-bowl soul. His true odors arose in the miasma surrounding the Tawana Brawley mess.

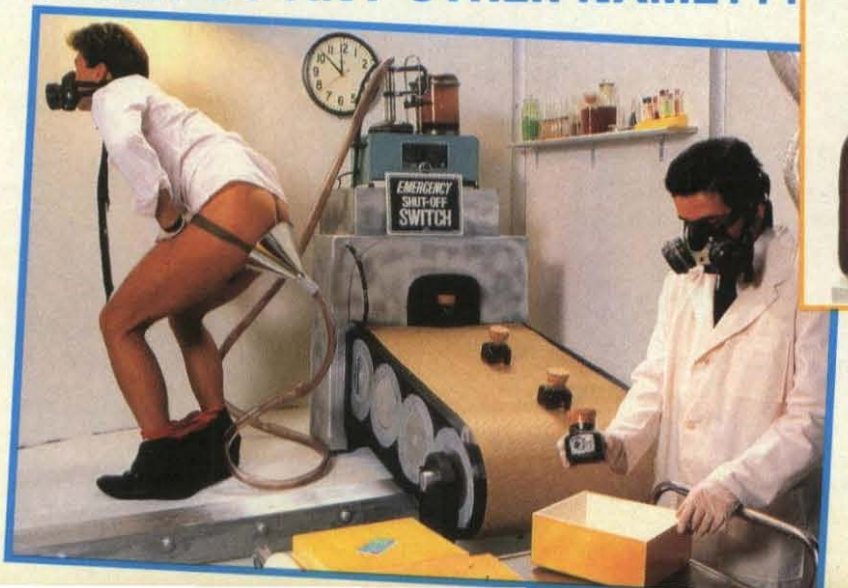

Though her story of being raped by six white men has been determined a hoax by a New York grand jury, something terrible had happened in November 1987 to black teenager Tawana Brawley before she was found naked and covered with dogshit, but worse was yet to come. In league with Reverend Al Sharpton and lawyer C. Vernon Mason, Maddox gang-exploited Brawley, callously indulging his uncaring and unnatural appetites in an orgy of self-gratification that would disgust the raunchiest band of white rapists.

Not satisfied to trash the credibility of victims of racial violence everywhere, Maddox broke new ground in mongering hate following an April 1989 gang rape in New York's Central Park that left a 28-year-old white woman in a two-week coma. Empathized Maddox: "What are we going to do, accept some white person's word that she's over there at Metropolitan Hospital? This whole thing could be a hoax."

Perhaps Maddox's mother had seen all this coming. "Lawyers lie a lot," she said prior to her death in 1969, "and I don't want any son of mine to be a liar."

In his raping of truth, Alton H. Maddox Jr. rapes his dead mother's values, like only an Asshole would.

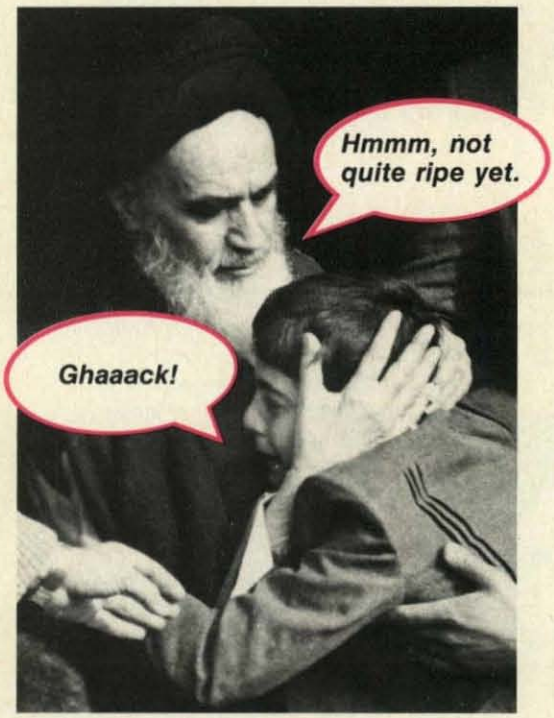

A FART BY ANY OTHER NAME . . .

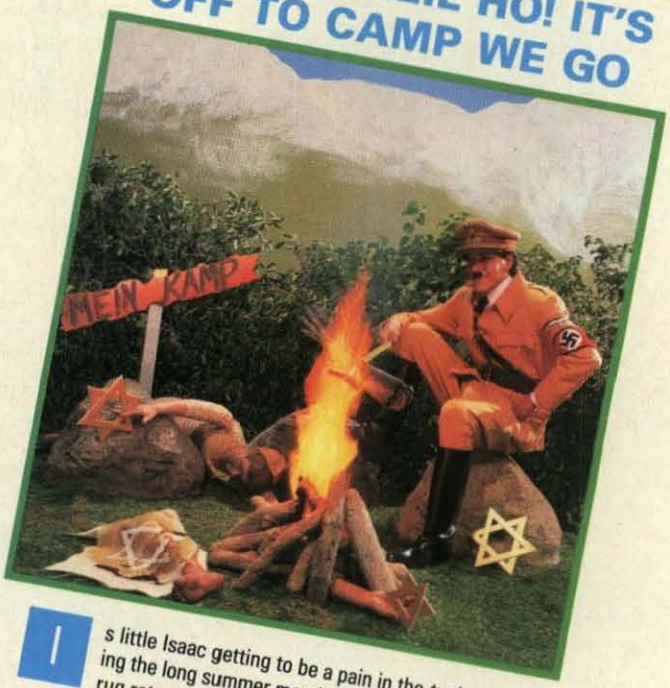

Until now most perfumes have concentrated on the sickly sweet smell of flowers and heady fragrance of musk. But what of the poor neglected coprophiliacs out there? For them, there's Eau de Colon, the first toilet water that *really* smells like toilet water. Only the most potent of intestinal gases are filtered through each batch of this unique scent, guaranteeing that just one whiff will put shit lovers everywhere in log heaven.

GREAT MOMENTS WITH THE AYATOLLAH

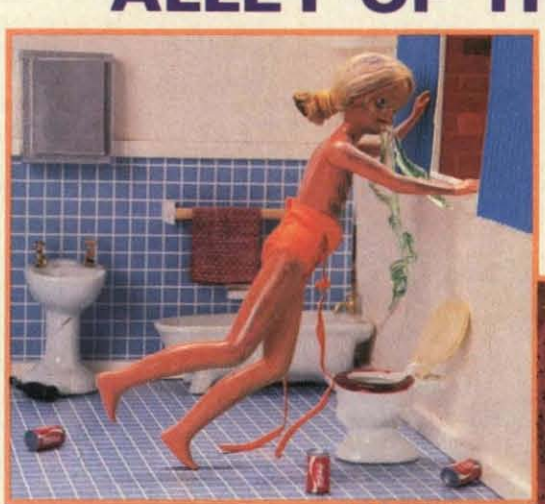

During the annual East Tehran Melon Festival, Iran's spiritual leader again proved his farsightedness, mistaking the head of a small child for a fresh melon. After inadvertently crushing the boy's skull in his iron grip, the benevolent Ayatollah issued a public apology, then ordered that all witnesses to the event be executed.

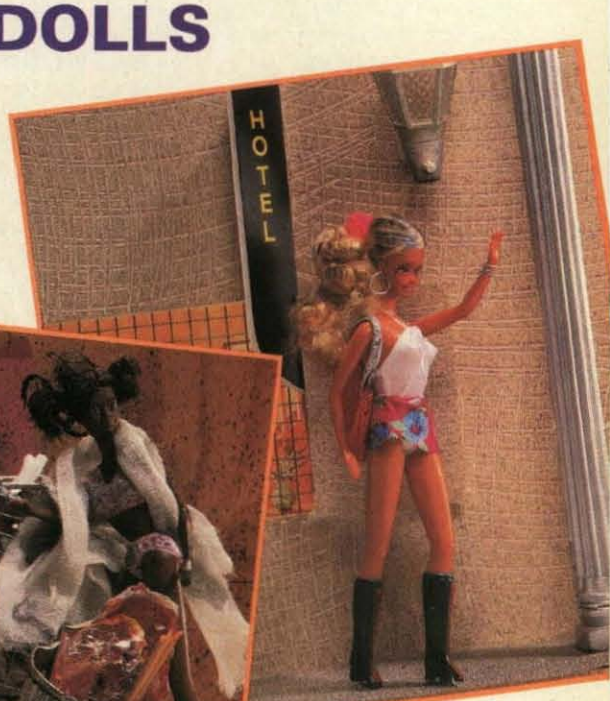

HEIL HO! HEIL HO! IT'S OFF TO CAMP WE GO

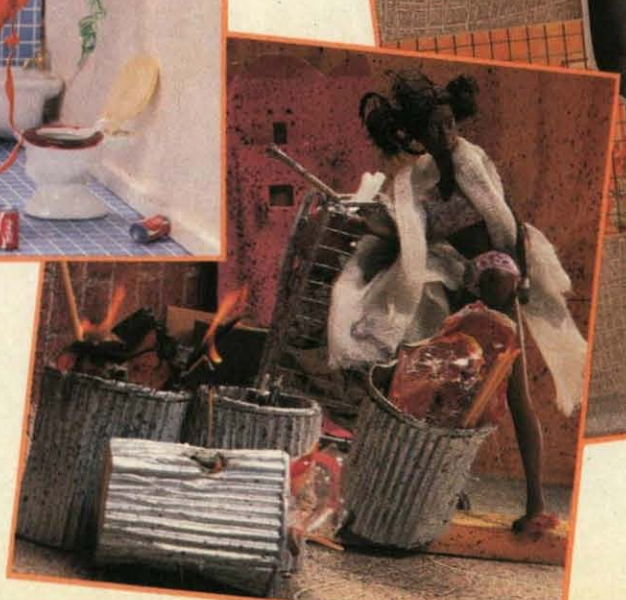

Is little Isaac getting to be a pain in the *tuchas* during the long summer months? Why not get the little rug rat out from underfoot and teach him valuable survival skills as well with a trip to Mein Kamp? He'll acquire all sorts of arts and crafts abilities, making everything from soap to lampshades, participate in exciting and educational medical experiments and get some important personal hygiene lessons in the camp showers. Best of all, you don't have to pick him up when the summer ends—Mein Kamp will gladly ship the remains to you, C.O.D.

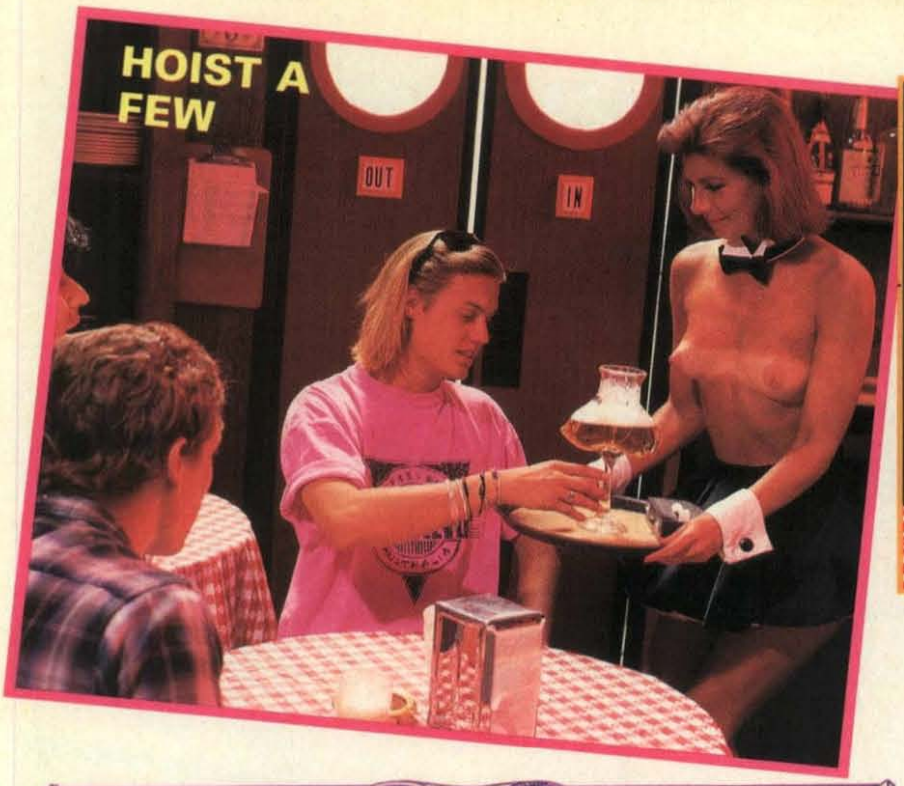

ALLEY OF THE DOLLS

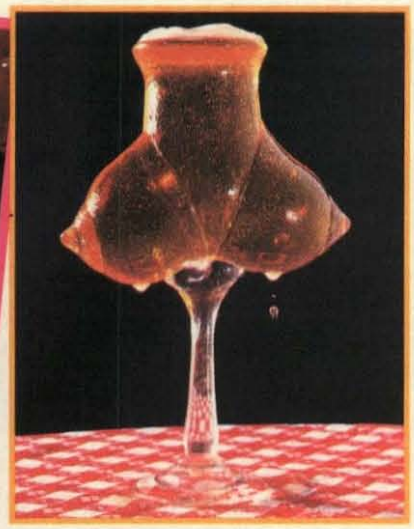

Now that the world famous Barbie doll has recently celebrated her 30th birthday, we feel the plastic pixie and her friends could use an image update. After all, settling down in a pre-fab dream house is a thing of the past. In this spirit, we present our Bulimic Barby, the little girl with the big eating disorder (complete with built-in Barf-O-Matic action trigger); Homeless Barby, whose many accessories are available from any trash can; and Prostie Barby, the first Barby ever to come equipped with genitalia *and* contraceptive devices—she's guaranteed to make Ken a happy man, at least for one night. Face it, little girls still take their cues from Barbie, but today's little girls need more realistic role models.

Lift your jugs in a toast to this exciting new concept in stemware from Glass Designs (21062 Laguna Canyon Road, Laguna Beach, CA 92651). Each goblet is hand-blown, signed and dated. No two are alike. Glass Designs even claims they'll model them on a photo of your favorite boobs—within limits, of course. (Like, *forget* Toppsy Curvey.) These tit mugs are a hefty $55 a pair—one pair per stem. Cheers!

Porn From the Past

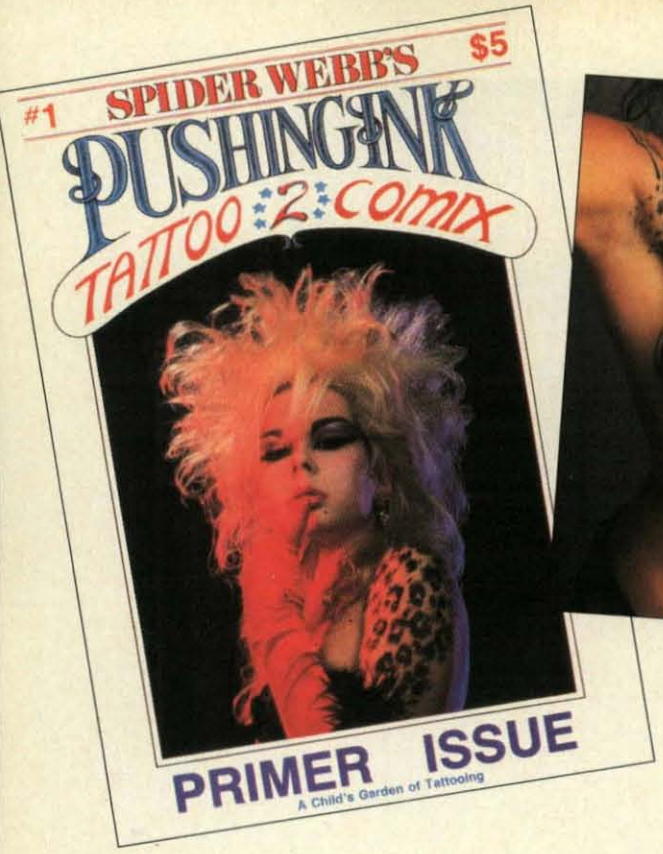

If you've got the antique smut we want, we've got 150 greenbacks for you. Please enclose a self-addressed, stamped envelope if you want your material returned.

MENTAL FLOSS

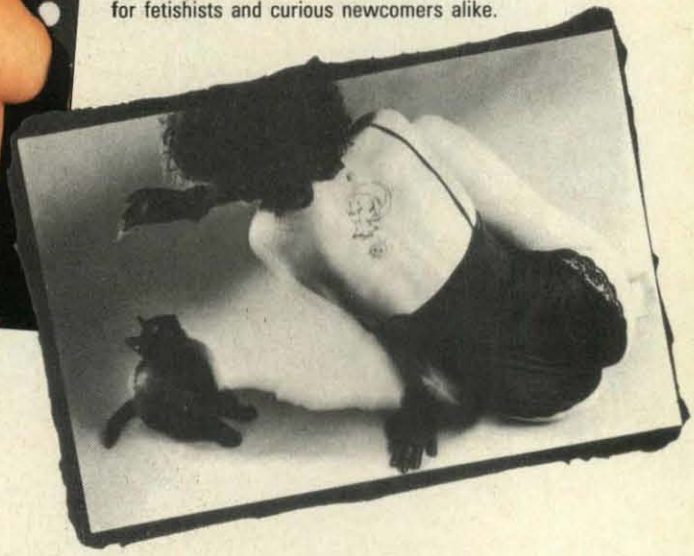

There's nothing that clears the head like a vigorous barbed-wire flossing, insists Dr. Emil Smegma of the Mail Order Institute of Psychiatry, seen here demonstrating his controversial new technique. And sure enough, at the end of the session the patient was free of his delusions of grandeur. . .along with most of his short and long-term memory.

BRIEF JERKY

Just 'cause they're too old to wear doesn't mean they aren't good enough to eat—not if they're Brief Jerky Jockies. Get yourself a pair, and the next time you tell the one you love to eat your shorts she'll do it and be grateful.

Chemical weapons are a picnic compared to this deadly new addition to the arsenals of guerrilla insurgents. One platoon of horny soldiers, inoculated with every known sexually transmitted disease, can wipe out an entire village in no time. The prospect of suffering simultaneously from chlamydia, syphilis, gonorrhea, venereal warts and AIDS could well bring previously entrenched government forces to their knees. But if the superpowers begin phasing in this sexual technology to replace the traditional nuclear weapons we're all comfortable with, we can only pray. It will just be a matter of time before somebody pops the Big One and starts Wadd War III.

Sex News Bits

FINAL

Pervert Priest Loses Parish, Gets Prison

Most parochial schoolboys are used to getting on their knees for Catholic priests, but lately it seems kids are genuflecting for more than religious reasons. Take the case of the Reverend James Hickey, a Canadian priest who routinely called his Portugal Cove, Newfoundland, parish households at 2 a.m. to ask parents to send over their sons to assist him with church projects. Ever respectful of the clergy, the adults complied, never suspecting that the priest's vital project was sex with their offspring. Finally, one lad turned the horny cleric in, thus unleashing a barrage of accusations from other abused boys. The now-defrocked Hickey confessed to 17 years of gross indecency and is currently serving a five-year prison term for 20 counts of sexual assault. But he's not going down alone. Awaiting trial in Newfoundland on similar charges are four active priests and two former men of the cloth, and authorities are investigating a Christian Brothers orphanage where one of the brothers already is charged with sexual misconduct. All this in an area that boasts only 100 priests. "We put priests on a pedestal," said shocked Catholic lay leader Linda Maher. "But now people look at a priest and wonder where he was last night."

What Would St. Patrick Say?

A controversy over statues is nothing new, but the city council in Belfast, Northern Ireland, was particularly miffed when the Department of the Environment announced plans to erect a structure near the Europa Hotel honoring a couple of the area's historical figures: two prostitutes. At one time, the neighborhood around the hotel was a red-light district, so the Department decided the best way to commemorate the good old days was to place a $23,000 statue of two whores near the hotel. Predictably, the fight is on from city officials who want to block this trip down memory lane. Maybe they're concerned that a pimp statue will be lurking nearby.

A Real Bowwow

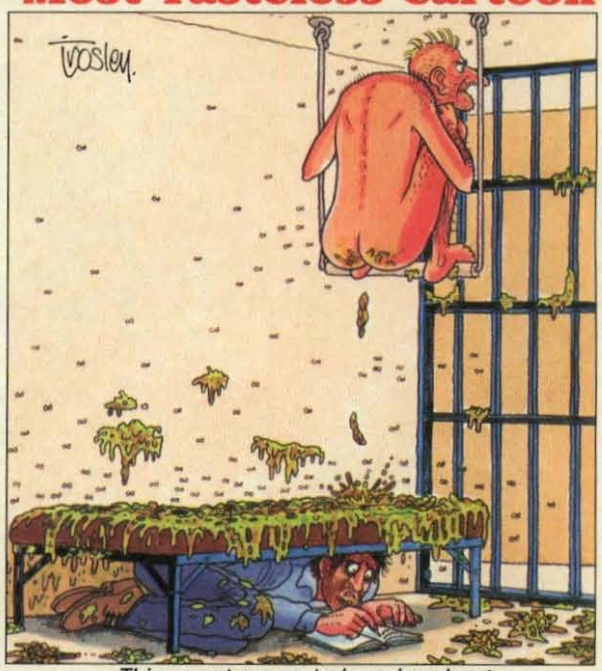

An unusually candid President George Bush was reported to have said during a speech to a group of college students: "It has been said, 'If you want a friend in Washington, get a dog.' Well, we took them literally. But I didn't need [a dog] because I have Barbara Bush."

No argument here.

Brits Finding It Better to Give

An English health and family charity is encouraging British couples to fuck as much as they can, but only after they've paid the price. Marie Stopes International, an organization that aids developing countries, has created a donation-raising scheme called "bonk accounts" that consists of placing a tin can next to the bed. When the mood strikes, the couple simply drops 40 cents into the can before they drop their drawers. According to fundraising director Patricia Hindmarsh, the average couple is worth $20 of reaming a year. She added that the fund will go toward working with nations where overpopulation is threatening resources and the environment.

Sex Facts to Know and Tell

Did you know that....

• People in the U.S. conceive more children during the month of December than any other month?

• A survey conducted by the Devon, England, public libraries revealed that among the large-print books for the elderly, *Dr. Ruth's Guide to Good Sex* is the most frequently borrowed?

• The New Hampshire Senate recently refused to repeal a 200-year-old law that makes adultery punishable by a year in jail?

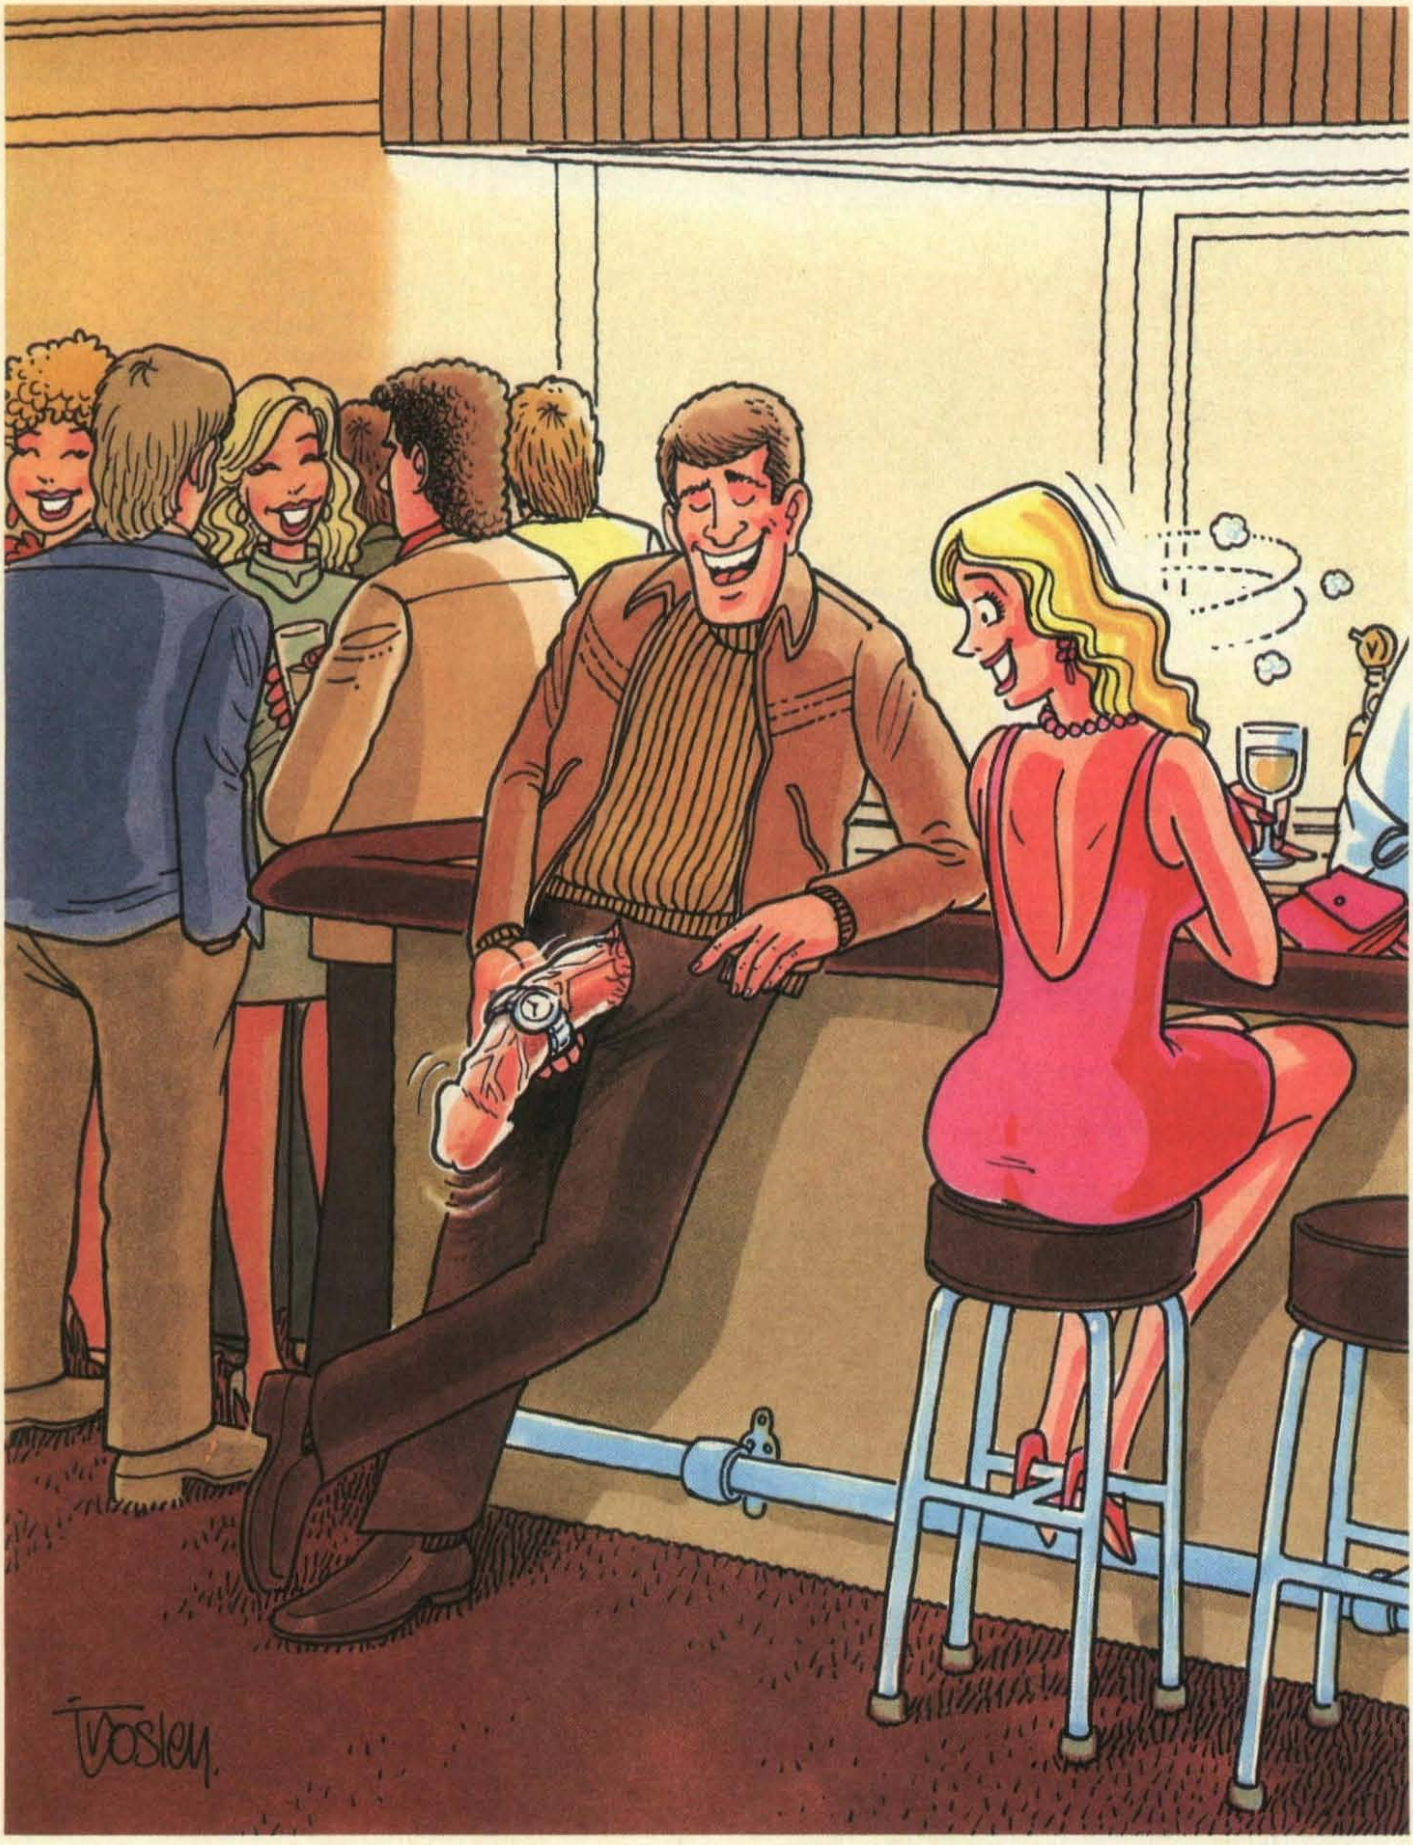

• Three members of the Scottish National Soccer Team were fined for not wearing shin guards as protection against the AIDS virus?

• A sex shop in Bristol, England, was shut down because it rented videos that weren't explicit enough?

Bargain Bordello Beats Boredom

A raid of a cathouse in Paris, France, revealed a collection of red-light ladies that defied the stereotype of "working girls." According to vice-squad inspector Jean-Pierre Gambini, the brothel housed 20 upper-crust coquettes, including a doctor, a successful businesswoman, a diplomat's wife and several wealthy housewives. Despite their above-average economic status, the prostitutes charged a relatively meager $100 per poke. "They couldn't care less about money," claims Gambini. The ladies were simply in need of diversions from their ho-hum lives: Ringleader Madame Marcelle, 65, said she wanted to take her mind off the death of her spouse. The only seasoned pro in the bunch was a 73-year-old who claimed to have returned to the business for the sake of nostalgia.

EROTIC ENTERTAINMENT

With more than a thousand hard-core movies being released each year for the home audience, viewers, increasingly confronted by seductive advertising and slick packaging, are often at a loss when it comes to selecting an X-rated tape worth watching. HUSTLER *is committed to serious, no-bullshit criticism designed to accurately inform readers of XXX-cinema offerings, and to spur the adult-entertainment industry to better productions. Despite their drastic decline, there will always be adult theaters, and we'd never leave a film buff in the lurch: If a review says a production was shot on film, it's probably playing on a big screen somewhere—all you have to do is find it.*

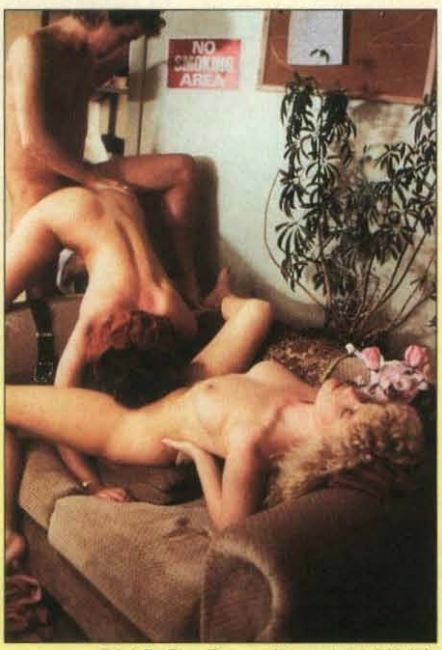

X RATED TAPES

Edited by Mike Ferris.

ROMEO AND JULIET II

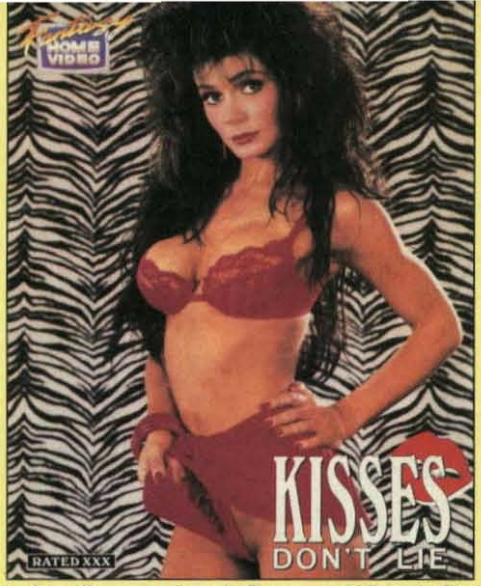

Shot on Video.

Three-Quarters Erect. Directed by Paul Thomas; starring Ariel Knight, Aja, Nikki Randall, Jacqueline Lorians, Jamie Gillis, Tom Byron, Rick Savage, Paul Thomas, Jeffrey Wallach and Razor Sharp. Videocassette by Western Visuals.

R&J II: *Tom Byron, Aja and Ariel Knight display their thespian skills.*

Romeo and Juliet II's showbiz setting lends itself perfectly to the addition of sex scenes. If only a couple more had been added! Fortunately, the acting, story and dialogue are so good *R & J II*'s enjoyability doesn't suffer that much. (Hardcore raincoaters will disagree, but there's always the fast-forward button.) Jamie Gillis's superb performance won't come as a surprise to anyone who's followed his award-studded career, but the acting skills revealed by Ariel Knight as the "spirit of Juliet" rank on the miracle scale right up there with the Virgin Mary's likeness manifesting on a garage door: a wonder to behold. Though the plot is fairly predictable, there are many truly hilarious sequences, a couple of which are provided by Jacqueline Lorians, playing an actress with an ego as big as Trump Tower. Fuck-scene honors go to Gillis "directing" Lorians in their threeway with Nikki Randall. Aja's performance doesn't quite match her colleagues'; and she's not much of a cocksucker—she uses her hand more than her mouth—but she has a couple of energetic fucks with Tom Byron, and she's never looked prettier. *Romeo and Juliet II* is one of director Paul Thomas's finest videos. *—John Cooper*

KISSES DON'T LIE

Shot on Video.

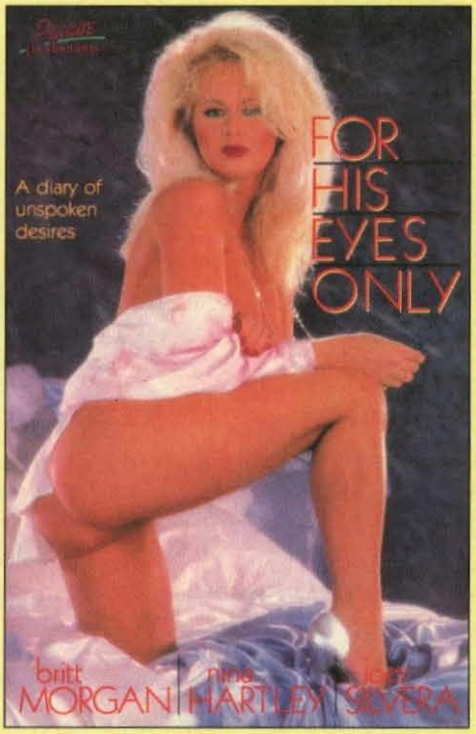

One-Quarter Erect. Directed by R.T. Longhampton; starring Carol Cummings, Staci Lords, Randy West, John Dough, Arcie Miller and Marc Wallice. Videocassette by Fantasy Home Video.

Fantasy Home Video has transcended yet another boundary in the limitless possibilities of conceptual porn. "How about phantom actresses?" brainstormed a Fantasy idea man. "Let's list a couple of sluts, real biggies, like, say, Angela Baron and Victoria Paris, in the tape's credits, then leave them out of all the scenes. Let the viewer really use his imagination. Actual tape of fucking and sucking is so confining; it's so much like real sex. Why, this opens a whole new world of fantasy! Soon we can sell blank tapes, with a cast list of hundreds!" It's a great idea; too bad they couldn't have made all of *Kisses Don't Lie* a blank. Randy West, looking dyspeptic and exhausted, spills the obligatory cock grease onto Carol Cummings and breaks in a pudgy neophyte nookie, Staci Lords. No more a Traci fuckalike than a Traci lookalike, Staci, as John Dough dutifully dorks her dumpling, rests her head on her arm, attempting to sleep him off. A low woman of indeterminate ethnic origin is 100% professional, first with mercenary male Marc Wallice, then with gold-digging dame Cummings. Perhaps *Kisses Don't Lie*; perhaps Fantasy does. *—Christian Shapiro*

FOR HIS EYES ONLY

Shot on Video.

Half Erect. Directed by Britt Morgan and Jace Rocker; starring Britt Morgan, Shanna McCullough, Nina Hartley, Megan Leigh, Randy Spears, Joey Silvera, Peter North and Mike Christopher. Videocassette by Pleasure Productions.

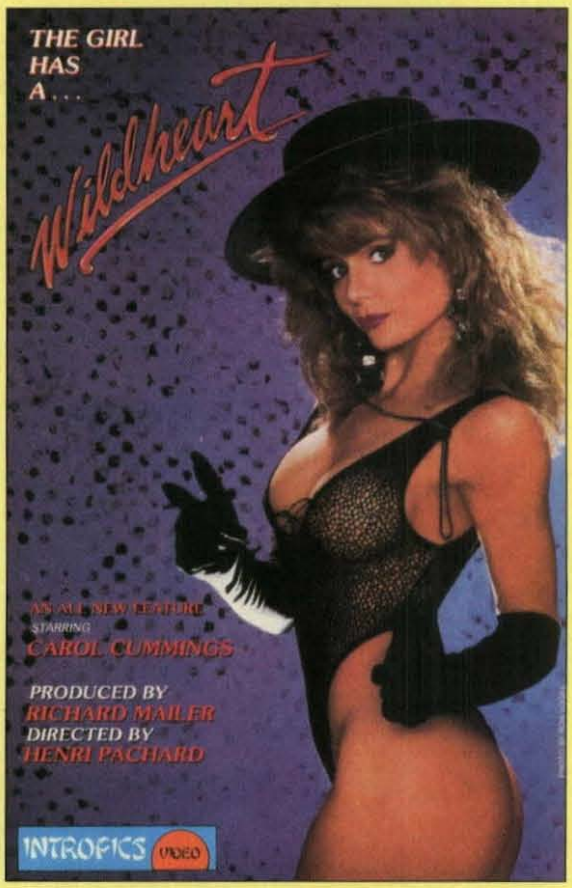

Nothing corrupts like power, as evidenced by the rank and raunchy corruption of Southern-fried blonde belle Britt Morgan. Rocketed from generic bimbo to co-director and headline harlot in *For His Eyes Only*, Morgan flaunts her top-dog position by assigning herself the brunt of *Eyes Only*'s dirty work. Morgan's first messy job entails poking a finger up her own tail as Randy Spears spears her twat, after which she spitshines his stick and coats her lips with his jizz. Morgan keeps busy, milking chocolate cock Mike Christopher onto her bumping bush, then settling her face beneath Nina Hartley's gaping gash. To close out the project, Britt snatches Peter North's cock away from Megan Leigh, aiming slime shots directly into her own face, shoveling handfuls of cum into her mouth and licking her fingers clean. Leigh and Hartley each pitch in a business-as-usual boff, but the rewards in *His Eyes* come from Morgan's lusty labors. *—Kurt Blume*

WILDHEART

Shot on Video.

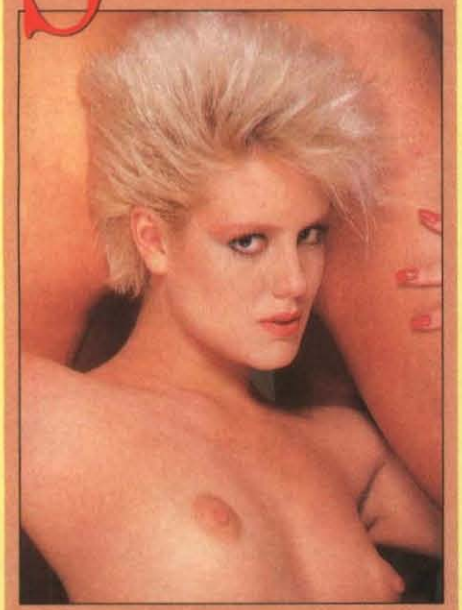

Three-Quarters Erect. Directed by Henri Pachard; starring Nina Hartley, Nikki Knights, Carol Cummings, Sharon Kane, Robert Bullock, Jerry Butler, Joey Silvera, Renee Morgan and Billy Dee. Videocassette by Intropics Video.

Director Henri Pachard lands a scorching ball's-eye with this hot and humorous look at marital infidelity. A group of horny hussies sits around complaining about their hubbies and decide that a little swinging and swapping is just what's needed to spice things up. Nikki Knights's threeway with Robert Bullock and Billy Dee shows the nasty nookie at her cock-crazy best, and her carnal coupling with Joey Silvera is both amusing and arousing. Carol Cummings's perfect fuck frame gets the brunt of Jerry Butler's sweat-soaked pussy-pound. Nina Hartley gets top acting honors as a ditzy wife who practices pleasing her man with Sharon Kane. Renee Morgan, Kane and Joey Silvera close things out with a torrid torquing. As an added bonus, there's actually some good dialogue, not-bad camerawork, and a score that doesn't annoy after 30 seconds. This is definitely a *Heart*-on worth beating. *—Sam Lowry*

SEX SCENE

GUARDIAN ANGEL

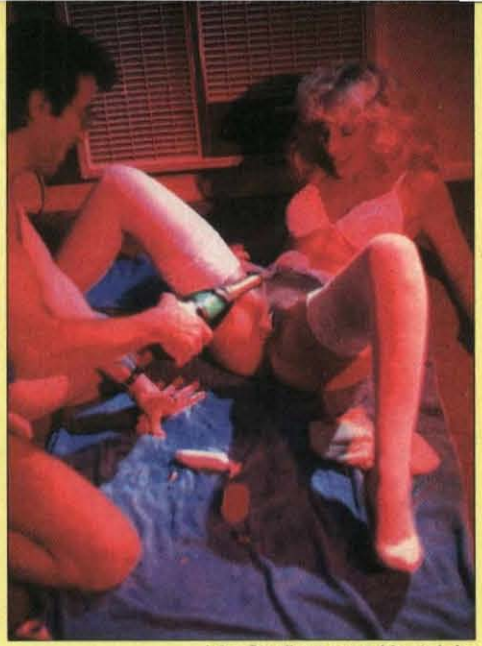

HUSTLER is happy to welcome new talent coordinator Angel Payson, better known to fuck-film fans as the talented, coordinated Jeanna Fine. Though the former Ms. Fine is officially retired from X-rated movies, Angel is tickled pink with her new career hiring models for HUSTLER. So, ladies, if you think you've got the right stuff, Angel wants to meet you. (She's even looking for a few good men.) Big bucks, fame, a mansion in the Azores—okay, we lied about the mansion—all this is awaiting the models who grace the pages of the world's greatest magazine. Are you centerfold material? Come in and find out! Contact Angel at HUSTLER Magazine, Talent Department, 9171 Wilshire Blvd., Suite 300, Beverly Hills, CA 90210 or phone her at (213) 858-7100—otherwise, she's out of a job.

MYSTIC PIECES

Shot on Video.

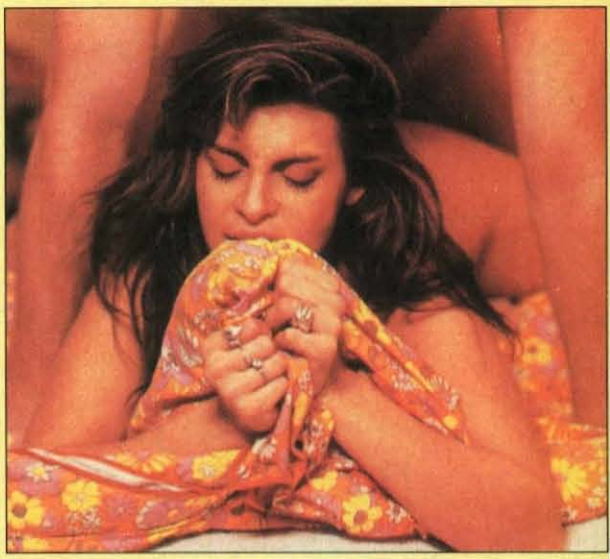

Three-Quarters Erect. Directed by John Stagliano; starring Brandy Alexandre, Tori Welles, Britt Morgan, Victoria Paris, Cheri Taylor, Billy Dee, John Stagliano, Tom Byron, Randy West, John Dough and Peter North. Videocassette by Evil Angel Video.

John Stagliano pops his cork for Brandy Alexandre in ***Mystic Pieces.***

John Stagliano is a fuck flick producer/director/writer/actor who takes risks. In *Mystic Pieces* he daringly accepts snaky Brandy Alexandre's pointedly long tongue into his hairy, male asshole, an extremely chancy proposition if he ever intends to kiss her again without chomping on his own dingleberries. As if this is not gamble enough, Stagliano next tenses his sphincters for an anal penetration by a chromium-plated dildo handheld by Brandy. The hazards of such activity—electrorectal shock, an embarrassing emergency-room visit to have the wedged fake phallus dislodged, a subsequent conversion to invert sexuality—cannot be minimized. But Stagliano's most perilous venture is to drag *Mystic Pieces* out to the two-hour mark, a sucker bet that he hedges with the odds-busting boning of a pre-boobjob Tori Welles. Welles appears first as an appetizer, tempting and teasing Tom Byron and Britt Morgan in the back of a moving limo, delivering her poonful promise to the pair in an office orifice stuff, and finally out-butching three spurting studs simultaneously. There's nothing mystic about the success of great pieces. *—C. S.*

Torrid House: *Tori Welles keeps a stiff upper lip.*

TORRID HOUSE

Shot on Video.

Half Erect. Directed by Scotty Fox; starring Tori Welles, Carol Cummings, Tamara Lee, Robert Bullock, Scott Irish and Jerry Butler. Videocassette by Vivid Video.

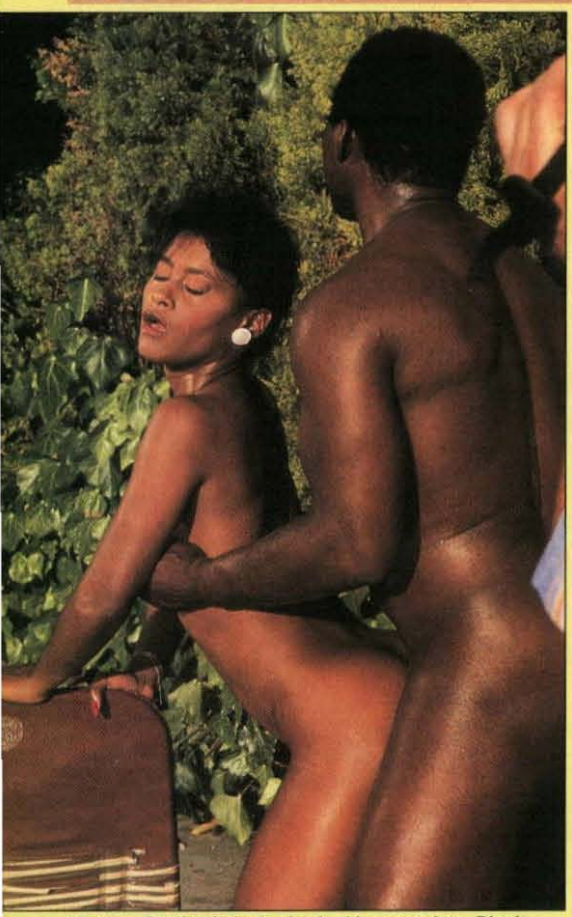

Set in the kind of college sorority house only a high school dropout could devise, *Torrid* is populated by a scant six students. Coed Tamara Lee earns the highest marks when Carol Cummings walks in on her as she's wanking off to a videotape of cum-soaked fuckings: DPs, facial wad-slops, suck-offs and a fleeting double-pussy insertion. Lee's self-abuse engenders a juxtaposition of twats—Cummings wide-eyed and bewigged, skinny, shaved and siliconed; Lee voluptuous, natural curves, bedroom eyes, silky hair, covergirl cute. Jerry Butler adds his dick to this mix, proving that Cummings has lightning-fast reflexes when it comes to dodging a wet-shot. The *Torrid* in the title indicates that Tori Welles is on hand, and her screws with Scott Irish and Jerry Butler are worth waiting for, but Tamara Lee really makes this house a horny home. *—Bill Butler*

HOT SPOT

JULIANNE JAMES

Julianne James's priceless attributes—undespoiled youthful exuberance, a wide-eyed, innocent concupiscence wrapped in a full-titted, bubble-butted, creamy-soft epidermis—have so far been confined to the static delineation of magazine still shoots. But look out, fans of fluid femme poetry in motion! Julianne is about to hit the video market, and the market is poised to beat right back. James's debut appearance as Vivid Video's *Brat* should at this moment be appearing on blue-screens nationwide. Originally hyped as a Ginger Lynn lookalike, Julianne's piercing baby blues, pouting, plush lips and lushly hanging boobs are only three aspects of a look that is all her own. This pulchritudinous vision can only be enhanced by generous dollops of moisturizing cream, not to mention how hot the bitch will look slavering on a mutant-size, twitching prick. Cute, cuddly and carnal, check out Julianne's charisma in *Army Brat II* and *The Perfect Brat*, for starters.

Mistress Stephanie is the fox in this scene from **Black**.

BLACK FOX

Shot on Video.

Half Erect. Directed by Jonny Mule; starring Ebony Ayes, Nina DePonca, Mistress Stephanie, Ray Victory, Regis Stallion and Jonny Cool. Videocassette by Coast to Coast Video.

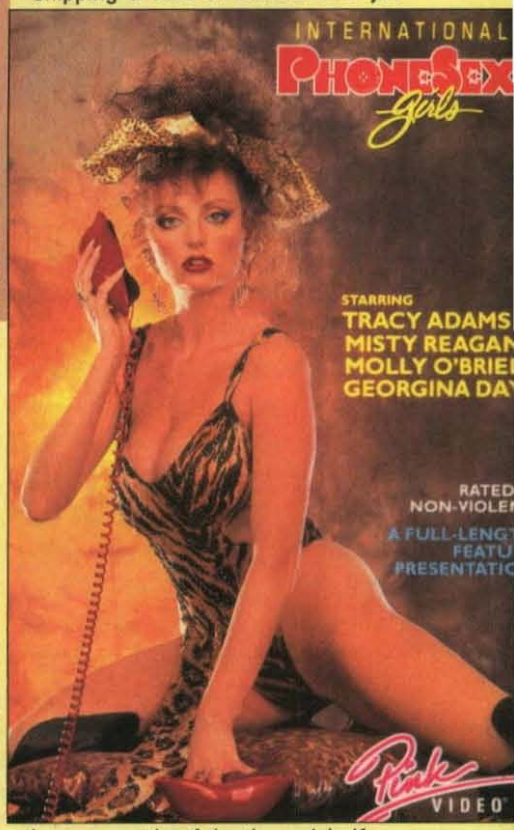

Though *Black Fox* is ostensibly an all-black feature, one cast member's member is curiously white. It appears that Regis Stallion, a blubbery brother called upon to perform in two of *Fox*'s scenes, experienced some difficulty in fully inflating his fuck-tool. The only dick big enough to fill Stallion's void—and the oral/vaginal orifices of Ebony Ayes and Mistress Stephanie—belonged to Ron Jeremy (directing under the "Jonny Mule" moniker). So, after Ebony lays a slobbering suck-and-handjob on Stallion, the cock that plunges into Ayes belongs to Ronso. Not that it makes much difference in this middle-of-the-pack black squack attack. Nina DePonca, as foxy a lady as you're likely to see in porn, lends her mulatto magnificence to tumbles with Caribbean cocksman Jonny Cool and Ray Victory; Ayes takes a Victory load on her broad buns; and Mistress Stephanie ministers to Cool's cock in scenes that should satisfy cravings for Negroid nastiness. —*B. B.*

INTERNATIONAL PHONE SEX GIRLS

Shot on Video.

One-Quarter Erect. Directed by John T. Bone; starring Tracey Adams, Tom Byron, Misty Regan, Rally Essen, Noah Ratte, Dick DeLong, Sarah Williams, Georgina Day, Nigel Worthington and Molly O'Brian. Videocassette by Pink Video.

Though only a hard-core, dead-in-the-wood cynic would doubt *International Phone Sex Girls'* claims to have been produced entirely in Germany, even the most mildly skeptical scumster must wonder at the logic behind shipping a load of second-rate jizz-

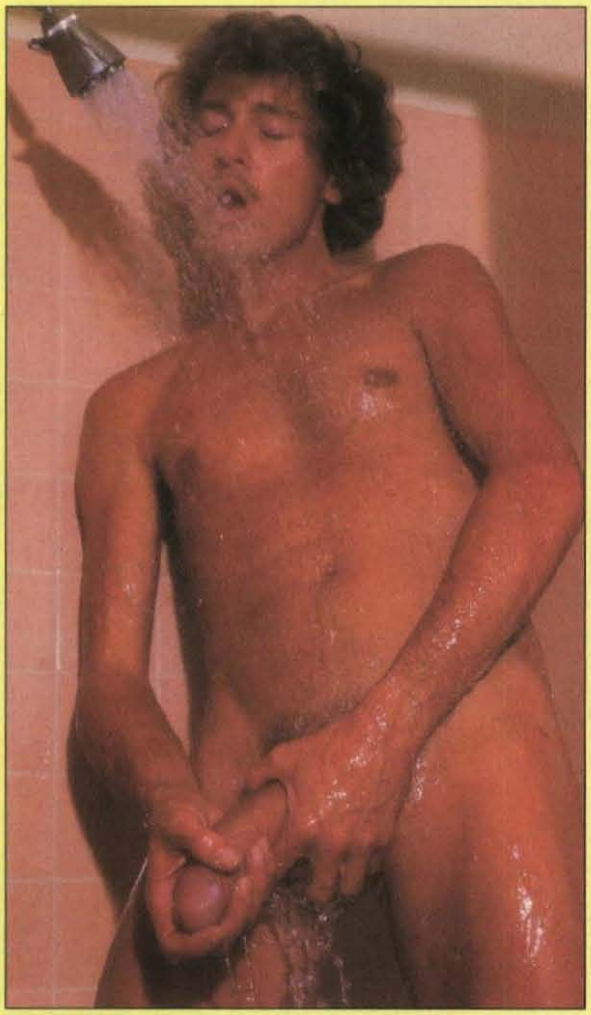

lures over the Atlantic and halfway across Europe to be taped by a journeyman American director in a porn feature that could have been made just as disjointedly here at home for a fraction of the cost. If *International Phone Sex*'s main problem were only less-than-beautiful girls, it would not be half as dire as it is. Most of these doxies would have trouble finding work as dog food. Even the often stunning Tracey Adams comes off as sort of a pig. Judging by the length of Tom Byron's hair, this crapper has been in the can for quite some time. Perhaps it should go back in, and return to Germany. —*K. B.*

AMERICA'S MOST WANTED GIRL

Shot on Video.

Half Erect. Directed by Henri Pachard; starring Renee Morgan, Sharon Kane, Charli St. Cyr, Carol Cummings, Robert Bullock, Jerry Butler and Eric Edwards. Videocassette by Intropics Video.

Nothing is blatantly wrong with *America's Most Wanted Girl*. Henri Pachard deftly realizes one of Raven Touchstone's less-wordy scripts, incorporating two hetero couplings, one dyke pairing and three threeways. For variety's sake, one threesome features two dudes ganging up on one girl; the other triumvirates are of the dual-cunts-on-a-single-prick variety. But whether Eric Edwards is hustling his love handles for Renee Morgan and Sharon Kane, or Jerry Butler and Robert Bullock are trudgingly slamming Charli St. Cyr, or Butler is dutifully receiving a Morgan BJ, or Kane is laboring among the labes of Carol Cummings, or Cummings is doing her job with Robert Bullock, or Butler—sighing and gritting his teeth—is digging in for the closing bit of work with Kane and St. Cyr, the subtly fuck-weary performances are underscored with a cynical ennui that will depress sensitive, receptive libidos. No one seems to really want anyone else in *America's Most Wanted Girl*.—*K. B.*

The Angel in Mr. Holmes: *Johnny takes a shower with his best friend.*

THE ANGEL IN MR. HOLMES

Shot on Film and Video.

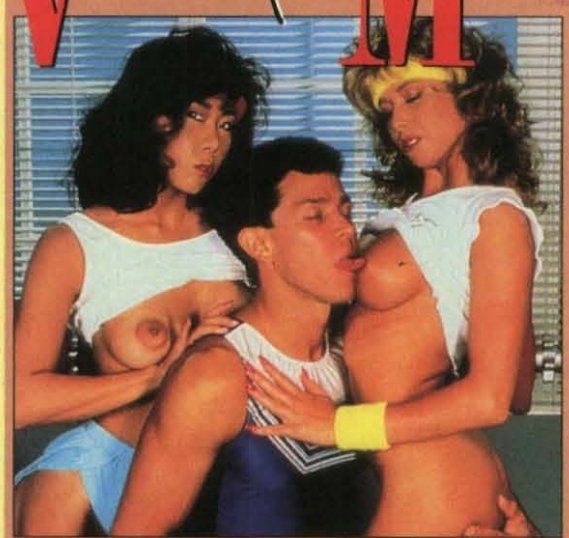

Three-Quarters Erect. Starring John Holmes, Seka, Amber Lynn, Keli Richards, Rhonda Jo Petty, Janet Sands, Taylor Evans, Nancy Suiter, Spikette and Tom Byron. Videocassette by Western Visuals.

Probably the only angel that ever got into John Holmes was the lingering, inexorably wasting, pitiless angel of death, but John would be edified to know that his cock lives on. These selections from a long and prolific career, many on film featuring femmes every bit as irretrievably parted from this vale of cum as dead Holmes, were mostly shot when the Wadd's wang throbbed with a steady pumping of HIV-negative blood. Back then, monster-dick Holmes's T-cell count was probably higher than his prick length in inches, IQ, age and number of friends combined. None of that helps his cremated ass now, but at least before he went down in flames, super-schlong got to fuck ice-platinum queen Seka at her peak, as documented in *Angel*, not to mention insane ginch Keli Richards, insatiable wench Amber Lynn and a bunch of those gorgeous hippie blondes and brunettes who did porn in the '70s for fucks rather than bucks. Those lays, like John, are long and gone. —*C. S.*

VIDEO of the MONTH

LUST LETTERS

Shot on Video.

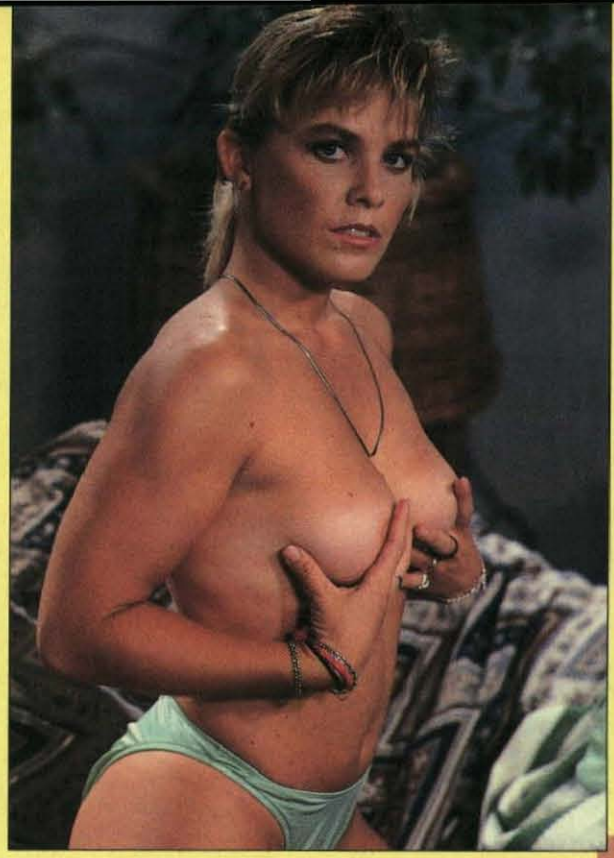

Left photo: Tony Montana practices his stamp-licking technique with Blondi and Jasmine. Right photo: Ebony Ayes gets a special delivery from both ends in ***Lust Letters.***

Fully Erect. Directed by Justin Star; starring Elle Rio, Blondi, Jasmine, Alisha Lashley, Ebony Ayes, Nina De Ponca, Frank James, Troy Tannier, Tom Byron, Ken Starbuck, Jesse Eastern, Blake Palmer and Tony Montana. Videocassette by Caballero Home Video.

Judging by the retiree-filled cast, *Letters* must have been lost in the mail, but it was worth the wait. Brazilian super-snatch Elle Rio serves as fuck-toy and narrator. A chance to see Elle in action is not to be missed. Her scene with Frank James, Tom Byron and Blake Palmer, in which she sucks and screws her way through a wild ass/pussy double penetration, climaxes with a triple wad wipe-down on the South American slut's still-begging bod. Jasmine shares her Far Eastern charms with Middle American Blondi; beyond-busty Ebony Ayes gives Ken Starbuck and James a lesson in lewd Negritude, and Tony Montana joins Alisha Lashley (a/k/a Sade), Nina DePonca (billed here as Feline) and Tom Byron for a multi-racial/multi-hole humpathon that includes cock in Lashley's crapper and a big, slo-mo wad on DePonca's face and tits. Production quality is high, as is cooze-and-action variety, a combination that makes *Letters* lusty indeed. —*B.B.*

976-STUD

Shot on Video.

Half Erect. Starring April West, Amanda Tyler, Billy Dee, Blake Palmer, Alise, Don Fernando and Donna N. Videocassette by Las Vegas Video.

The girls of *976-STUD* are two shades of blond, one brunette and one redhead, but so generic as to be almost interchangeable. One vamp's skin is vampirishly white; another has a dime-size mole on her right buttock. Of *976*'s five fucks, Blake Palmer is the stud in three. If this sleaze slop had any plot, Blake would be the leading man. As it is, he's in need of a shave during his first pop, and has had one by tape's end. Other than Palmer's grooming, *976* is notable for its cum-shots. Don Fernando pulls out of his pixie to drape his dong and trail jizz from her gaping asshole all along her abutting butt crevice; Palmer splits his semen spill over the two tits of his first bitch; Billy Dee drops his dollops on a doxie's smooth behind; Blake's second slut is flat on her back to yank his slime onto her chest; his third cooze takes a spiral of scuzz circling her relaxed anal ring. Don't call us, *976*; and we won't call you. —*K. B.*

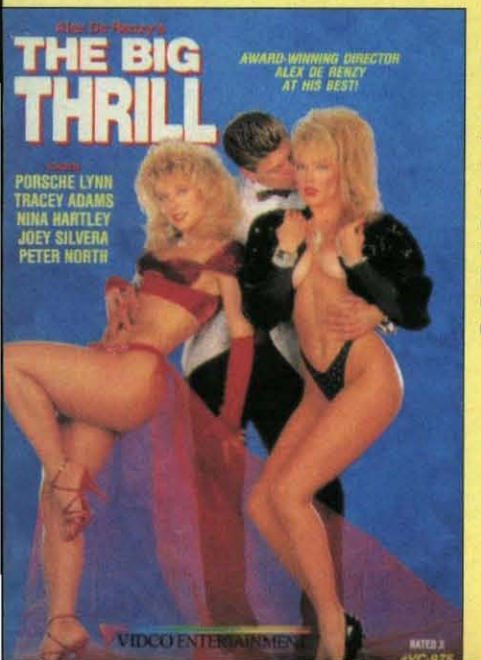

976-STUD: *April West makes sure she still has her breasts.*

THE BIG THRILL

Shot on Video.

Half Erect. Directed by Alex DeRenzy; starring Peter North, Nina Hartley, Joey Silvera, Porsche Lynn, Tracey Adams, Randy West, Sharon Kane, Tanya Foxx, Scott Irish and Renee Morgan. Videocassette by Vidco.

After 15 minutes of fully clothed fustian introduce *Big Thrill*'s 60-second premise, all fuck breaks loose, with often two or three couples or trios sliming at a time until tape's end. Inauspiciously set in a hair-dressing salon, with most boffs upon barber-type chairs, *Thrill* boasts closer to ten than the requisite five sexings, but to any crusty viewer, who presumably has seen 90% of this cast 100 times, the fuck total will seem closer to 20. As the parade of timeworn talent marches onscreen, the eager beater is affected no less somnolently than by sighting his wife of 17 years in curlers, flannel and face cream. Those who'll give the old broads and wads one more look will see slick, professional porkings rooted in the mutual regard of long-term business associates, with a particularly high-yield Peter North jizzing on Nina Hartley's cunt and ass crack, but for most of these doxies and dongs, the big thrill is over. —*C. S.*

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved lovemaking.

FANTASIES: THE KEY TO FANTASTIC SEX

John takes Mary by the hair and pulls her head back. "If you want my cock," he spits at her, "you're going to have to beg for it." As he pushes Mary to her knees, John unzips his pants and out springs his enormous hard-on. Mary moves to take his heavy cock in her hands, but John grabs her by the hair again. "Do you want it?" he croons, smoothly rubbing the long length of his shaft with one hand while holding her hair firmly in the other. Mary starts to beg softly for John's blood-engorged cock, her mouth practically watering while watching John jerk himself inches from her face. Some pre-cum oozes from the purple tip as she licks her lips and pleads with John to allow her the honor of taking his beautiful cock between her lips. She is almost crying when he rams his turgid, red peter into her mouth just as he is about to come. Only heartbeats later he fills her pouty, full mouth with his hot love juice. John, reeling from the intensity of the orgasm, collects himself, washes out the washcloth he jerked off into, pushes the porn magazine that he was gazing at to the back of the bathroom closet and returns to the bedroom where his wife is watching TV. He slides between the sheets, kisses her, turns over and goes to sleep.

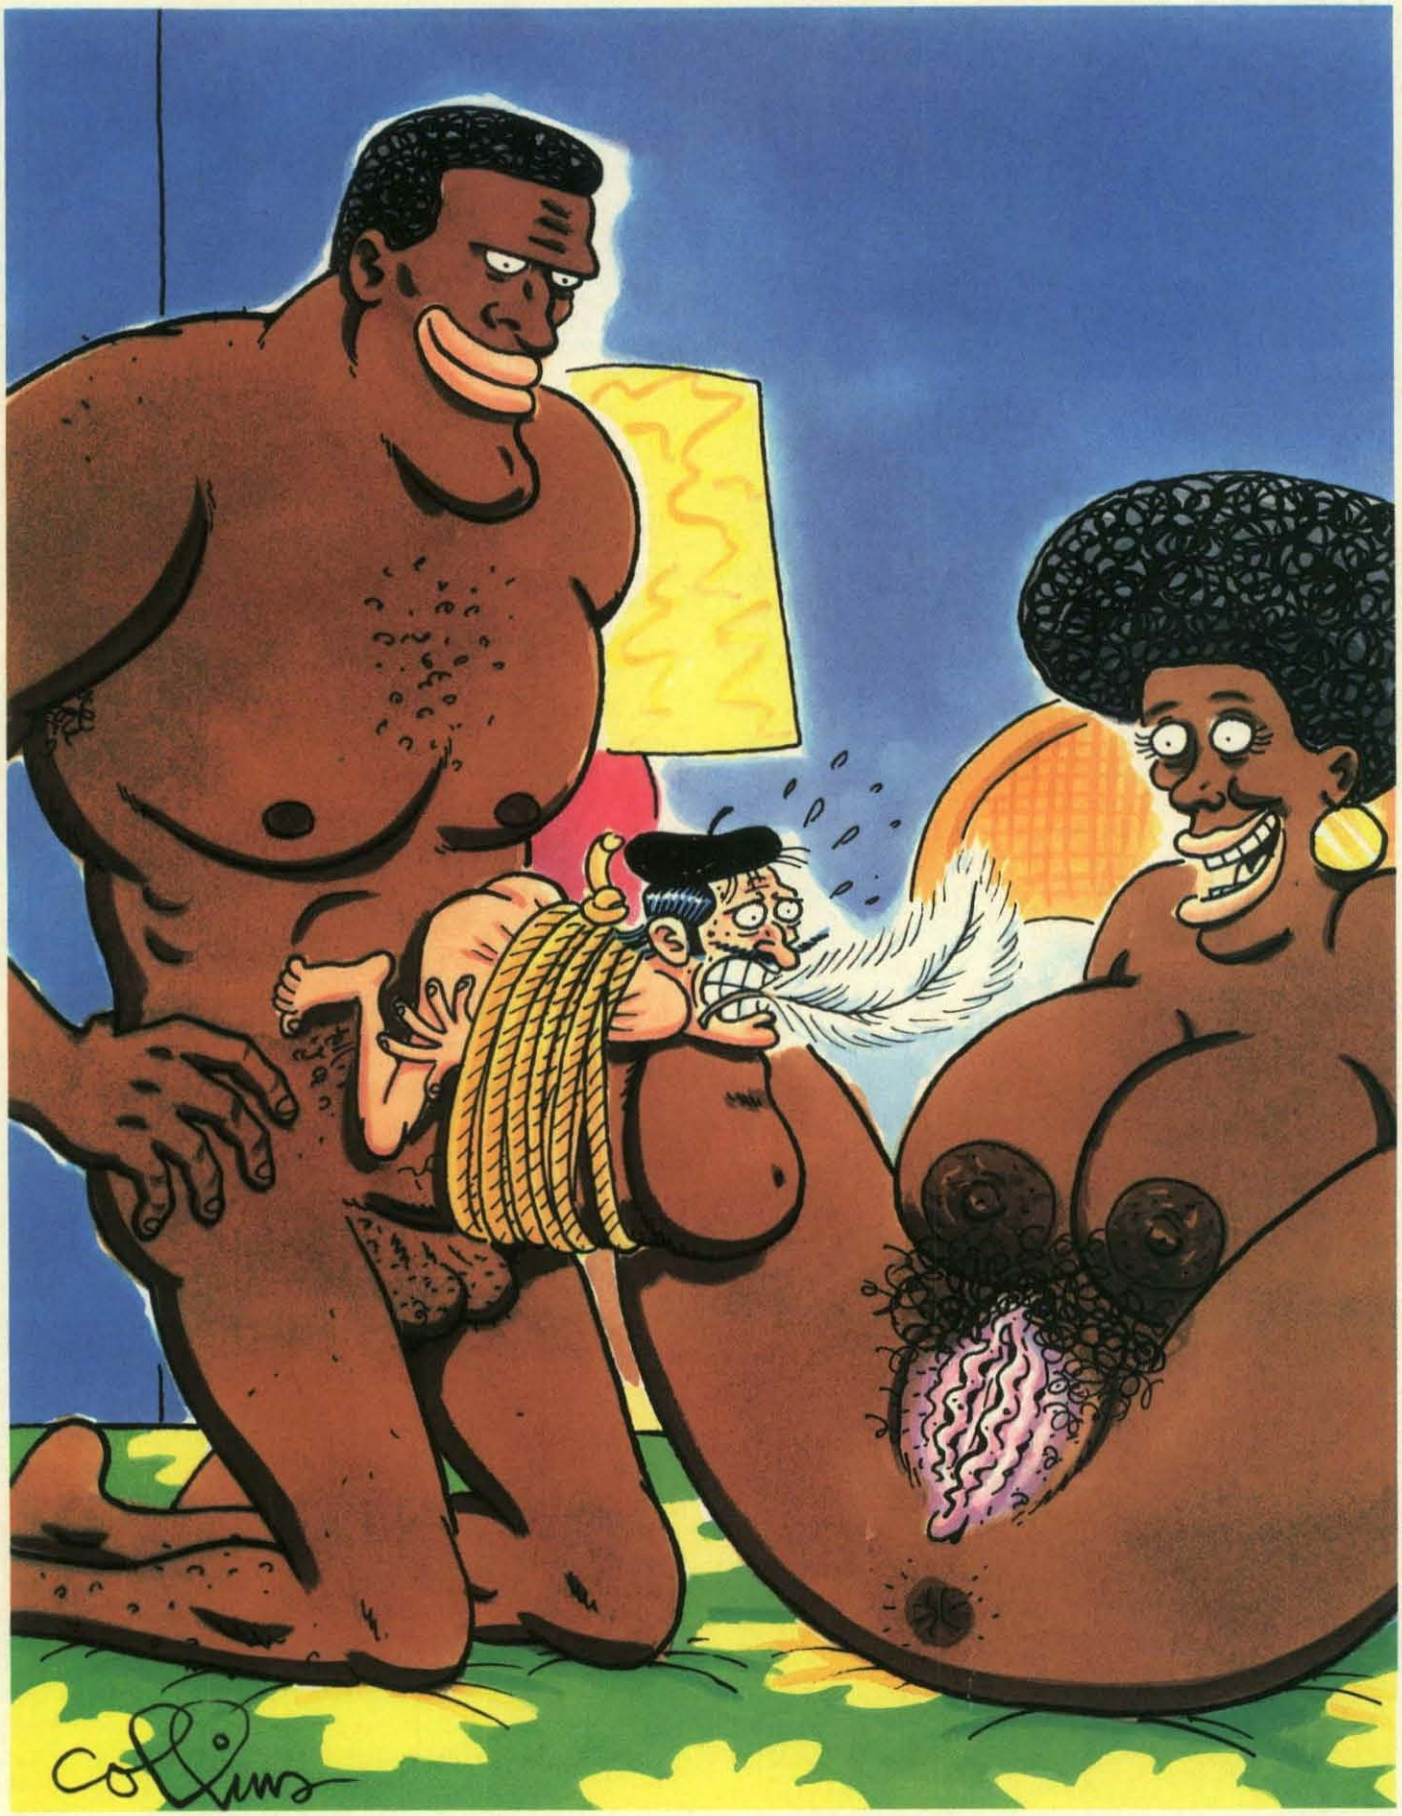

Fantasy is fantasy, and reality is reality, and never the twain shall meet, right? A man likes to pride himself on being practical, sexually speaking; content, to a certain extent, with what he has and not fooling himself into thinking that his sexual fantasies could ever be fulfilled. Besides, a grown man has many responsibilities—hardly a day goes by that he isn't under major stress or pressure. Sex just isn't that high on the priority list anymore. A good porn movie or sex magazine, a quick handjob and that's about as far as one needs to go with sexual fantasies.

But suppose sexual fantasies could take one further? What would John do if his wife were not just lying in bed watching TV when he returned to bed? How do you think he would respond, assuming that John is an average guy, if his wife of ten years, normally a quiet, unassuming woman, suddenly burst into the bedroom one night wearing thigh-high black leather boots and a string bikini, carrying a whip and handcuffs? Would he strip naked and submissively lie spread-eagle on the bed as she commands, or would he laugh her out of the room?

Sexual fantasies or erotic images that are envisioned during masturbation or intercourse to enhance sex are common. However, they are also commonly thought to be private. The practical man of the '80s does not feel comfortable exposing his sexual fantasies and is even less willing to carry them out. Even though the enactment of a favorite fantasy could greatly intensify a moribund sex life, men are disinclined to "come out" with what really turns them on. In *Male Sexuality*, author Bernie Zilbergeld explains, "When it comes to sex, men are rarely able to do what is best for them, rarely able to communicate their needs and feelings to their partners. They are so focused on acting the way they think a 'real man' should or on pleasing their partners that they often do not get

by Jake Bartlett

"Oh, goody—a French tickler!"

what they want."

A man with umpteen pressures and worries who is used to not getting what he wants in the bedroom will use his fantasies as the outlet he needs to let off steam. But he will use them alone. He has enough to worry about without having to agonize over talking his wife or girlfriend into being tied up, or sodomizing him with a strap-on, or even something as simple as wearing high heels and a garter belt while he fucks her. Sexual fantasies, simple or complicated, are very personal matters. Exposing one's fantasies makes one vulnerable to ridicule or, worse, all-out disgust.

continued...

So men continue to repress their sexual imaginations; they keep those private sensuous moments to themselves, figuring that they're better off that way. Yet, sometimes a man isn't that successful at burying his inner emotions: Charlie S. likes to think about that beautiful new secretary he has been pretending to snub for weeks, which is fine. He keeps his lurid thoughts to himself, except that his goddess is consistently turning up in his erotic daydreams—under his desk sucking him off, on top of his desk spreading her pussy—her image even turns up while he's making the usual Friday night love to his wife. Charlie sees that secretary's sexy, full mouth and big green eyes in his mind, and all of a sudden he pulls his cock out of his wife's cunt and forces it into her mouth. After pumping her with more gusto than usual, Charlie comes like gangbusters. But then he's overcome with guilt, especially when his wife asks what's gotten into him. Charlie certainly can't tell her that he's conjured up the image of another woman.

However, fantasizing about another person while having sex with an established partner is an especially popular fantasy among men and women. According to a study reported in the *New York Times*, the following are the most frequent fantasies for men (in order of popularity): replacement of an established partner, forced sexual encounters with women, observing sexual activity, sexual encounters with men and group sex. For women, the first three favorite fantasies are the same as those of their male counterparts.

Instead of feeling guilty and secretive about erotic daydreams, one can actually use them to advantage. According to *Great Sex* author Alexandra Penney, sexual fantasies can be applied to alter marital sexual behaviors and patterns that have helped put sex on the back burner. "Fantasies...can make you more willing to be sexual. In short, they inspire desire...they facilitate sexual arousal: They turn you on. And you can use these turn-ons to rev up, spruce up and spice up a sagging sex life." If seeing the face of that secretary on Charlie's wife makes him feel and act like a stud, why should he later feel guilty? His wife was smiling when she asked what got into him because whatever got into him got into her as well.

"If the fantasy works, no matter what it is, it can be conditioned...you just have to think of it, call upon your imagination," explains Nathan A. Shiff, M.D. in his book, *Sex Without Anxiety*. If a man is experiencing trouble getting aroused during a love session with his girlfriend or wife, he can recall those images that get him off when he masturbates or when he daydreams. He can use those mental images to relax, to make him feel more free sexually and roam from staid sexual routines that he and his partner have fallen into.

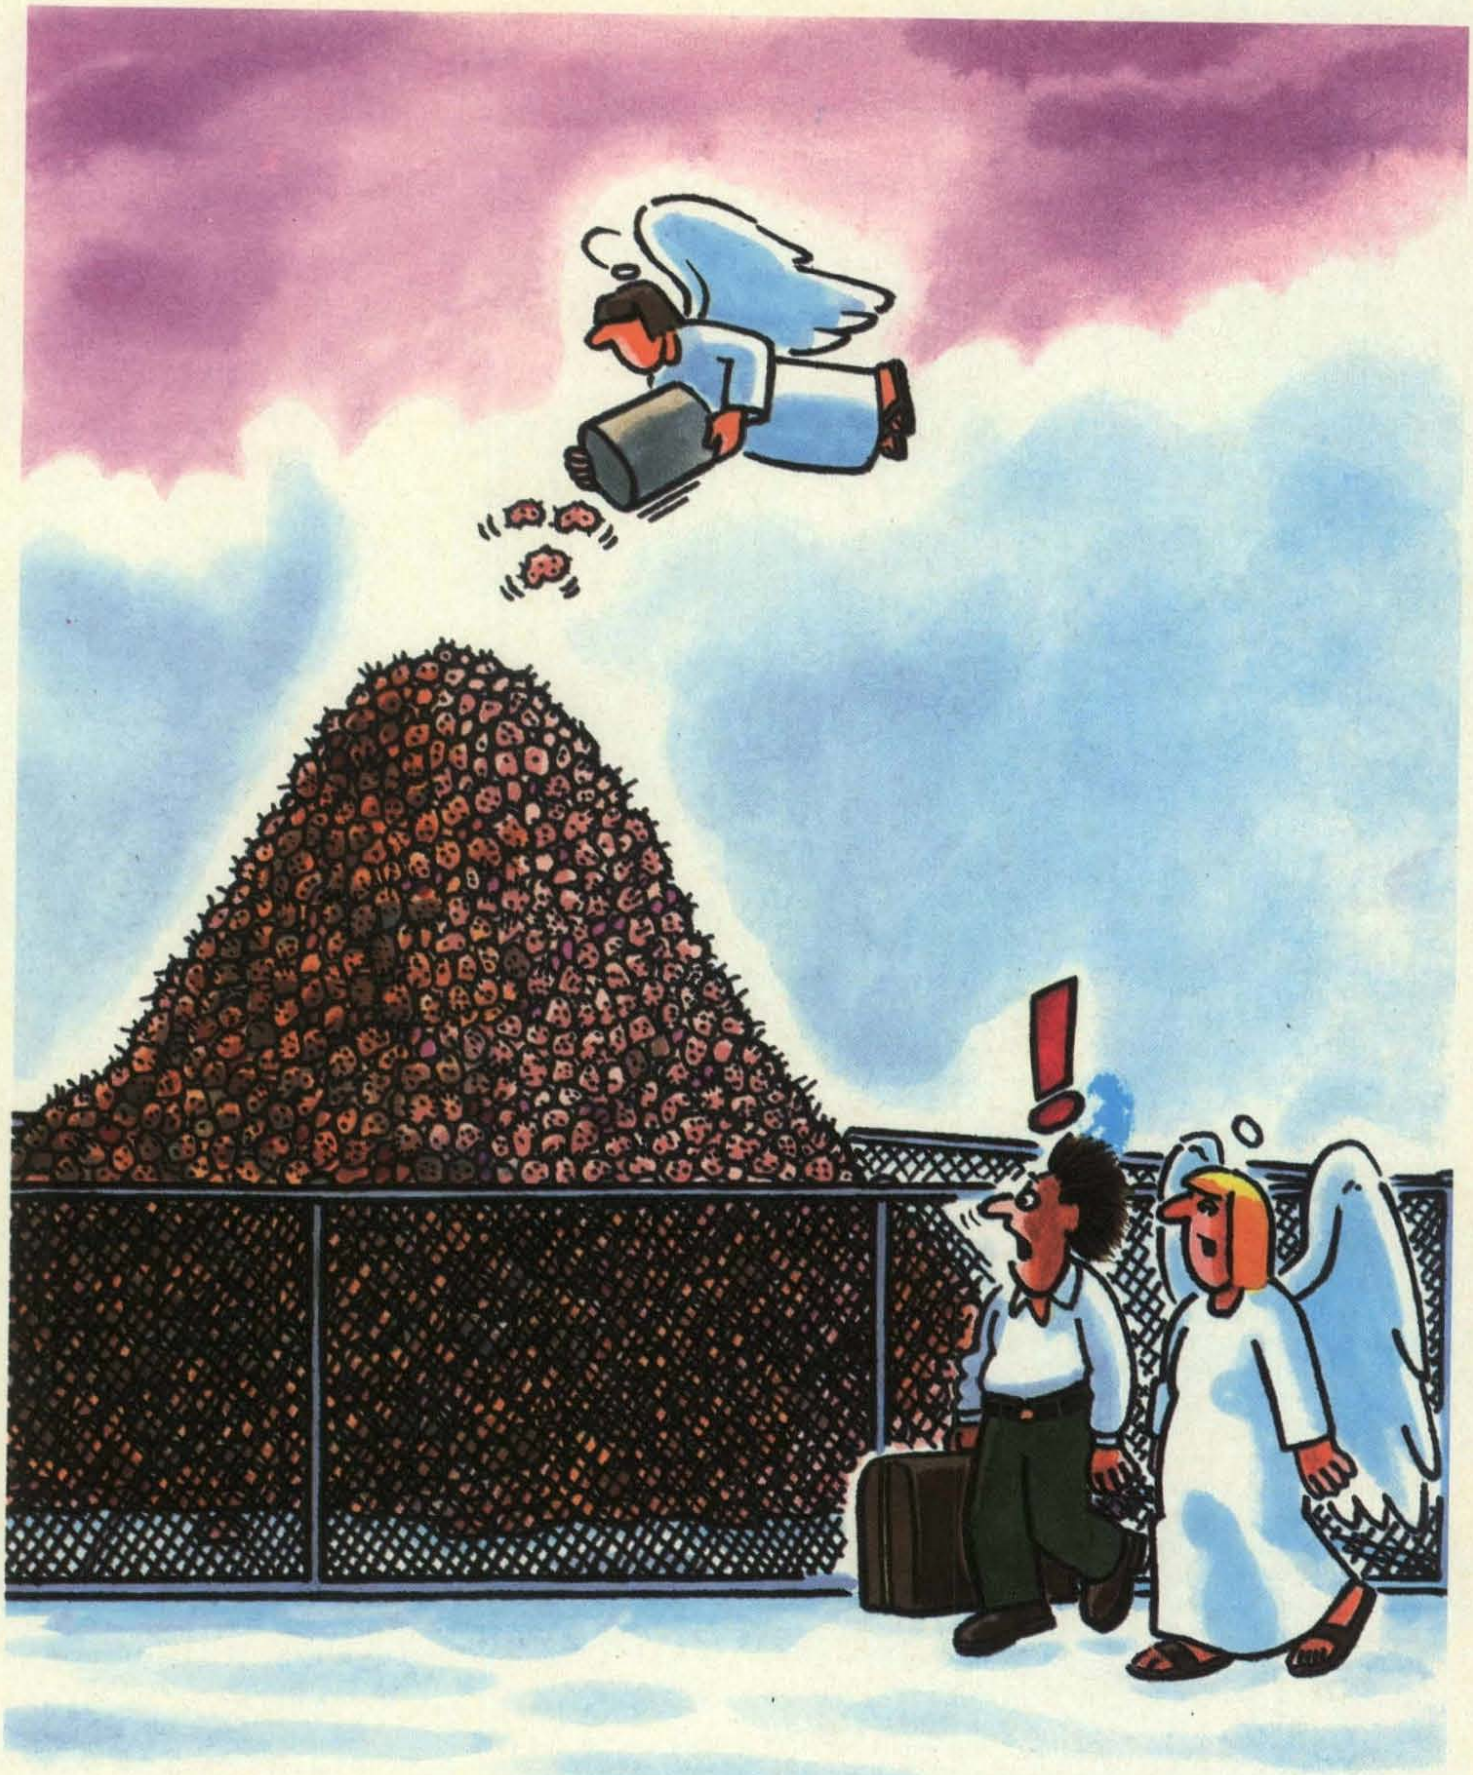

But what about the partner? Suppose a man decides to give in to his daydreams. How does he go about talking his woman into going along? Tracy Cabot suggests in her book *Man Power* that a man should indulge the woman with some light sexual teasing to start. He can talk to her in a flippant, nonthreatening way about his sexual daydreams in a public place, like a supermarket or ice cream parlor. "A woman feels more free with a fantasy if there's no expectation that she act it out right then," says Cabot. "She feels less threatened by a sex fantasy whispered in a movie line because there's no immediate pressure to perform. She can let her imagination run wild, and her excitement will carry over into the bedroom later."

A man should use discretion, though. He might test his partner with light suggestions first. Unless she takes to the idea very fast, a man needs to wait for the woman to come around. Men can be easily accused of being too demanding. The trick is to allow the sexual notion to seem like it's her idea as well, and it very well may be. Casual sexual teasing could be the road to more advanced forms of sexual experimentation—leading to swinging, group sex, S&M—or it could be the road to disaster. Maybe a woman will agree to let her man watch her masturbate, but remain emphatically against having sex with a woman while being filmed. This is acceptable. There are porn movies and magazines available to quench that thirst. Perhaps a woman could become used to the idea after viewing a lesbian porn film or looking at a lesbo layout in a magazine. A man shouldn't push a woman into anything that will cause dissension. The idea is for two people to grow sexually by realizing their physical turn-ons and utilizing them to

AIDS WATCH

THE VIEW FROM THE ROCK GARDEN

by Joseph Henslik

Never in history has anything clashed with the desires and drives of the prison inmate's so-called lifestyle as has AIDS. America's correctional institutions have become breeding grounds for the virus, and state and federal officials are doing little to monitor and fight its spread among prisoners.

The two leading factors contributing to the spread of AIDS are needle-sharing and unsafe sex. Nowhere in the country are these activities more concentrated than in our prisons. Despite long-standing institutional policies prohibiting intravenous drug use, tattooing and homosexuality, correctional officials concede that enforcement is difficult, if not impossible.

In Pennyslvania last summer, red-faced prison authorities were queried by the press about providing condoms when it was discovered that inmates were using bread bags for scumbags. After acknowledging that sex between inmates occurs, these authorities quickly pointed out that handing out condoms would be an endorsement of homosexuality, which is a violation of existing regulations.

Drugs, likewise, are common in prison—a simple matter of supply and demand. With the scarcity of syringes and the preference of most inmates to shoot drugs, sharing needles is a necessity. One needle might be used by 20 inmates. When there are 600 prisoners in one facility mainlining dope, and only 50 needles to use, it's only a matter of time before the users with AIDS infect the whole lot.

Since AIDS gained a serious hold inside our prisons, authorities have begun implementing policies to protect their *officers* rather than the inmates. Throughout the country, guards are using gloves while "patting down" prisoners, exchanging clothing or bedding, or when "shaking down" cells, even though the disease can't be transmitted through casual contact.

When many state and federal courts ruled that correctional officers were not entitled to know which inmates had AIDS, some institutions created hospital policies to circumvent confidentiality rulings. Reports from the largest county jail in Nevada indicate a hospital policy requiring virus-positive inmates to wear surgical masks when going to court, receiving visitors and when using the telephone. Escorting officers wear rubber gloves. The Feds get around confidentiality by "discreetly" informing transporting officers that certain prisoners are Hepatitis B carriers—code for "This man has AIDS."

Citing confidentiality rulings and prisoners' rights, most penal administrators have decided not to isolate HIV-positive inmates until the disease has progressed to the final fatal stages. An operations memorandum signed by Norman Carlson, former director of the Bureau of Prisons, illustrates this policy. It states: "Inmates with confirmed positive HTLV-III [HIV] ELISA test results may be designated to any institution." For federal prisoners showing symptoms of advanced stages the policy reads: "All male inmates meeting the criteria established for AIDS or ARC (AIDS Related Complex) shall be transferred to the U.S. Medical Center for Federal Prisoners, Springfield, Missouri. Female inmates shall be transferred to the Federal Correctional Institute, Lexington, Kentucky." In other words, no special treatment until you come down with pneumocystis carinii pneumonia, Kaposi's sarcoma, spinal meningitis or some other debilitating opportunistic infection.

Given the dynamics of prison life—rampant drug use, shared needles, unprotected sex (whether forced or consensual)—ignoring the special circumstances of incarceration that foster the spread of AIDS may prove to be disastrous.

According to the Centers for Disease Control (CDC), four out of 1,000 prisoners have tested positive for the AIDS virus. The CDC

also released preliminary test results conducted by the American College Health Association that show three out of 1,000 college students to be HIV positive. Comparing the extraordinary differences between a convict's life and lifestyle to a college student's make these almost identical figures not only suspect, but sinister. What is the CDC up to?

Several physician assistants estimated, off the record, that anywhere from ten to 25% of the inmates at the United States Penitentiary in Lewisburg, Pennsylvania are HIV positive, noting that many of the 1,450 inmates haven't been tested. They based their figures on the weekly test results of new inmates who were selected at random. A ten-percent ratio would represent 100 inmates per thousand with AIDS at that facility, 25 times more than what the CDC reported. These figures are supported by a recent in-house study by the New York Department of Health that reported a 17% infection rate among New York State's 46,300 prisoners.

The spread of AIDS is fostered by prisoners' sex drives and drug use. Prison officials' inability to deal with these issues ensures that while the incidence of AIDS declines on the outside it will increase on the inside. But perhaps that's intentional. Perhaps this is the government's latest way to fight crime—by allowing a deadly virus to incubate in the pressure cooker environment of America's prisons. Think about it.

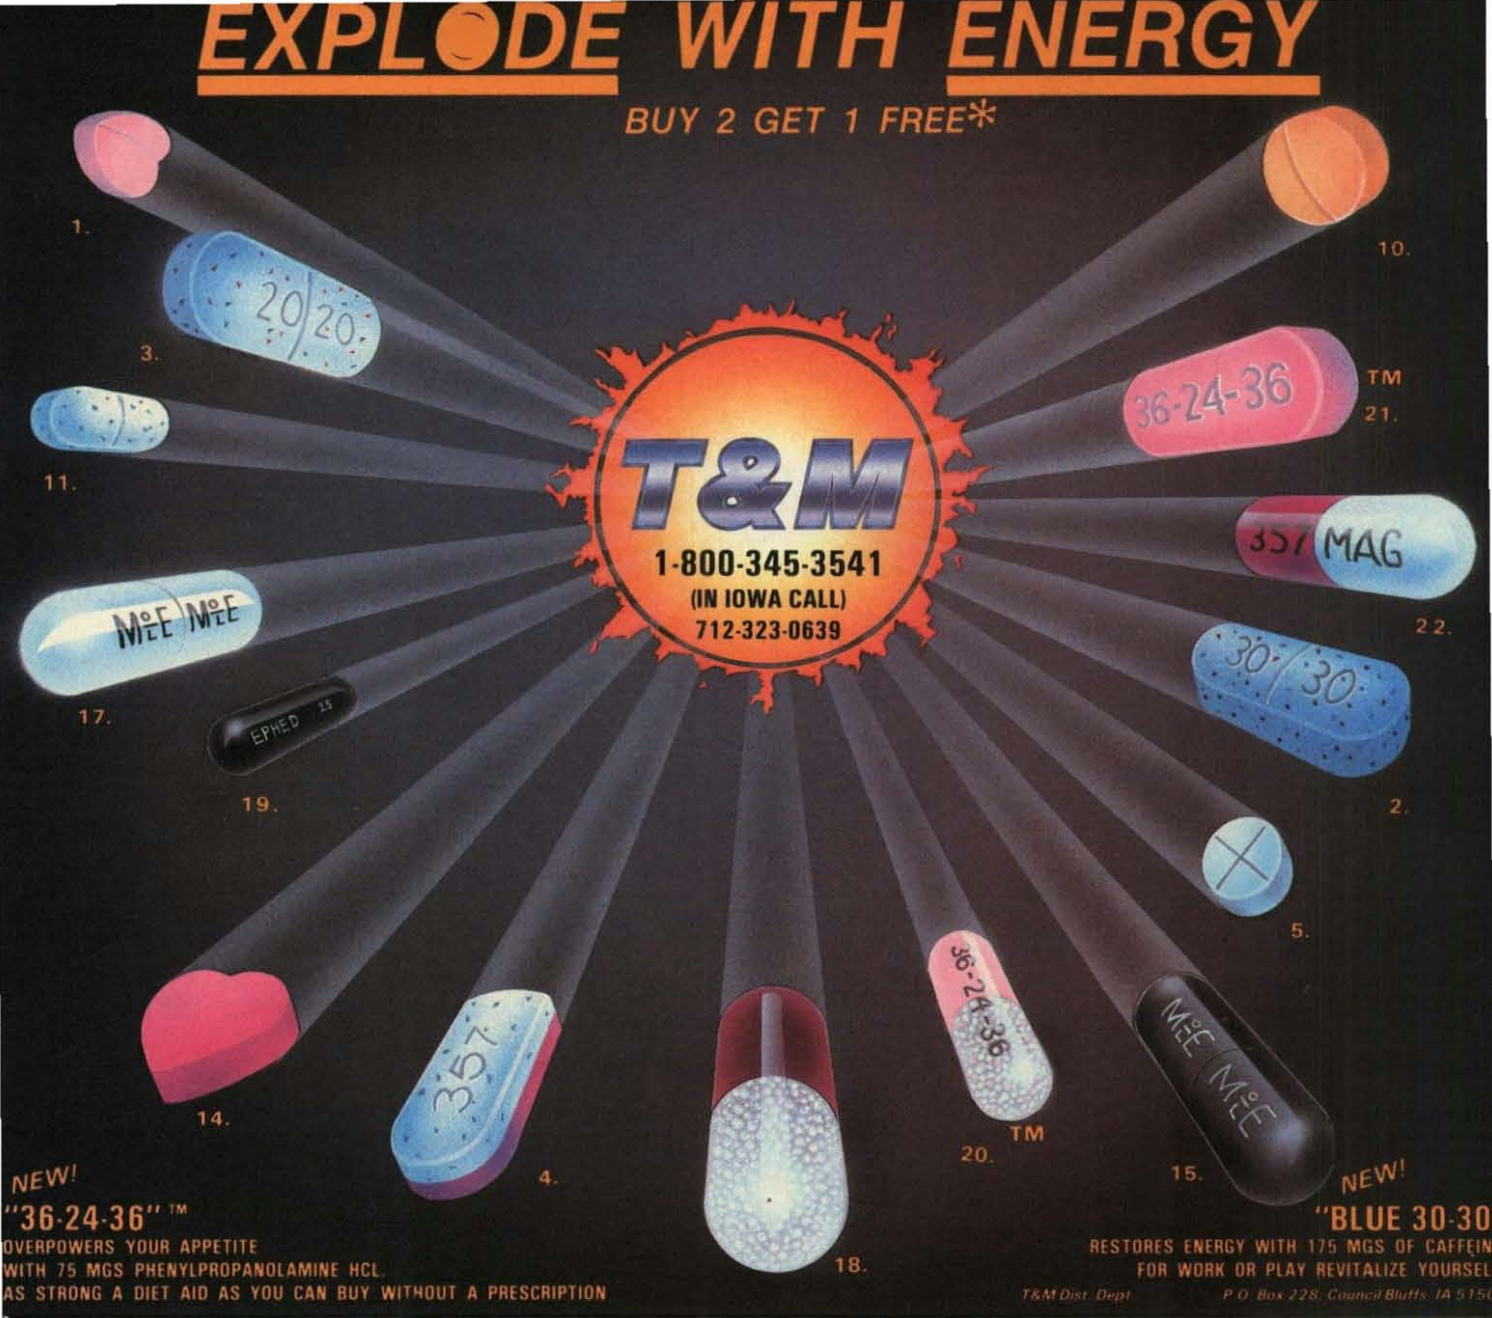

TB IS BACK!

Tuberculosis, a communicable disease that most often affects the lungs, has staged a dramatic comeback among prison inmates, paralleling the AIDS spread inside America's penal institutions. According to the New York State Health Department, tuberculosis cases have risen 700% in the past ten years to a current rate of 100 per 100,000 inmates. This is seen as a huge setback by health officials who believed they had TB on the ropes. The NYSHD also found that a large number of TB carriers either tested positive for HIV or have AIDS. Because AIDS attacks the immune system, opportunistic infections and other diseases can more easily take hold. An alarming aspect of the AIDS/TB correlation is that prison inmates—most of whom spend an average of two years within the correctional system—may be returning to society as potential spreaders of the TB that they might have contracted while they were down.

LEARNING TO BLOW

To supplement my income as a jazz musician, I teach the clarinet. A local conservatory lets me use one of the practice rooms, which are small and soundproof.

Giving private instruction, I meet all kinds—kids and adults, those interested in classical or jazz, good musicians, bad and worse.

A month ago I got a new student who was ten years older than me. "I just wanted to learn something new," she told me at the first lesson, "and the clarinet—I don't know, it just seems so sleek, so. . . sexy to me." She glanced at me with sultry black eyes.

No doubt about it, Mrs. H. was one hell of a woman. She had shapely hips and a beautiful, well-rounded ass. Her hair was as black as her eyes and fell to her shoulders. She had a generous pair of knockers, and she seemed to enjoy leaving a button or two undone on her blouse so I could see how well-endowed she was.

To be honest, though, the thing that was special about Mrs. H. was her mouth. I had never seen a mouth express so much natural nastiness. She had full, firm lips, and before she began to play, she would moisten her lips by running her tongue seductively over them.

Watching her mouth while she played the instrument there were times I was held spellbound by her mobile, pliant lips. I would dream that those same lips were pressed not around the mouthpiece of a wind instrument but around my cock. That voluptuous mouth gave me a raging hard-on.

During one of our lessons, as Mrs. H. played, I stood beside her, pretending to look at the sheet music.

My prick was huge, bulging and erect. When Mrs. H. saw it, she stopped playing. A coy smile drifted over her lips.

"What do we have here?" she asked innocently.

She ran her nail slowly down the length of my prick. I thought I would cream my pants right there. My rod gave a passionate throb. She giggled when she saw it jump.

"We'd better take care of that or you won't be able to concentrate on my lesson," she said.

I began to wonder who the teacher was and what lesson she was talking about.

"What do you have in mind?" I asked.

She glanced at the door to the music room. "Is it locked?"

I quickly accomodated her. "Now it is," I said and took a deep breath.

She was still sitting when I returned to her side.

Mrs. H.—Beth—was the first woman I had ever known who made a work of art out of unzipping a guy's pants. Slowly, deliberately, she pulled the zipper down as I stood in front of her. She prolonged my sweet agony, taking forever to pull out my inflated cock.

She oohed and aahed when it was finally exposed. My raging hard-on was so hot that, as she petted it and gently squeezed the shaft, pre-cum began to flow. My favorite student gave me sensual strokes, long and slow. My dick was an aching iron shaft.

At first, Beth licked the length of my love pole, nibbling up and down the sides. Her tongue snaked out and wiggled into the little slit of my purple crown.

"Mmm," she murmured as she tasted the pre-cum that oozed from the head of my rod.

My prick gleamed with Beth's saliva. She took my fuckstick and nibbled around the edge of the head, then gradually took it into her mouth. Her lovely, full lips surrounded my meat, coaxing it into her throat.

Inch by inch my shaft disappeared into Beth's magical mouth. With one hand this gorgeous older woman fondled my balls; with the other, she jerked me off, which made more and more cock disappear down her throat.

When she had sucked in most of my prick, she grabbed my ass and pulled me against her face. It was almost as if Beth were using my cock to fuck her own face. *Go right ahead*, I thought, *use me.*

My balls flopped against her chin each time the full length of my pole thrust between those luscious lips. Her soft tits pressed against my thighs.

Breathing through her nose, she started a suction that made me incredibly hard. She grunted with pleasure each time she took me in to the hilt. Her lips squeezed and teased and tormented me deliciously.

My legs were quivering. I couldn't hold back any longer. Tears appeared in Beth's eyes. My cock twitched and jerked and tightened.

"I'm coming," I whispered, putting my hand on the back of her head.

My shaft erupted, pulsing with cream. Beth tickled my nuts. I shot gob after gob down the beautiful woman's throat. She milked me with her hand, and her cheeks and lips moved in rhythm to my spurting semen.

As my rod started to soften, she gazed up at me and deliberately let a few drops of sperm trickle down her chin.

"Now I know why I like the clarinet so much," she said. She paused and added, "I'd like to learn how to play *your* instru-

ment better."

I took a deep breath. "You'll have to practice a lot."

She smiled, pressing my cock against her cheek. "I hope so." —Tom

CREAMING COEDS

Being from a rural area, when I entered college for the first semester, I was determined to get "educated"!

The first day was hectic with scheduling, dorm assignment, scrambling for books and getting ready for classes on the upcoming Monday. My dorm roommate was a frisky little brunette who flirted with the guys and talked more openly than anyone I had ever met. Suzy sounded wild, and, if what she said was true, I hoped some of it would rub off on me.

"Hey, let's have a party Saturday before school starts, want to?" she asked. By Saturday she had plastered signs all over campus advertising a pre-school bash.

Eight o'clock rolled around and carloads of kids began pouring in. Around midnight, I decided to see if I could find Suzy and some trouble to get into. As I walked around the house, I saw couples everywhere, in every imaginable state. In the kitchen a muscular guy was leaning back against the wall. At his feet was a petite blonde with his balls in her hand and his cock in her throat. People were walking in and out, but she kept giving him head. I stood there fixated. How I wished I was her!

As I walked by, the guy reached out, pulled me to him and kissed me on the lips as if he'd known me forever! At first I resisted, but the thought of what was happening below spurred me on.

He kissed me more gently and rubbed his palm over my erect nipple, making me shudder. I felt a soft hand snake its way up my leg. The little blonde was gently caressing the flesh of my inner thigh. She slowly pulled aside the band of my panties and slipped a finger into my hot, wet pussy. As the guy played with my tits and kissed me, she fucked me with her fingers and whispered to both of us, "Let's go out to my van."

Hand-in-hand, the three of us walked to a VW bus that was wall-to-wall mattress.

The guy, Will, laid me down and began kissing me gently as the blonde, Sally, removed my clothes. When my sweater rose over my head, Will went to work on my tits. He licked and sucked each one, bringing my nipples to hardness. Sally had my panties off and, opening my legs slightly, began to lick around the edge of my bush. It drove me wild. I'd never wanted so much to be fucked in all my life!

Will took my hand and placed it on his cock. It was huge, at least seven inches long, and so thick I could barely get my hand around it. Though my mind was on Will's cock, I was brought fully alert with the first flick of Sally's tongue on my clit. I responded with a quick involuntary jump, and Sally buried her head in my bush.

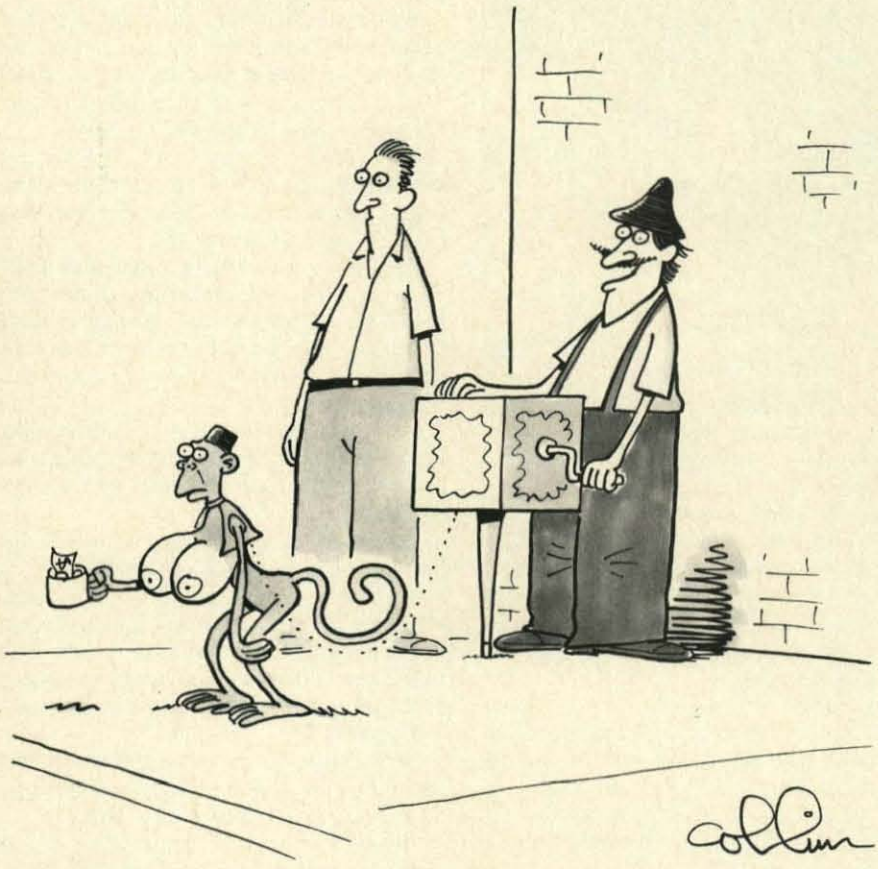

There was licking and sucking going on all over my body. My nipples were so hard they hurt. My pussy was having spasm after spasm, coating Sally's face with my juice. In, out and around went her tongue. God, she was good! Sally slowed a little and gently brought me to another orgasm as Will kissed his way down my body. Will got on his knees between my legs. I was in heaven.

Will rubbed the head of his cock up and down the length of my slit. I could feel it sliding back and forth across my clit, lingering at my hole. He entered me a little at a time. I must have come ten times before he slid all the way in. I was on fire as his balls slapped my ass. Finally, I had it all . . .deep in my pussy. I came again, moaning and kissing Sally, when Will started pumping in earnest. The harder he banged my pussy, the more I wanted. At the very last possible second he pulled his cock out and squirted cum all over my belly and tits. Pressing his dick against me, he continued to hump slowly in our sweat and juices.

We didn't go back to the party. We got each other off again, then lay in each other's arms, suffused in a warm glow.

That party two semesters ago was the beginning of a great year. I have since been with Will and Sally together and individually. Now, home for summer, I can hardly wait to get back to college to continue my "education."

REVENGE

by J.R. NELSON

Some people go to great lengths to get even. Sometimes they end up the worse for it. Maybe revenge isn't so sweet after all.

REVENGE

Don stopped in his tracks. The living room looked like a scene out of Helter Skelter.

On September 24, 1988, 25-year-old Samuel Lee Harris met his end. He was found at 4:00 a.m., lying in the middle of the interstate highway in Chattanooga, Tennessee.

Harris's hands were cuffed behind his back, and he was nude except for a pair of socks. Medical Examiner Frank King determined the cause of death was a head injury sustained when Harris was dropped headfirst from a 40-foot overpass onto the freeway. As King describes it, "He had a classic type of head injury we call *deceleration*."

It wasn't the fall that killed him; it was the sudden stop. The top of his head contacted the pavement and his body kept going, ramming his spine into his skull. His head burst on both sides, and his brain shot out all over the highway.

Theorizes Medical Examiner King, "I think this is a show-time death. Here he is dropped off a bridge onto the interstate, in handcuffs and stripped of his clothes. That's a very showy, macho, bragging kind of death. To me, someone's making an example of him so other people will know not to do what he did."

Another investigator states, "This has all the signs of a revenge killing. It takes a lot of hate to kill someone like that. He was stripped, tortured, then thrown from the bridge. The killer, whoever he is, has a lot of rage inside him."

It's impossible to estimate how many people are murdered, tortured, raped or robbed and how much property is damaged each year in the name of revenge. Most revenge cases are never labeled as such. Police sources conjecture that a majority of murders have a revenge motive of one kind or another. Add the number of arson cases to other crimes against property and persons, and the figure is staggering. Revenge may be the number one motive for crime in the United States.

Vigilantism was popularized by the *Death Wish* series of movies and demonstrated in real life by Bernhard Goetz, the New York City "Subway Vigilante" who shot four young men he felt were trying to mug him.

In *Death Wish*, the hero responds to the brutal slaying of his wife. Goetz also responded to prior crimes. He had been mugged on the subway previously and injured when he was thrown through a plate-glass window.

Although Goetz often carried expensive electronic equipment and was constantly a target for muggers, the city of New York turned down his request for a gun permit. Florida's laws were less strict. He obtained a handgun there while on vacation. He used this weapon to shoot the four black youths who were harassing him on the subway.

Public reaction was astonishing. A poll showed 47% approved Goetz's actions without reservation, 17% disapproved and the rest had no response.

Citizens wrote in comments: "I wish I had the guts to do something like that." "It's about time someone stood up for the working man on the street." "I already have my plane ticket to Florida. I'm going to buy the biggest handgun I can find."

People fought back.

A man was carried from a much-robbed liquor store, five gunshot wounds to his face and head. The 70-year-old owner had purchased the gun less than 24 hours earlier.

A 16-year-old inner-city girl foiled a rapist by belting him repeatedly with her purse. The purse gave way, spilling several dozen golf balls, with which she pelted the attacker with painful accuracy as he ran.

A man attempted to pull a young girl into his car and was attacked by several sewer workers who heard her screams. He was taken to the hospital unconscious.

New York cases of vigilantism rose so drastically that Mayor Edward Koch delivered a speech addressing the problem: "We will never tolerate vigilantism. Even if someone thinks he is in the right, he may not take the law into his own hands."

Street cops had different feelings. William McKechnie, president of the Transit Police Benevolent Society, said, "I can't say I'm totally for this guy. We can't turn the subways into Dodge City. But let's say this guy shouldn't get the electric chair."

Society in general is fortunate that only a tiny fringe group makes itself judge, jury and executioner. These few have always been under our noses. The Subway Vigilante case just made them popular.

If anyone had a right to join this fraternity, it was Don, a short, balding accountant. Each day for 15 years he had taken the train into the city to the same office. Each evening he returned home to the same wife and daughter and the same house. It was his way. He hated changes.

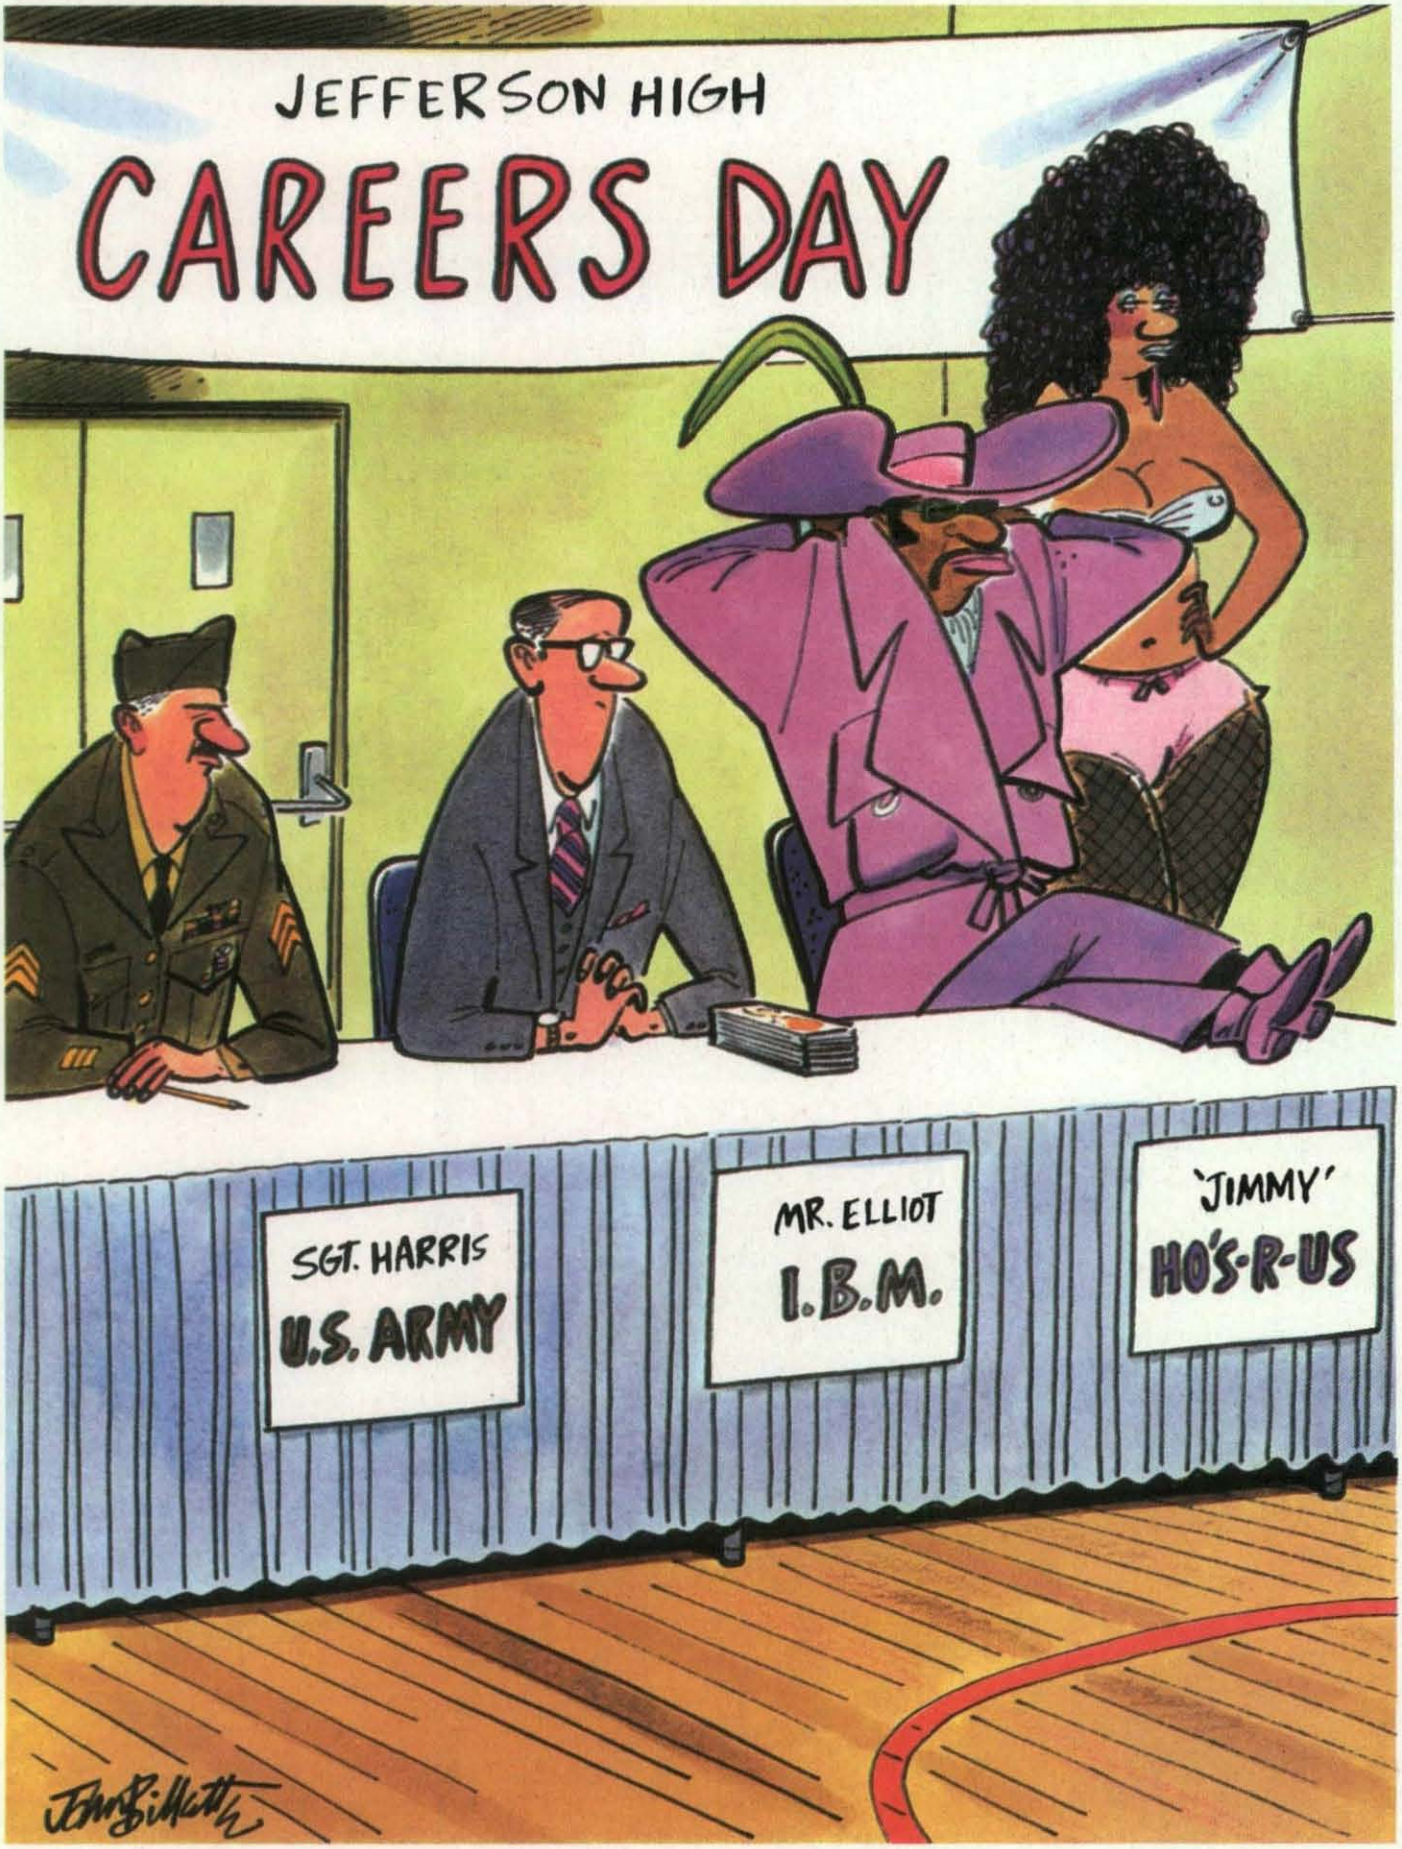

One Friday, the rain stopped about noon, and as the last rays of the evening sun were sparkling in drops of water on the hedges in the front yard, Don opened the front door. He stopped in his tracks. The living room looked like a scene out of *Helter Skelter*.

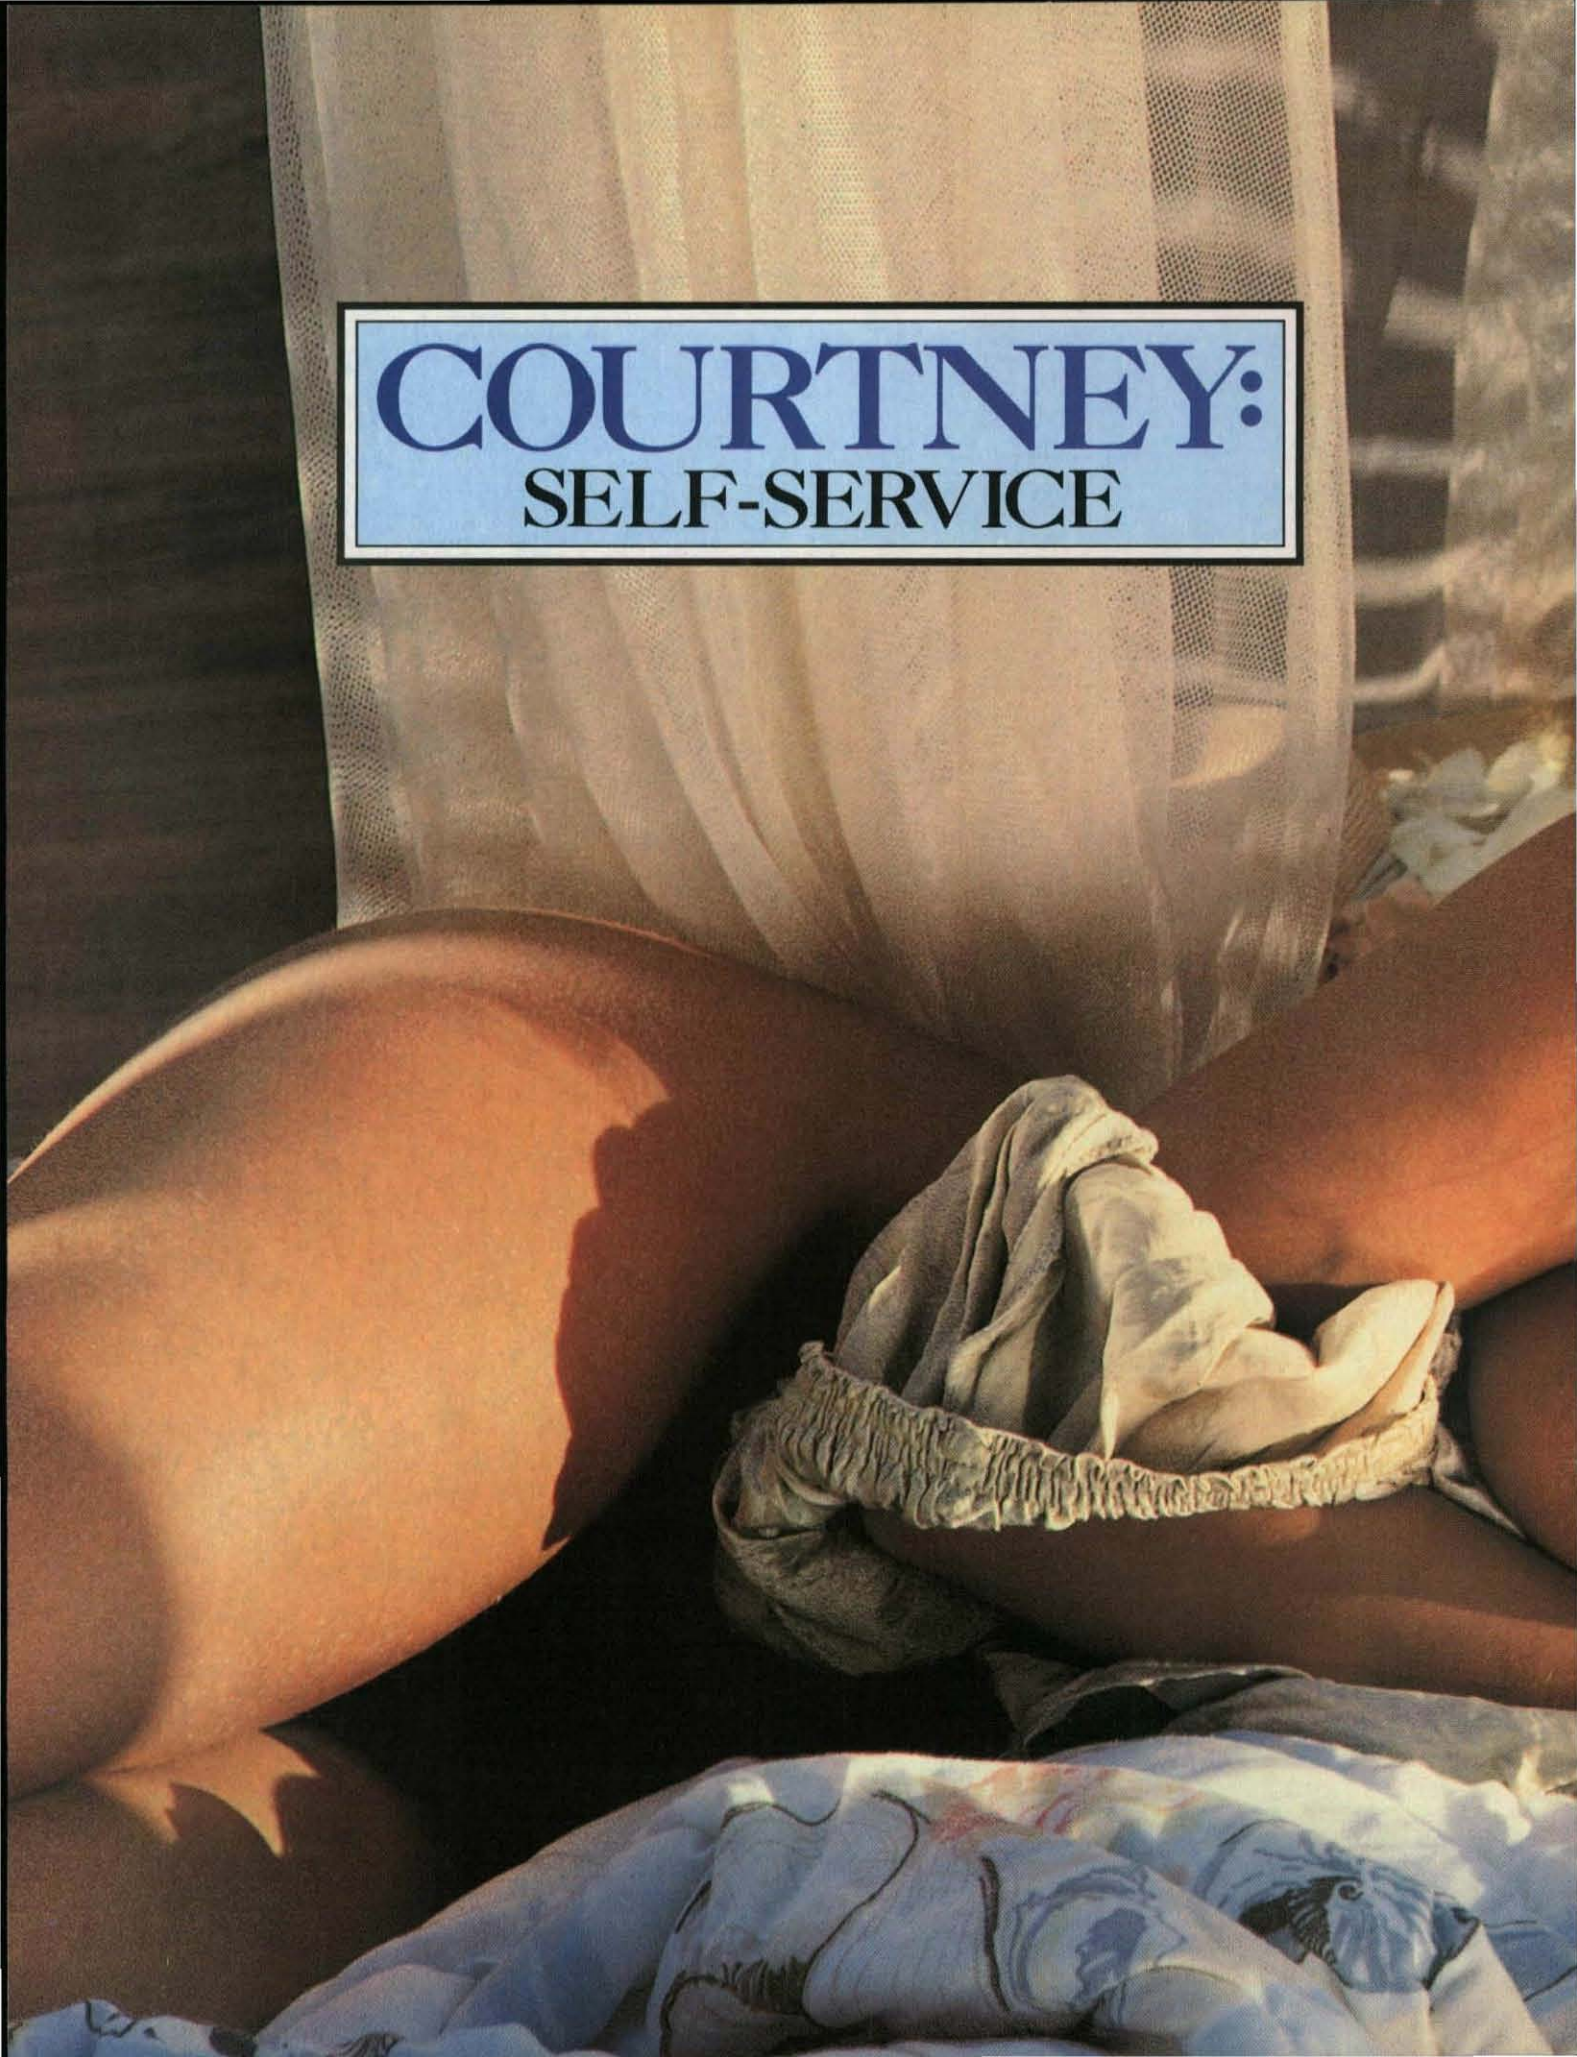

Don picked carefully through the mess,

COURTNEY:
SELF-SERVICE

Photography by James Baes

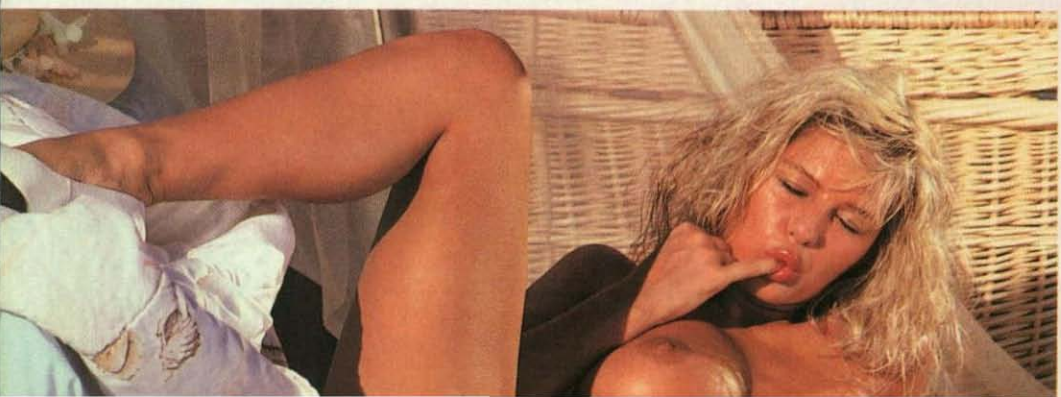

"Some people think that masturbation is wrong," says Courtney, sliding two fingers between glistening labes. "They say it can drive you crazy or make you go blind or grow hair on your palms. The truth is, what drives you crazy is *not* masturbating. As for going blind or getting hairy palms . . . I think that just happens to men."

His wife lay naked on the bed, her arms tied behind her. The entire bed was soaked with blood.

trying not to disturb anything. The police would probably want to check for fingerprints. He heard gentle crying in the bedroom. He bolted up the stairs. His nightmare went from bad to worse.

His wife lay naked on the bed, her arms tied behind her. The entire bed was soaked with blood. Crimson gushed from a four-inch laceration across the front of her throat. Don gathered her up in his arms, but she was limp. Her only reaction was whimpering. The side of her head was crushed. A small part of her brain was visible through the fracture.

But she was still breathing. He had to get help.

The living-room phone had been ripped from the wall. The other phone was in the kitchen. As he rounded the corner into the breakfast room, his eyes widened in horror. He began to gag, finally vomiting all over himself.

On the white tile floor lay the bloody remains of what had been his nine-year-old daughter. A puddle of blood formed a halo around her head. Bruises covered her nude body. Her right arm had been wrenched from the socket. Her forehead was smashed. Her eyes were lost somewhere in the mess. It didn't take an expert to know she was dead.

A blood-covered iron skillet lay a few feet from the body along with the tattered remains of the sundress she had been wearing. It had been torn to ribbons as the assailant raped her.

Police soon caught the scumbag. He had a record an inch thick: housebreaking, assault, rape, a couple of shootings. This was his first known murder.

As the DA prepared the case, Don had great hopes. His wife seemed to be improving. Lawyers assured him that justice would be done.

But justice isn't always what it's cracked up to be. The perpetrator entered a plea of "no contest" to manslaughter. He would be sentenced in a few weeks. Meanwhile, he was free on bond. He could expect to get three years or less.

Three years for taking away everything Don loved in life? A couple of days later Don faced the decision to end his wife's existence. She had suddenly grown worse, registering no brain waves. Life-support machines were turned off. That afternoon Don bought a shotgun for $200. He got free instruction at a firing range.

Don had never held a gun, but by superimposing the criminal's face over the target, he became reasonably good with the weapon.

The grinning man, beer in hand, answered the knock at the front door. Taken totally by surprise, he dropped the beer and bolted toward the back of the house.

Don hesitated only a second, then leaped after him.

The perpetrator-turned-victim was trying to open the bedroom window when he heard the dull *thud* as the shotgun shell seated in the chamber. He stopped and put his hands up, his back toward Don.

Don wanted to see his face, to see fear in his eyes and listen to him beg for his life, just as Don's wife and daughter had done.

"Turn around." Don was surprised at the authority in his own voice.

The man obliged. "You don't really want to do this," he sobbed. "I didn't mean to hurt anybody. I was high on crack. Don't kill me." Don, for a second, felt sorry.

The shotgun barrel dropped a little, just enough to signal that Don was indecisive. The perpetrator leaped toward Don and took the full muzzle blast of the first round right through the testicles, falling to his knees with a scream. The crotch of his pants was gone. The remainder of his penis hung from a piece of skin.

Don laid the hot barrel of the shotgun against the scumbag's cheek.

"Suck it."

The perpetrator looked up at Don, sobbing and blubbering about another chance.

Don pulled the trigger a second time. The man's brains splattered the wall behind him. The body slumped over against the bed, still on its knees.

Don slowly turned and went back into the living room. He sat quietly, letting everything sink in. His job was done.

He picked up the telephone and dialed 911.

As the siren approached, he put the stock of the shotgun against the floor, rested the barrel against his chin and fired his last shot.

Don's case is what psychologists call a vendetta. He had a purpose. When that purpose was accomplished, there was nothing left to do. He was no danger to anyone but the person who had hurt him.

Some cases of revenge are more spontaneous.

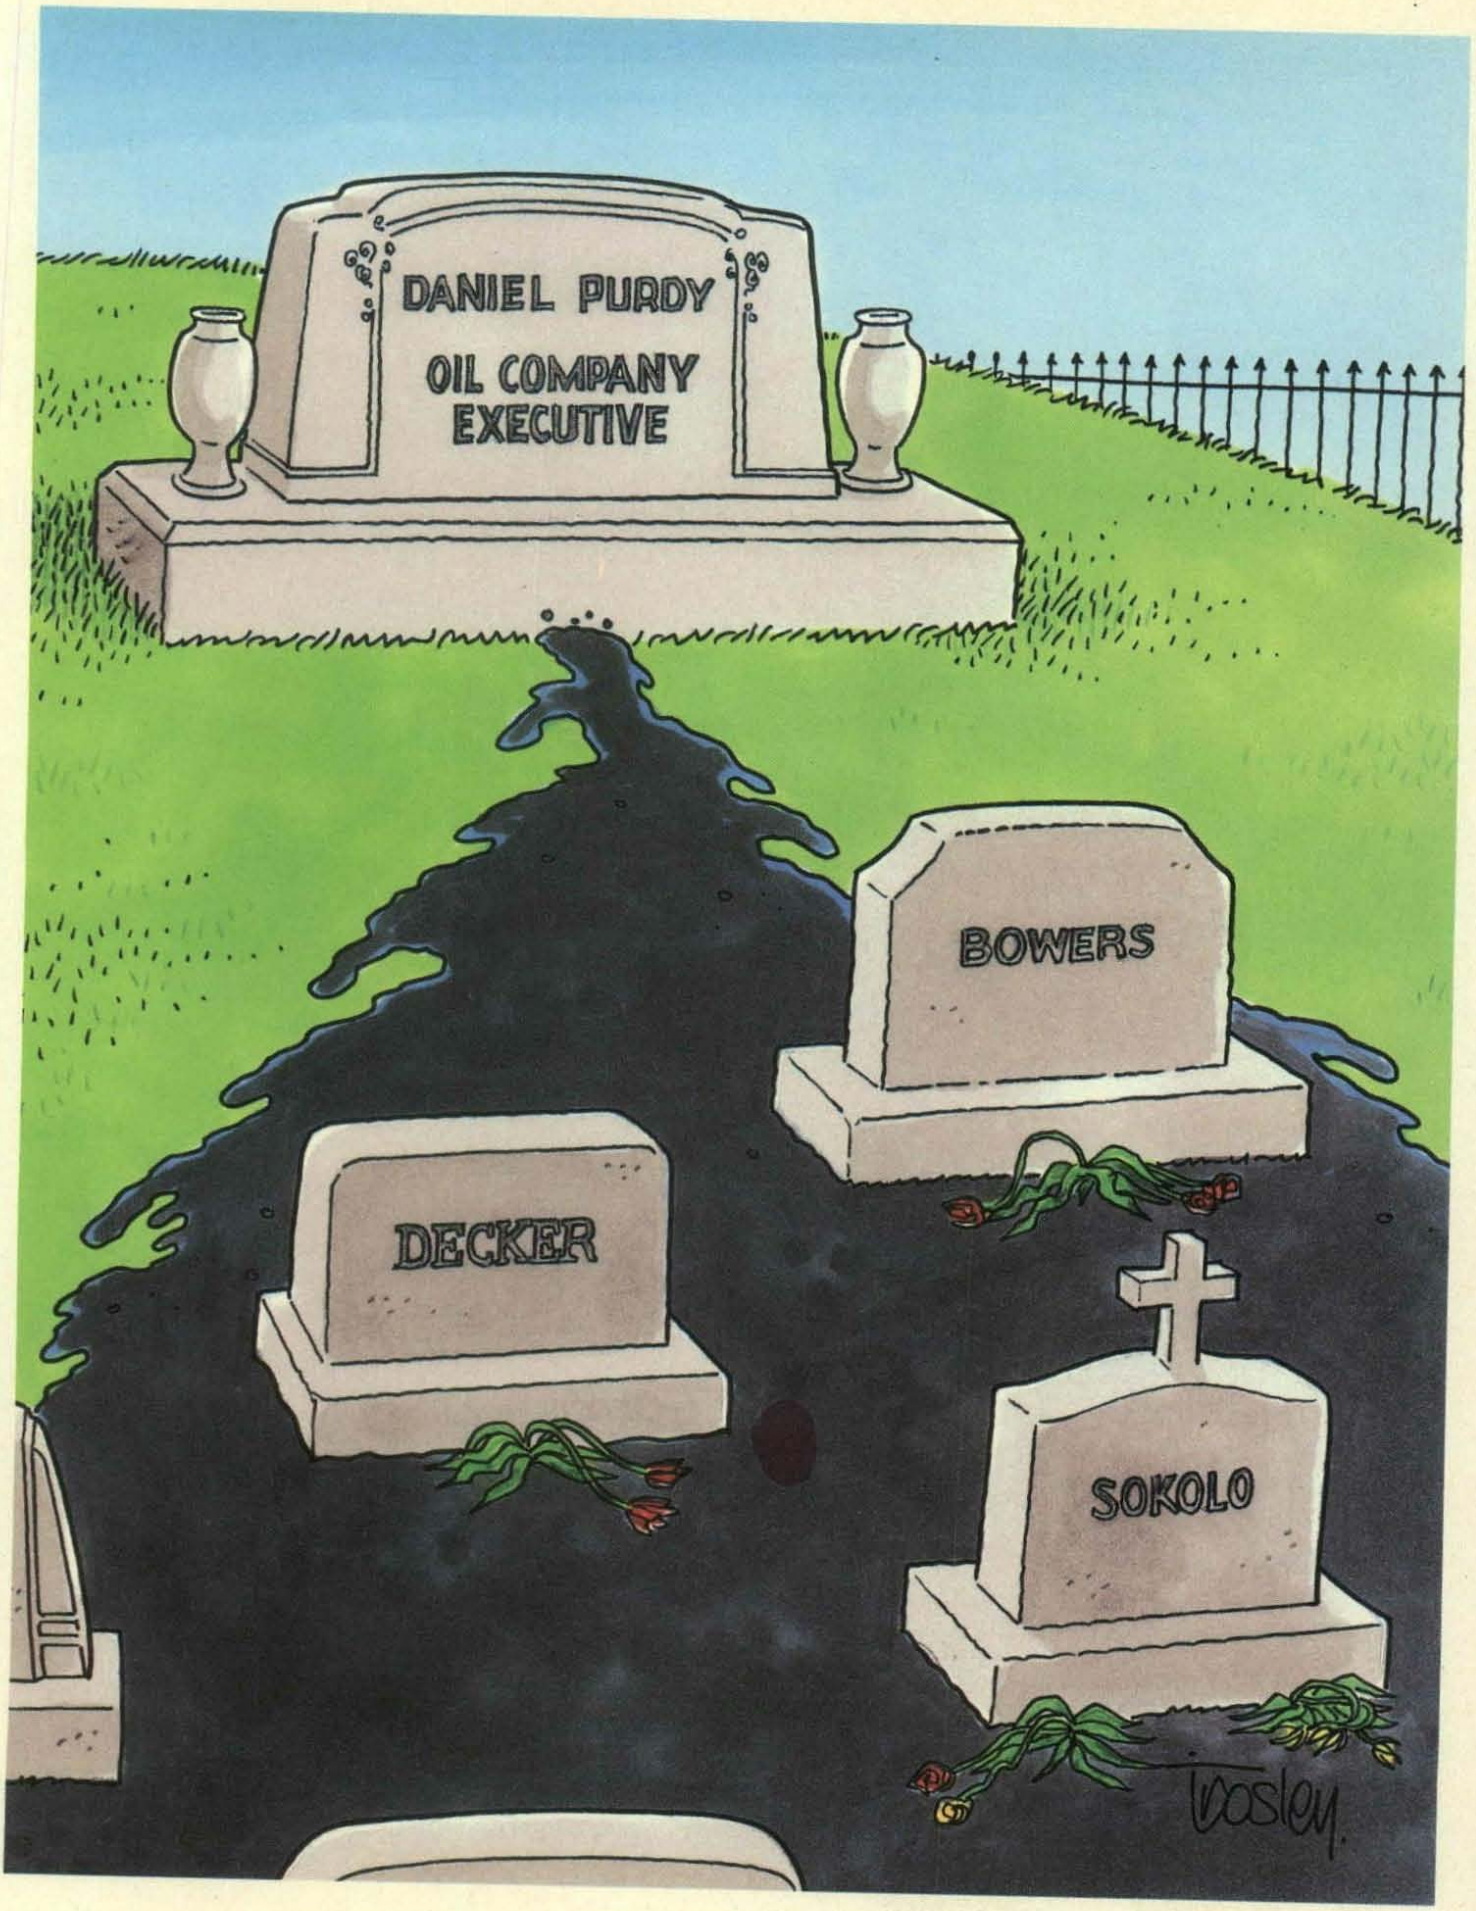

Raymondo Carraballo had been described by police as a vagrant and possibly an addict, just another East Harlem crackhead.

The honest citizens had taken as much abuse as they could stand on the day Carraballo took his last breath. Drug dealers plied their trade right outside the doors of

When their husbands finally passed out, Cyd and Denise were out of their swimsuits and into each other quick as a wink. So Denise spiked the guys' drinks. . . so what? They'll sleep peacefully for a couple of hours and wake up none the wiser.

Meanwhile, the girls can sate their cunt-lust in the sensuous intimacy of Denise's spa, sucking clit and tit as the soothing water bubbles around them.

Cyd: "We've got to stop meeting like this."

Denise: "Don't worry, I've got plenty of knockout drops. I'm going to eat your pussy till you scream."

Cyd: "Same time tomorrow, then?"

A streak of blood and internal organs led from the crumpled, broken body back almost three blocks.

innocent families. Murder took place in their front yards. Carraballo was no worse than the rest of the garbage that littered the streets. He just happened to be the one who took the full force of their anger when everything broke loose.

Allegedly, Carraballo was walking past a bake shop when he saw 21-year-old Anna Beteran inside holding a $20 bill in her hand. It took only seconds for the bill to make its way from her hand to his pocket.

As her screams attracted attention, Carraballo disappeared into a nearby building.

Witnesses saw at least 12 people beat, kick and hit Carraballo with "everything they could get their hands on," including a metal garbage can. When housing authority police arrived, he was a bloody pulp. The crowd that gathered shouted, "The next time we catch you, we're going to kill you!" Carraballo died several hours later in a local hospital, the result of mass trauma. Several of his assailants have been charged with manslaughter.

Just a few miles away, 63-year-old Robert Colon was beaten when he wandered off with a baby carriage he thought had been discarded. He had no idea it had babies inside and was loading a few bottles, cans and other personal treasures into it when the mother, who had left the babies alone for "just a minute," began to scream.

A group of citizens, some members of a civilian security patrol, attacked the man, kicking and beating him unmercifully. A uniformed policeman who attempted to intervene was also beaten by the mob. He sustained injuries so crippling that to this day he has not been able to return to duty.

Colon survived, and arrests have been made in the case.

The epidemic continues.

A man attempting to rob a church during services was beaten to death in the middle of the sanctuary by the worshipers.

Neighbors, sick and tired of dopers hanging out in their middle-class area, burned the house of an alleged dope dealer to the ground. They were charged with arson.

A man, hearing a woman scream that she had been raped, chased a man down with his car, caught up with him and made hamburger out of him with the front bumper. It was the wrong man. The victim turned out to be the girl's brother, who was also chasing the rapist.

A man walked into an emergency room with a seven-inch knife sticking through his eye and penetrating about an inch into his brain. According to his story, a group of men attacked him, accused him of being a peeping Tom and plunged the knife into him.

Right or wrong, some people have decided that if no one will protect them, they will protect themselves.

Criminals aren't afraid of the system anymore. As one convict said: "What's a little jail time? You get a room, a TV and three meals a day. It don't cost you nothin'."

* * *

The anger and helplessness many people feel makes them respect the occasional person who fights back, but the flip side of vigilantism is the violent revenge used by dopers and street gangs.

Gang wars start innocently enough. A crack dealer from the Aliens street gang was trespassing on the turf of the Poor Boys, a rival gang. He had just about unloaded all of his dope when a car pulled up. The car held the warlord of the Poor Boys and two enforcers.

Not a word was spoken. A tire was produced from the trunk of the car and placed over the head and shoulders of the 14-year-old, then slid down tight. His arms were pinned to his sides. Gasoline was poured over his head.

The child became a human torch.

The tire not only holds the victim's arms, it also melts. The tar flows over exposed body parts causing third-degree burns. Even if the fire is put out, the tar continues to smolder.

The boy was burned beyond recognition. His hands were charred stumps, and his legs were bony masses with a mixture of tar chunks and clinging black flesh.

The Aliens had to get revenge on the Poor Boys. A girlfriend of the Poor Boys' leader was abducted, raped, tortured and thrown from the roof of a six-story building. On her breast was the mark of the Aliens, burned on with a branding iron.

The Poor Boys retaliated by cutting the warlord of the Aliens into pieces. His head was impaled on a street sign at the border between the turfs of the two gangs. His penis was mailed to his mother.

The Aliens then burned the Poor Boys' hangout to the ground, killing two gang members. Also killed were two children and an elderly man who lived in the tenement apartment upstairs.

Next, the Poor Boys ran down the Aliens' president, dragging his body under their car. A streak of blood and internal organs led from the crumpled, broken body back almost three blocks to where he was first struck.

Finally, two cars loaded with members from the rival gangs had a shootout in broad

BEACH BON-BON

Meet Marisa. The lucky tourist who was the first to taste this beach bon-bon discovered that, as obliging as her twat is, Marisa is no man's sex servant—she's just a slave to sex. She won't treat you like a god, but she'll worship your cock. "I...like... beeg," she says, haltingly, giggling as she holds her hands a few inches apart. Either she has a sense of humor or it doesn't take much to fill up this wicked little nymph. Whichever, her pussy can go all day, all night, all the time. Her simple request of her sated visitors? "Pleeze...tell... friends." You bet.

HUSTLER HUMOR

A nerdy groom carried his pretty but very anxious virgin bride across the threshold of the bridal suite. He set her down and hugged her close. "I guess this is it, darling," he said. "We're finally alone."

"I'm frightened, Eddie," she pleaded. "I want to please you, but I'm afraid it will hurt."

"I'll be gentle," Eddie soothed. He gave her plenty of time in the bathroom to change and get ready for her first night of sex. She finally came out of the bathroom dressed in a demure nightgown, and quickly slipped under the covers next to her lover. They kissed and hugged, and though her eyes were clenched shut and her body was rigid, when her husband finally touched her pussy, it was sopping wet. Eddie quickly rolled into position and thrust in. Kissing her grimacing face as he pumped, his passion soon had a quick climax. He plopped off his wife and pulled her close.

"Don't stop kissing me, Eddie," she implored. "I think I'm ready for you to put your penis in me!"

The HUSTLER Dictionary defines *depressed nymphomaniac* as: a glum-ball machine.

Charlie was dating a middle-aged woman who had a pretty 17-year-old daughter. The couple were on the couch watching TV when the teen bounced by.

"Charlie," the woman mused, "if my daughter and I were trapped in a burning house, which one of us would you save?"

"Well, babe," he said, "I guess I'd save yer kid."

"Oh, Charlie," the lady gushed, "you're so noble!"

"Not really," he replied, "after all, I've already fucked *you!*"

A morose cabbie plunked down on the barstool next to his buddy in their favorite watering hole. Noticing his friend's distress, he asked, "What's wrong?"

"That's it!" he blurted. "My wife and I are history—I'm divorcing the bitch!"

"Why? What's the trouble?" the friend asked.

"That cunt said she spent last night in town with your wife, Rita!"

"So, what's wrong with that?"

"What's wrong with that?!" the cabbie yelled. "*I* was fucking Rita last night!"

Reverend Jim Fakker called an airline ticket counter to purchase a ticket. The phone clerk immediately recognized the name and voice. Because the clerk's aged mother had recently been bilked out of her life savings by the good reverend's sleazeball organization, the airline employee seized the opportunity to get some revenge.

"Okay, sir," she said, "that's one round-trip ticket to Washington. Now just let me confirm that spelling, please. Is that F as in fuckhead, A as in asshole, K as in kleptomaniac, K as in kiss-ass, E as in earthworm and R as in rat?"

Question: Why don't men trust women?
Answer: Would you trust somebody who bled for a week and didn't die?

A local lounge lizard, surprised to see foxy Tina in the bar without her boyfriend, approached her and said, "Hey, Tina! Where's that overgrown ape of a boyfriend of yours?"

"He's in the hospital," she said.

"Oh, sorry to hear it," said the stud. "What happened?"

"He has a severe tongue injury," replied Tina. "I found a redhead on it."

Question: What do you call ten Jewish girls in the basement?
Answer: A whine cellar.

Once there was a very dedicated jogger who took the same three-mile path every morning for his workout. About halfway back he would pass a very high hedge where he would relieve himself without being noticed by anyone in the neighborhood who might be out picking up the morning paper.

One day, needing to pee badly, he did not take the time to check and see if anyone was around. Just as he was finishing his task, an elderly woman pushed her way through the bushes. He was so shocked that he just froze where he stood, his cock hanging out for the world to see.

The old woman looked at him admiringly and said, "You know, I'm old, and I haven't seen one of *those* in years; would you mind if I just touched it?" Being very proud of his manliness, he agreed. After fondling his penis for a few moments she slipped both of her hands between his legs and gently took his balls into her hands. Just as he was slipping into ecstasy the old woman grasped his balls firmly and started beating them together, screaming, "Don't you ever piss on my bushes again."

THE *Real* WILD WEST

by Mark Crane

Forget Matt, Doc, Chester and Miss Kitty. Gang-rape, satanic rituals, whores, drugs and alcohol make the true Old West seem like just another day on *Geraldo*.

When the black robe was slipped from the lovely young blond girl's shoulders, she stood before the altar completely naked. The ring of men who surrounded her gasped in appreciation. The slender teenage body approached physical perfection in its proportions and carriage.

The girl, calmed by drugs, offered no resistance as she was placed on the altar. A robed figure, designated the High Priest, fitted a leering, goatlike mask to his face and mounted the altar to crouch above the remarkably lovely young virgin. He moved his red robe aside, displaying a penis swollen in anticipatory excitement. A dozen or more loins vicariously savored the initial penetration. A circle of robed men moaned and whimpered along with the two figures on the altar.

THE *REAL* WILD WEST

After the tenth member had pumped his lust into her, the girl began to scream. The drug was wearing off.

The High Priest soon spent his lust, but not before he had consummated the ritual of the hymenal sacrifice. He stood, then touched a forefinger to the cloth beneath the thighs of the living altar. When the finger moved back into view, it was blood-smeared, scarlet proof of the girl's former innocence.

The blonde lay outstretched on the altar. The High Priest indicated that another male should take his place between the warm pillars of flesh. As a second robed figure mounted the drugged teenager, the High Priest began a bizarre chant.

After the tenth member of the circle had pumped his lust into her, the girl began to scream. The drug was wearing off.

A burly man who was next in line would not be cheated of his turn. He slapped her into unconsciousness and thrust himself into her with a hoarse cry of passion. With a cruel frenzy, he pounded himself like a rutting goat into her crumpled body.

Finally, the last robed figure had his way with the living altar of virgin sacrifice. A circle of scantily clad women then moved with eager giggles and lustful moans toward the men. At the sound of a large gong, the men tossed aside their robes and seized the nearest woman. The debauching of the young virgin had been but a prelude to an orgy.

On that incredible night in 1851, San Francisco patrolman Isaiah Lees made a startling discovery. From a darkened hiding place, he observed several former members of the famed Vigilance Committee revealing themselves to be something far different from their positions of apparent law-abiding authority.

As he watched the men leaving the ritualistic orgy, Lees was struck with wonder at the Vigilantes' double lives. He saw churchgoing, Bible-quoting, sanctimonious leading citizens exiting from a wild sex orgy, arm-in-arm with notorious women of the streets. He saw prosperous merchants, who lectured vociferously against the evils of drink, stagger tipsily out of the building. He observed staunch defenders of womanhood treating prostitutes coarsely after participating in the gang rape of a young virgin with obvious pleasure and excitement.

Astonishingly, the very men who'd been lauded for making the streets of San Francisco "safe for any decent woman," were themselves preying upon innocent young girls. Avowed defenders of female sanctity were themselves congregating in obscene ceremonies, climaxing with the violation of a girl's virginity.

Lees's further investigation revealed that the victims of these upstanding citizens were routinely taken to Sacramento and other cities and abandoned. With the shortage of women in California, the girls were soon claimed as brides or pressed into prostitution.

Patrolman Lees had originally placed the house under surveillance expecting to find middle-aged men cavorting in an exotically furnished brothel. What Lees discovered was grim evidence that the Vigilantes, who had beaten off the Sydney Ducks, the Hounds and scores of other gangs of thugs, had developed an insatiable hunger for perverse violence that found release in the celebration of satanic rituals and the sacrifice of virgin blood.

Long before the close of the frontier in 1890, many of the basic legends and myths of the Old West had bitten the dust. Regardless of the occasional intrusion of reality, certain thrice-told tales remain inviolable icons of the frontier. The Texas Rangers shall forever remain fearless samurai—"One riot, one Ranger." The men of Custer's Seventh Cavalry shall forever be valiant warriors who died with their boots on. The lawmen of Dodge City, Tombstone and Wichita are eternally cast as gallant and highly moral paladins.

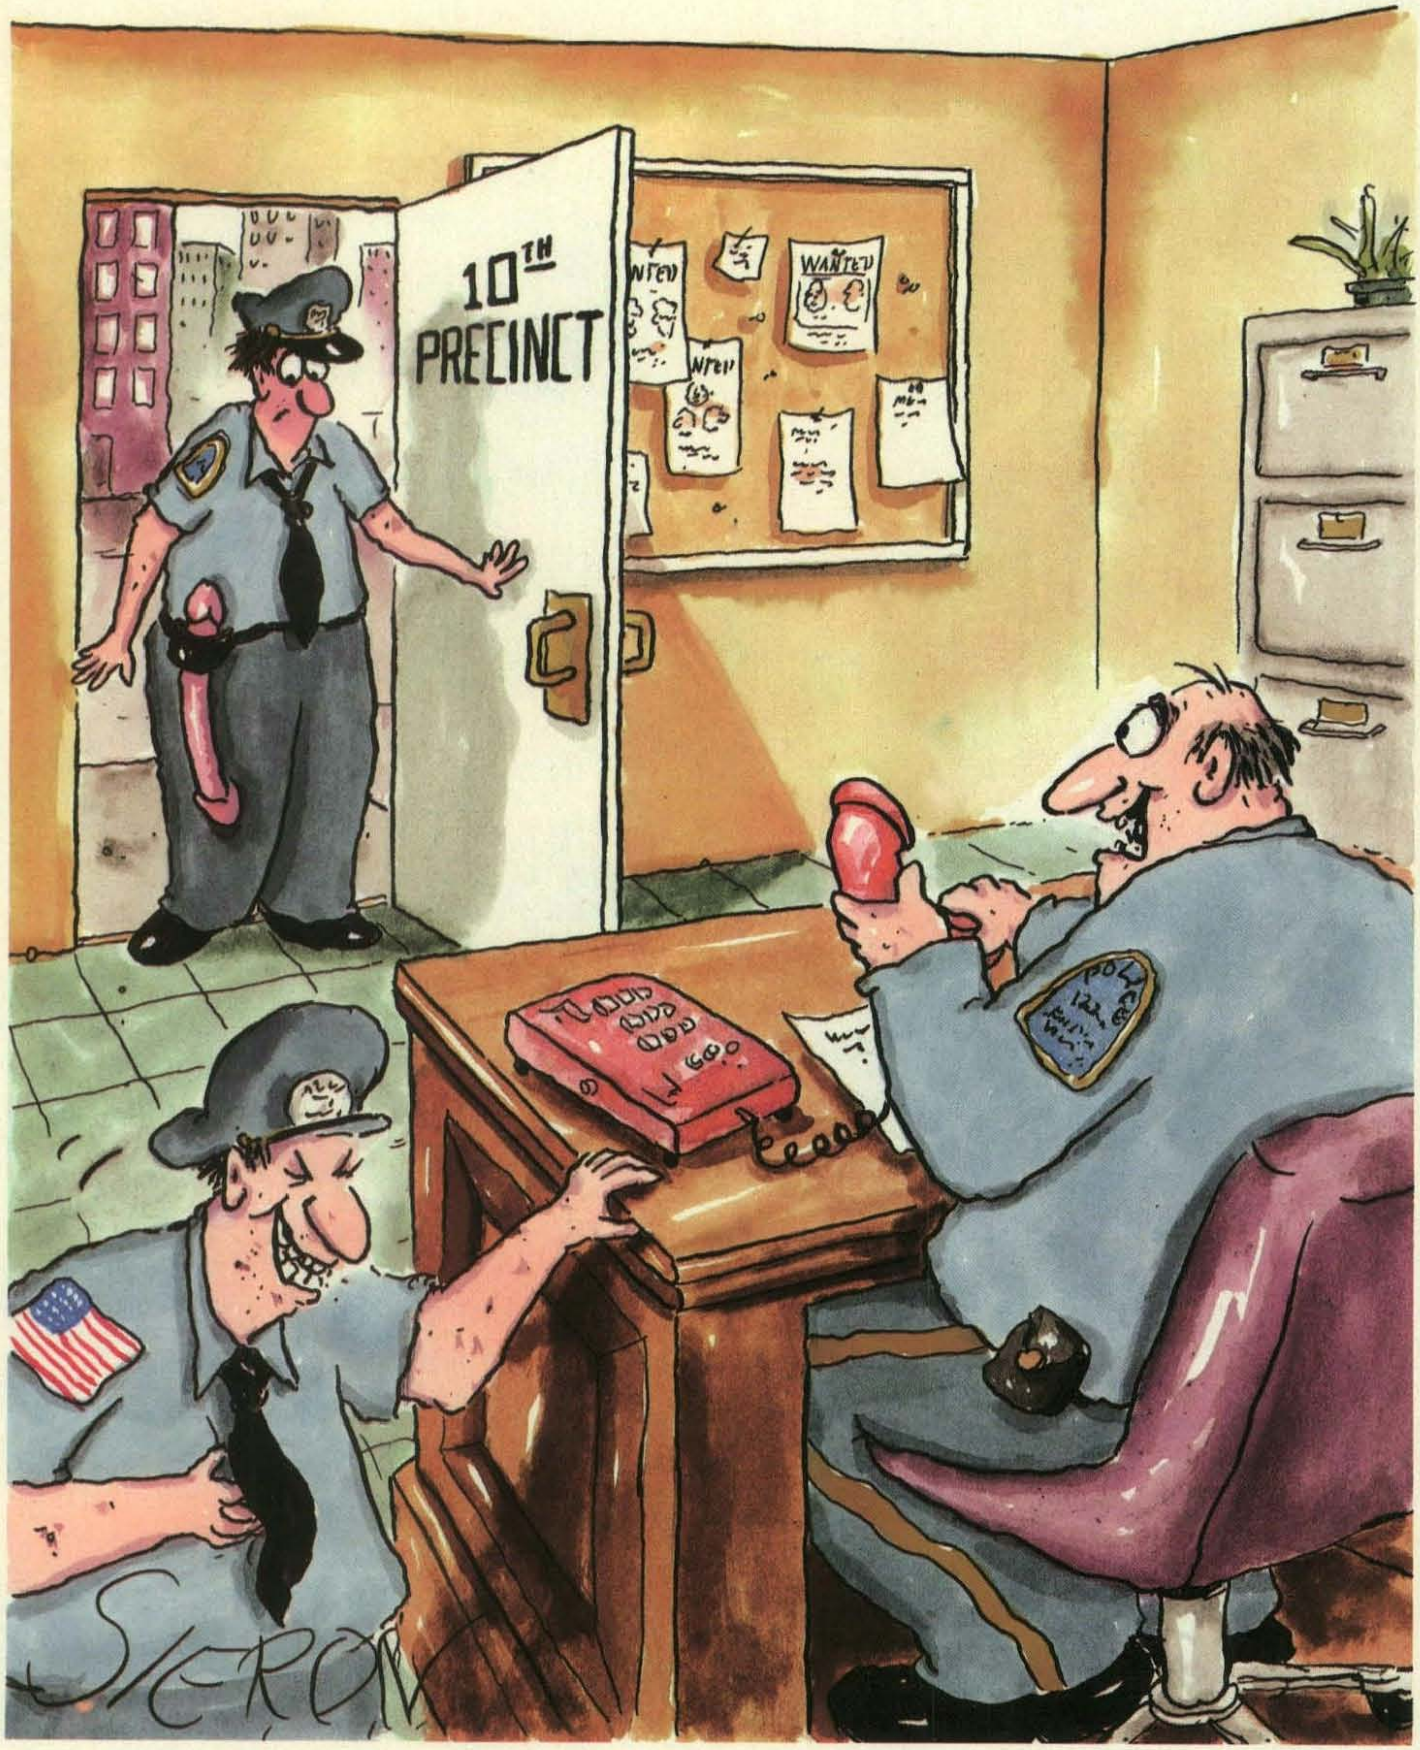

And the Vigilance Committee of San Francisco will everlastingly be portrayed as courageous citizens banded together to protect their families from the riffraff who were ruining the neighborhood. The illusion of honest men uniting against a common threat is more attractive than the reality of crimebusters who were as corrupt as any of the hoodlums that they hanged. Of the original 171 men who formed the Committee in 1851, 69 had criminal records *before* coming to San Francisco. Most of the remaining members had what could at best be termed "checkered careers."

The same term might charitably be applied to the vast majority of the legendary heroes, gunfighters and lawmen of the Old West. Wyatt Earp—usually portrayed in films as the Mr. Clean who scrubbed out the toilets that were Dodge City and Tombstone—was once arrested as a horse thief and was really more of a gambler and cardshark than a lawman. Television fans of Hugh O'Brian's sanitized interpretation

ING DOWN AT Dick's DRIVE-THRU

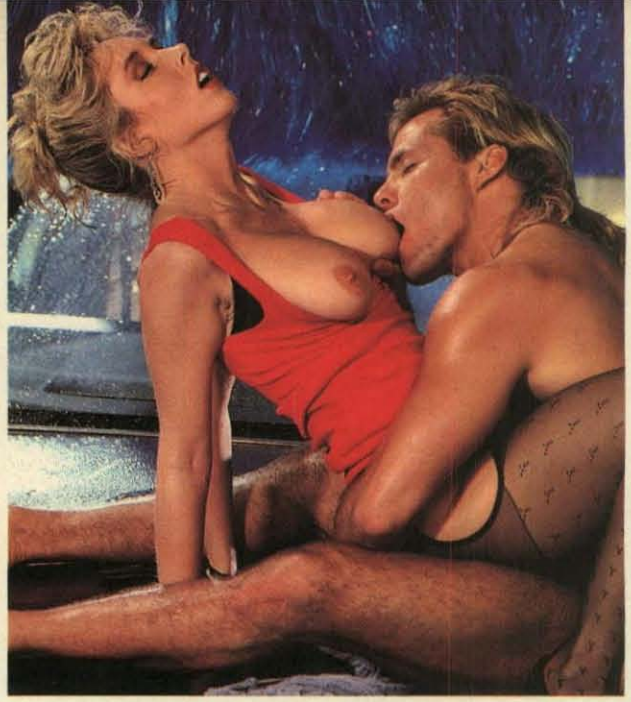

Though done with the day's dicking, Victoria still had jizz on her mind, if not on her butt cheeks, so she gave her fan a glimpse of gazonga, which brought Dick to his blue-collar knees. Entranced by the celebrity fuckstress, the cunt-hungry hunk went to work.

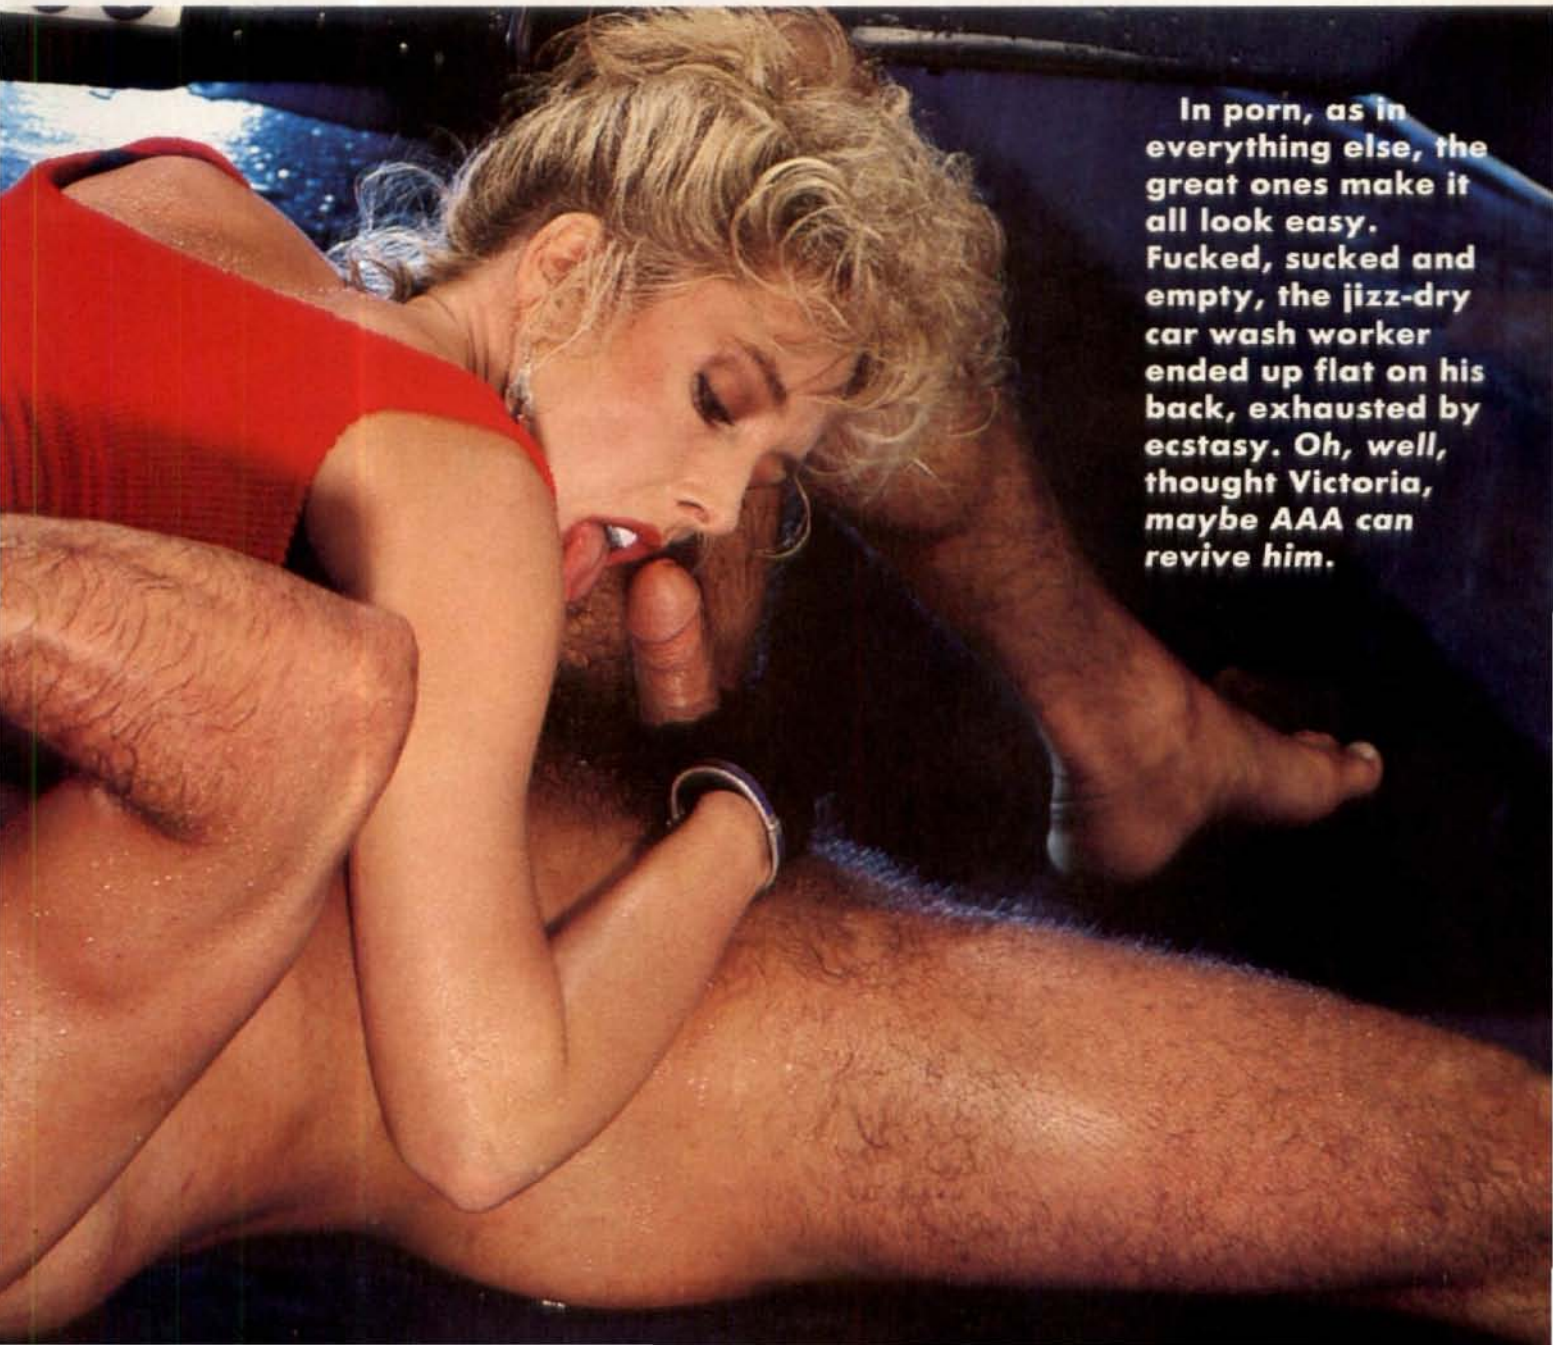

Being an avid sexvid viewer, he knew what the vixen craved, but after he'd humped, pumped, probed and licked, the worn-out Dick discovered a universal truth:

In porn, as in everything else, the great ones make it all look easy. Fucked, sucked and empty, the jizz-dry car wash worker ended up flat on his back, exhausted by ecstasy. *Oh, well,* thought Victoria, *maybe AAA can revive him.*

THE *REAL* WILD WEST *(continued from page 68)*

The saloon girls revealed daring cleavage—and in a few instances no clothes below the navel.

of Wyatt Earp would be shocked to learn that the real Earp wasn't above slapping women around to keep them in line. In 1877, when he was dealing faro in a Dodge City saloon, he beat up Frankie Bell, a dance-hall girl. He was fined one dollar for disturbing the peace. Frankie was fined $20 for having cursed Earp while he was slapping her.

And what of the legendary stalwart pioneer women who trudged beside the wagon wheels and helped to tame the Wild West? Well, there were virtuous ladies who endured blizzards, blazing sands, unmarked mountain trails and hordes of miners and cowboys who were starved for tits and ass; but the lady who could guide a plow or build a cabin intimidated the average frontiersman, who wanted pussy more than he wanted progeny. The majority of the drovers and gold panners were much more comfortable with the pretty waiter girls, the fancy ladies and the saloon beer jerkers than with the Miss Pinafores who would only trade a ride between their thighs for a walk down the aisle.

The men of the Old West divided their women into the categories of madonna or whore. "Good women" could travel freely almost anywhere on the frontier without the fear of some clod forcing his unwelcome attentions upon her. But the dance-hall girls, the parlor-house ladies and the fancy women were considered fair game for any man who wanted them.

Far from today's ideal, the standard for feminine pulchritude on the frontier were women who were shaped like bass fiddles. George Washington Harris described the kind of girl that the rough-and-ready men of the frontier most fancied: "Her bosom looks like two snowballs with a strawberry stuck butt-end into both of them. She stands 16½ hands high [5-5] and she weighs 126 pounds in her petticoat before breakfast. You should be able to put a big dog collar around her waist, but she should have trouble sitting down in an armchair."

Paintings of nudes on barroom walls were very popular among the woman-starved frontiersmen. Traveling artists painted vast expanses of flesh in exchange for booze. Their paintings were frank representations of womanhood, and the classic nudes provided many a young man with his first exposure to the principal points of interest in the female geography.

One bar in Denver featured a nude whose left breast appeared to be heaving in passion when the bartender surreptitiously pressed a small rubber bulb that manipulated two cleverly disguised hoses.

The "pretty waiter saloon" or "hurdy-gurdy house" was the frontier's counterpart of today's topless or bottomless bar. Although the ladies revealed daring cleavage—and in a few instances absolutely no clothing below the navel—few of the pretty waiters were whores. They were employed to hustle drinks or to dance with the customers, not to have sex with them.

These "beer jerkers" or "box rustlers" were more like geisha girls than prostitutes. They worked for legitimate saloon keepers, rather than pimps or madams, and they took great exception to being regarded as hookers.

The hurdy-gurdy girls did acquire lovers and often lived openly with them without benefit of clergy. They were the first of the dime-a-dance girls. Hurdy-gurdy is a corruption of the German name for a street musician's hand organ and, in the early dance halls, it was easier to employ a man to turn the crank on an organ than to find someone who could actually play the piano.

In the crude mining camps or on the raw frontier, the hurdy-gurdy houses were large tents with a floor composed of stomped-hard dirt. In the dim illumination of flickering oil lamps, the girls hustled champagne or whiskey at a dollar a throw, and they gulped their own glasses drink for drink with their customers. The eager cowboys and miners guzzled rot-gut booze as if they were mad fish, buying glassfuls in the hope of seeing a hurdy-gurdy girl get drunk and wanton. The wild-and-crazy horny guys always passed out before they realized the gals were matching their drinks with weak tea.

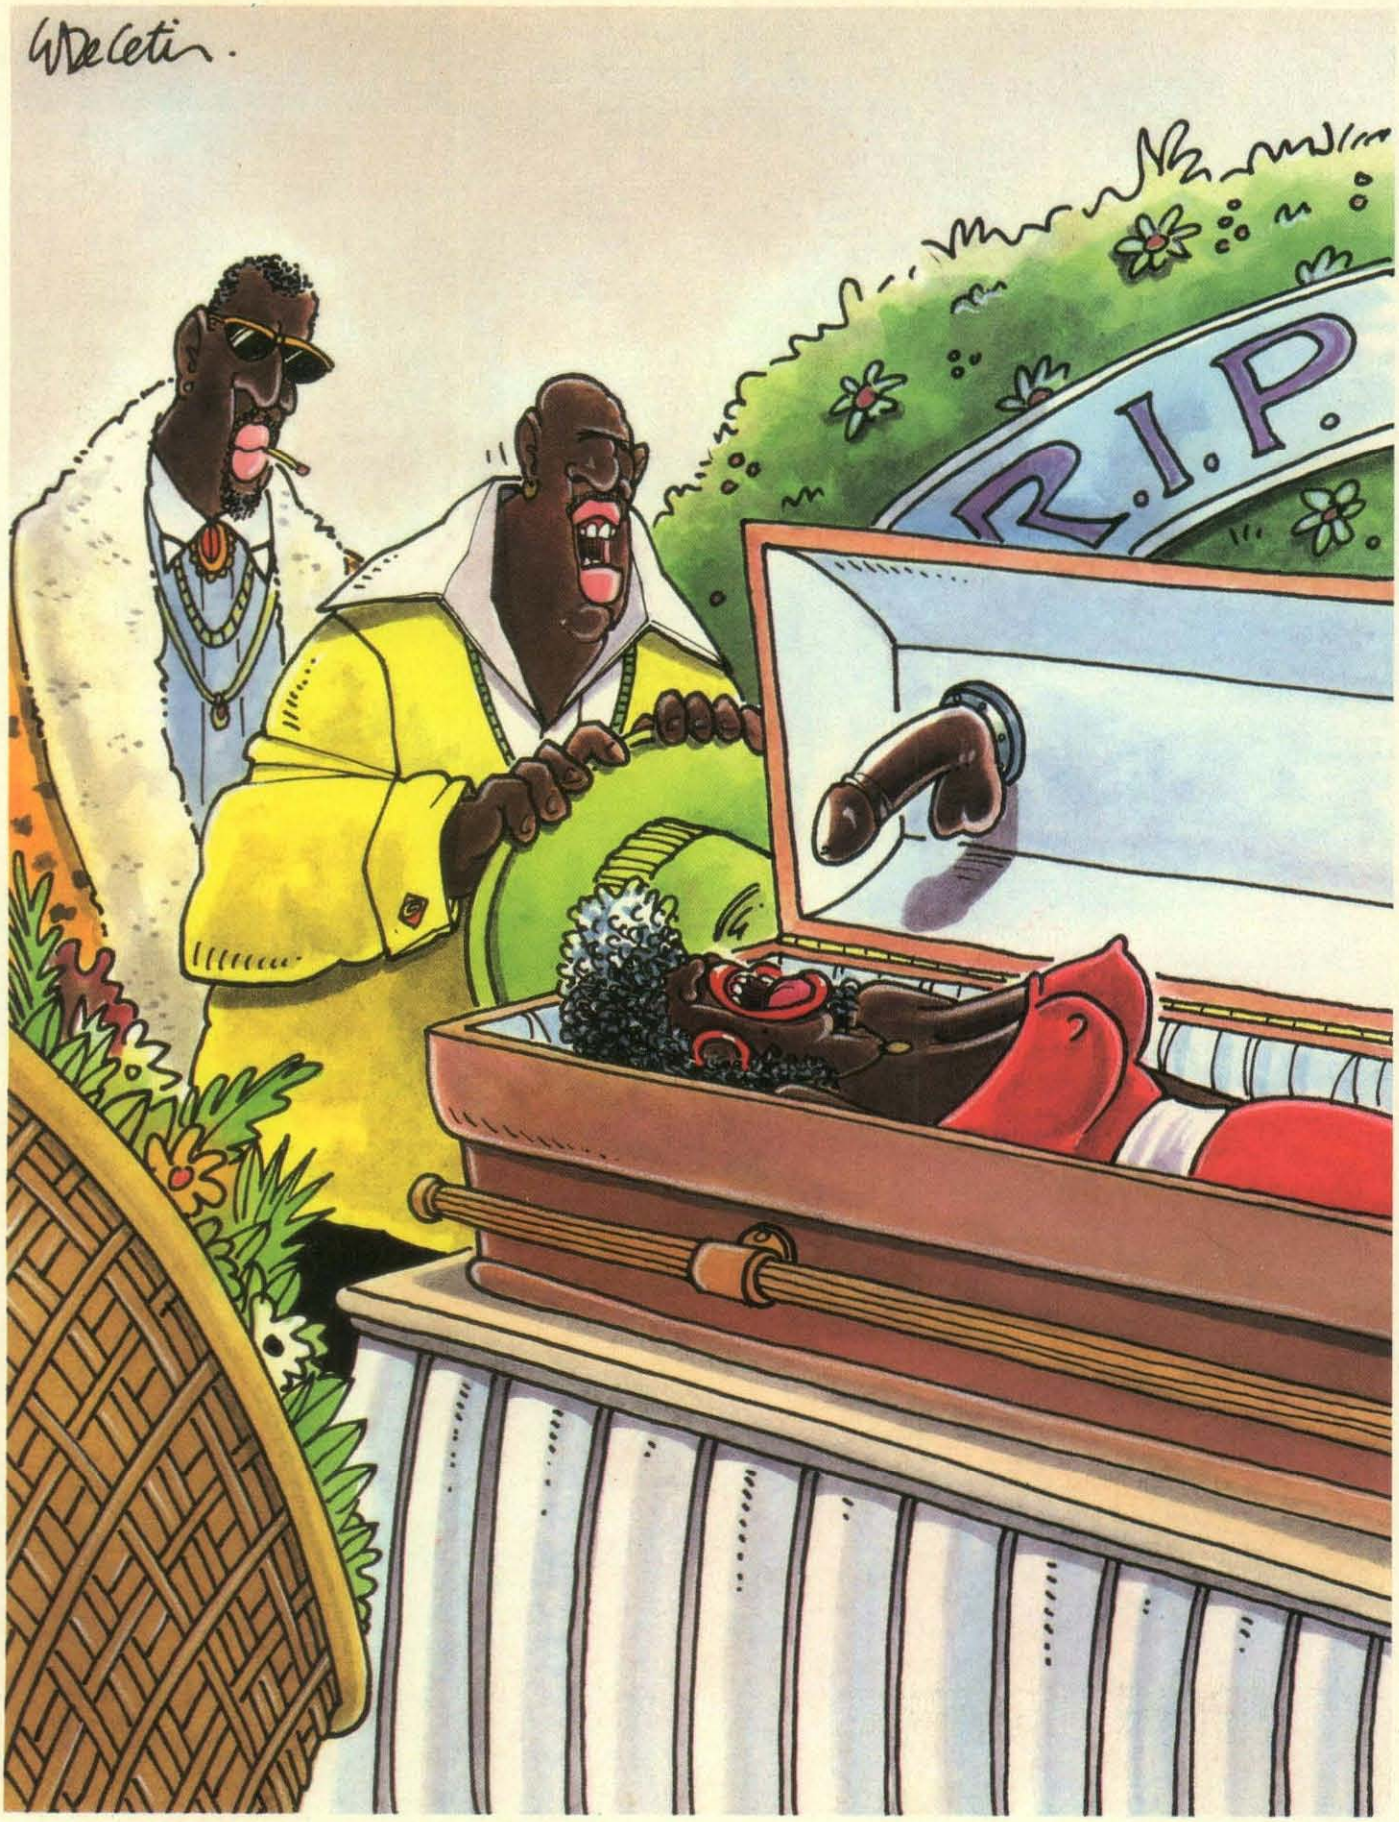

Although saloonkeepers didn't pressure their hurdy-gurdy girls to put out, one small-town girl after another gave in to the desperate urgings of heavy-handed men and decided that she could earn more money with her bare ass than with her shod feet. Then, as night blurred into night, and whiskey-soaked promises of marriage and wealth became just so much bullshit to be endured before the money for the trick could be collected, the once-naive country girls turned to alcohol and narcotics.

Not to be outdone by the genteel Southern ladies, they began by lacing their drinks with a liquid form of opium called laudanum. From there it was a very short route to smoking opium and using

THE REAL WILD WEST (continued from page 78)

Calamity Jane was the only whore in the Old West who patronized the brothels as well as worked in them.

cocaine. Suicides among the disillusioned hurdy-gurdy girls were common.

Many of the "soiled doves" of the frontier carried guns. The hurdy-gurdy girls, ever cautious of their rambunctious cowboys' pent-up lust getting the better of them, slipped derringers into their bodices. The drovers called them "tit guns."

The famous Calamity Jane was a pistol-packing hurdy-gurdy girl who was far too homely to have much success as a hooker, even in woman-scarce regions. Although there are a dozen tales as to how Martha Jane Canary got her nickname, one writer swears it was because "gents who got to know her well were soon stricken by a venereal calamity."

Calamity Jane has the distinction of being the only whore in the Old West who bragged about being able to patronize the brothels as well as work in them. She boasted that, when attired in male clothing and fitted with a dildo, she could deceive any prostitute, screw her royally and escape undetected as a female.

Calamity got in trouble in Tucson for opening fire on a group of Mexicans she suspected might be after her delicate flesh. She shouted after the fleeing men that her favors were only for rich white men.

Today's feminists would probably applaud the gun-happy hooker for her attempts to tear down the walls that separated women in the Old West from equal opportunities. In Denver, for example, she fired four shots into the walls of the Windsor bar when the bartender refused to serve her whiskey because she was a lady.

Dodge City, Kansas, was known as the "Beautiful Bibulous Babylon of the Frontier." It was argued that Dodge's principal business was not cattle, but polygamy. Whiskey, it was said, was its lifeblood and every other house in town was a brothel.

Most people know that the term *red-light district* was coined in Dodge City and sprang from the practice of railroaders hanging their red brakeman's lanterns outside the door of their whore of the evening in order to discourage an intrusion into their lovemaking.

What's not so well-known is that the town of Hell-on-Wheels actually existed. It was a portable settlement made up of prefabricated hotels, saloons and boarding houses—all staffed with an unusually high number of chambermaids, waitresses and dancing girls. In the early West, when the boundaries of geography and morality got pushed back farther each day, the transient nature of Hell-on-Wheels truly epitomized its time.

For four weeks at a stretch, the men laying the railroad tracks across the prairie would be driven by their bosses as if they were slaves. Then, just before payday, the last few trains to the railhead would bring the girls, the whiskey, the storefront and the plank streets that constituted Hell-on-Wheels.

After a month without the company of women, the men were eager to lay more than railroad tracks, and suddenly, like a miracle that bloomed overnight on the prairie, there was a town well-supplied with booze and broads. A few days later, the crew members were broke enough to sign up for another hitch of pounding railroad spikes across the wilderness. Hell-On-Wheels would be packed up to be reassembled in four weeks down the track, and the self-perpetuating process repeated.

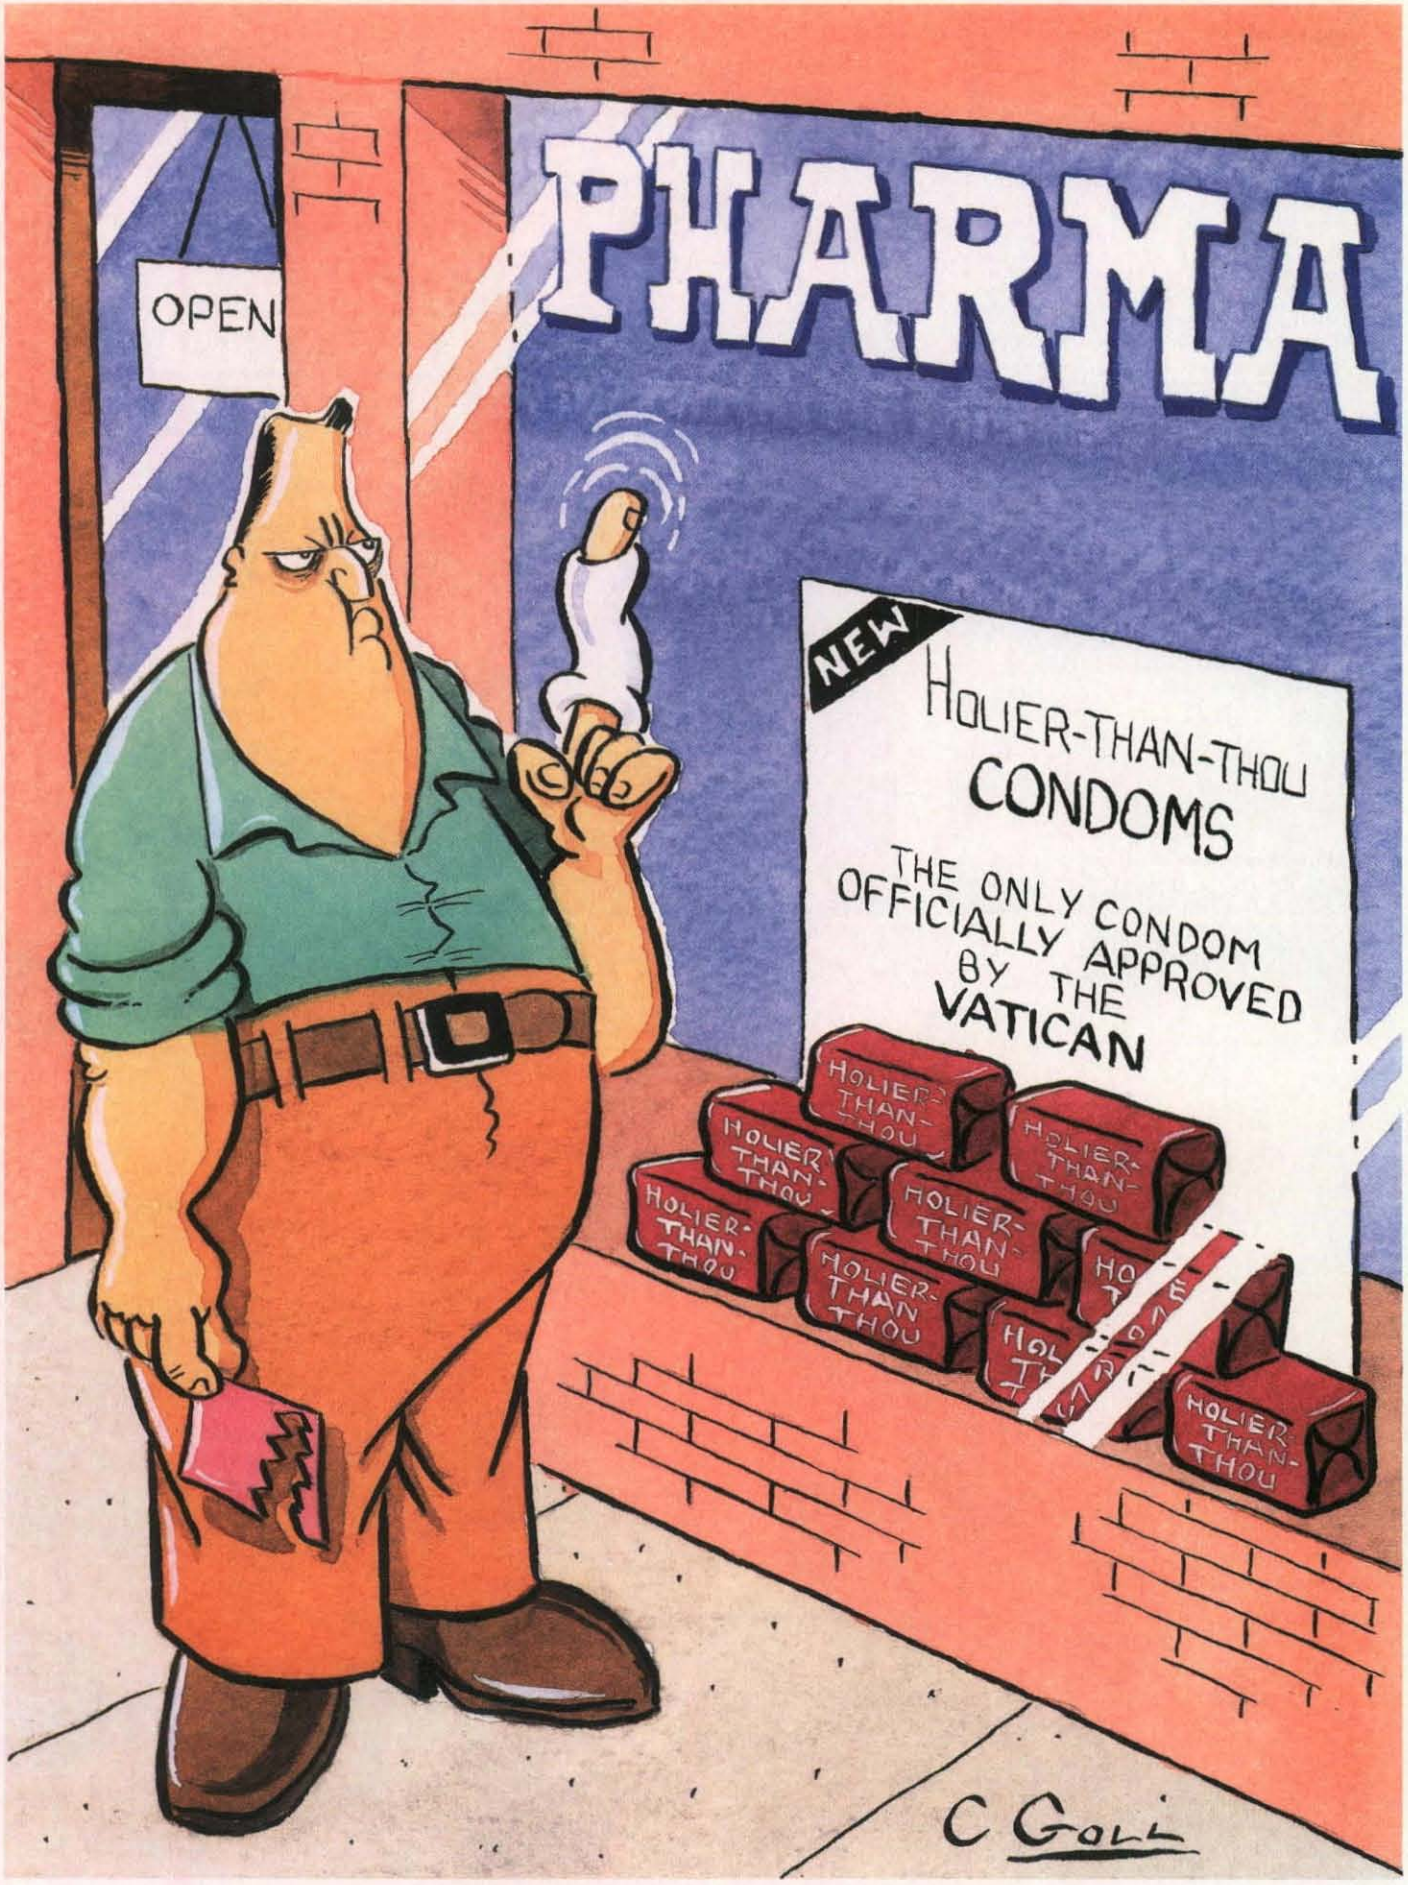

Before "God fearing" women arrived in any appreciable numbers, "fancy women" were considered a necessary safety valve by ranchowners and merchants. From their perspective, the ladies of easy virtue distracted the randy cowboys and horny miners from the landed gentry's respectable wives and daughters. At the same time, the "respectable" women were grateful to their sisters in the saloons. They were, after all, breaking their backs to hold the sex-crazed ranks of the single men at bay. In an unspoken acknowledgement of this sexual debt, the churchwomen's sewing circle would happily admit into their membership any newly reformed prostitute who had been made a "decent" woman by a rancher's proposal of marriage.

The womanless miners in the lonely camps of Colorado sublimated their horniness by reading racy novels. Many a sexually famished gold-seeker found temporary relief from his craving for pussy by beating off to the suggestive stories in books, said to be the favorite literature of the Forty-Niners. Those men who couldn't read could still look at the pictures while a more educated buddy read aloud.

Saloon life was an integral part of the lives of the Westerners, but they often denied the camaraderie of its darkened interior to the soldiers from the nearby fort. Gamblers, cutthroats, bandits, peddlers and deserters were welcome, but the pony soldier was either denied entrance

REVENGE (continued from page 54)

The second assailant took her anally. She had been raped before. It was a hazard of the trade.

daylight. Five were killed; eight were wounded.

Among the dead were a mother and her infant child caught in the crossfire.

• • •

Street hookers, though seemingly independent, tend to be a close-knit group. If they don't look out for each other, no one else will.

Although they should know better, hookers sometimes get pregnant. Star was on the pill, but her scrip had run out. She got knocked up.

She decided to get off the street for a while and have the baby. She kept her condition secret for as long as she could, but soon enough she had to tell her pimp.

This turn of events didn't fit into his program. The bitch was his property. If she wasn't putting out, the investment he had in her wasn't paying off. He ordered her to abort the pregnancy. Star refused.

Star was sound asleep when two big men broke into her bedroom. She felt her hands being tied together above her head. She kicked out with both feet, catching one of the men in the gut. He slapped her across the face with tooth-breaking force and ripped the thin nightgown off her swollen body. She tried to scream. A foul-tasting cloth was stuffed into her mouth.

Hands mauled her body. Her legs were forced apart, and a hard penis roughly inserted into her dry vagina. The lubrication was blood as delicate tissue tore.

By the time he climbed off, she was in agony. She had one more to go. The second assailant flipped her over and took her anally.

She had been raped before. It was a hazard of the trade. She just hoped the men were clean. She didn't want her baby to be born with herpes or syphillis.

One of them turned her over and spread her legs apart again. She thought he just wanted seconds. Compared to what was about to happen, that would have been welcome.

The fellow who had raped her first was untwisting a coat hanger. He straightened the wire, then made a little hook in the end. He started toward her with the homemade surgical instrument. Star kicked and twisted, but she couldn't get loose.

The larger of the two men straddled her. The full weight of his body held her upper torso down and lifted her pelvis, nearly breaking her back. The man with the wire placed a pillow under her hips.

She was unable to move. The man sitting on her held her legs apart while the wire was inserted into her vagina. The dull ache of torn tissue from the rape was obliterated by the onset of new pain. The hanger tore through her cervix and entered her uterus. She lost consciousness as she felt the metal scraping her insides.

She woke up alone. Her hands were untied, and her visitors had disappeared. She felt something warm between her legs. Her hand came back bloody.

She had aborted. On top of that, her uterus was so badly mutilated it had to be removed.

When she let it be known she was out for paybacks, friends materialized by the dozen.

When police arrived at the plush apartment, they found the pimp hanging by his bound wrists from a beam in the living room, his feet dangling a few inches off the floor. He was naked except for a T-shirt. A rag was stuffed in his mouth.

The coroner reported that he was alive for several hours after his penis was amputated and stuffed in his rectum. He also probably heard his testicles being pulverized to jelly in the kitchen blender. Relief came when he bled to death.

There were no witnesses, no prints and an unlimited number of suspects, each with an airtight alibi. It wasn't a high priority case. The pimp was buried without ceremony in an unmarked grave. The case is still open. It's in a file cabinet somewhere.

Star is back on her corner, plying her trade.

• • •

In a neighborhood much like the one where Star works, Prentice Rasheed owns two small stores. He had experienced so many burglaries that he feared bankruptcy.

Rasheed wired a metal grid. When he left the store each night, he plugged it into the 110-volt current.

On the night of September 30, 1986, Odell Hicks, age 27, stopped in after the store had closed. He was fried on the booby trap.

Rasheed, who had only meant to scare away burglars, was charged with manslaughter.

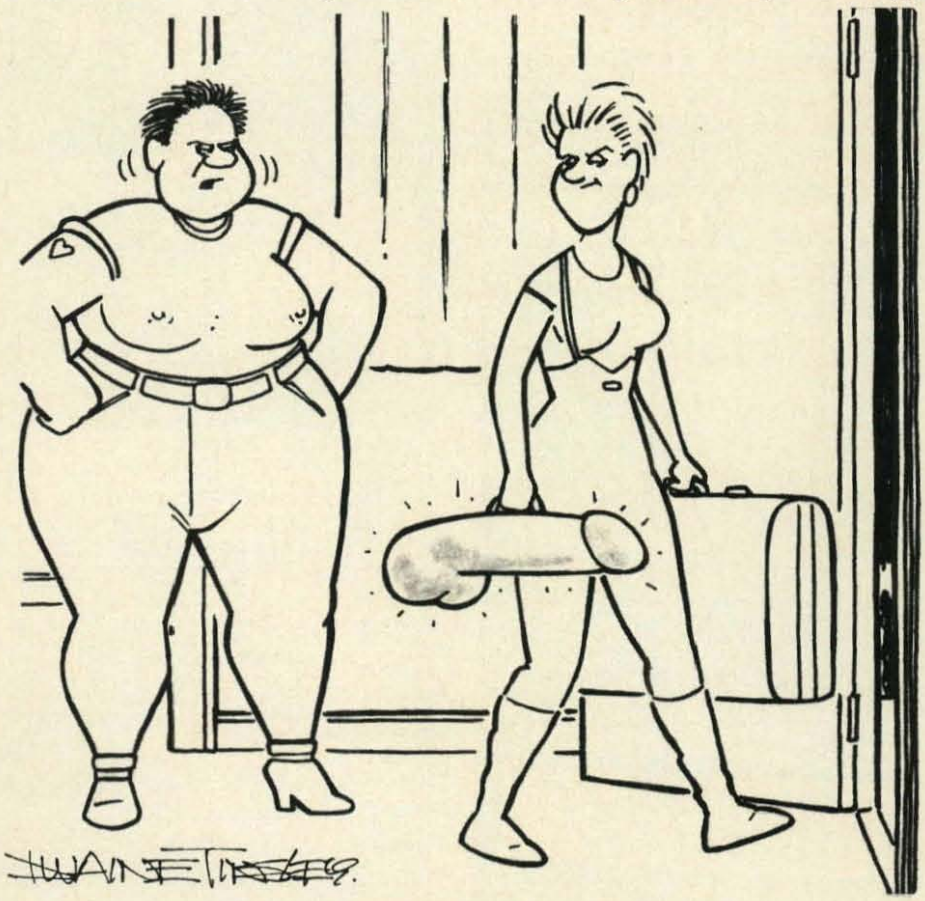

It was finally decided that, although a man was dead, Rasheed was guilty of nothing other than trying to protect his property and, perhaps, using bad judgment. Rasheed went free.

Some people manage to operate inside the law and get revenge without resorting to murder.

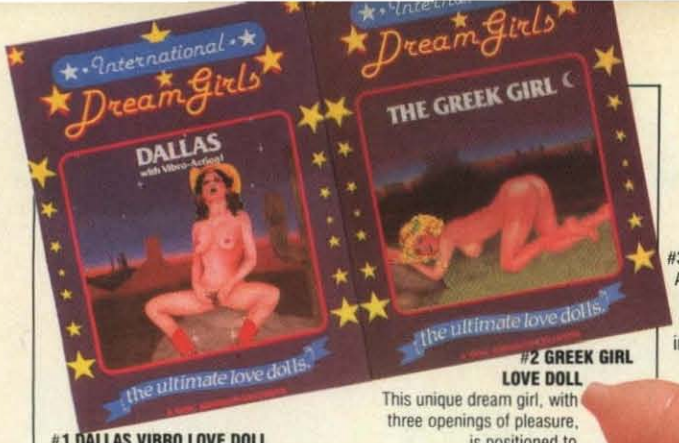

In June of 1987, a young girl was abducted from a Columbus, Ohio, bus stop,

ENLARGE YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10 EVEN 12 FULL INCHES!

The TAURUS-TEN is the ONLY Penis Developer you will ever need!

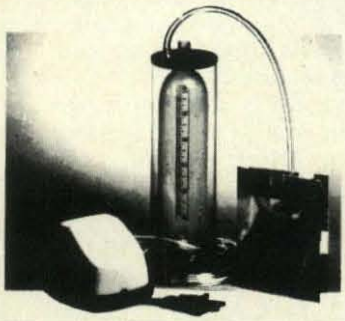

Is the size of your penis bringing you down? Sure, the medical authorities say the size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the TAURUS-TEN ELECTRIC VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the TAURUS-TEN, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE TAURUS-TEN ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. Regular use of the **TAURUS-TEN** gently urges the caverns to expand . . . expand . . . expand. You'll see the astonishing results the first time you use your **TAURUS-TEN.** Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG . . . how really FAT . . . how LONG . . . how HARD and STIFF your own penis can get! And after regular sessions with the **TAURUS-TEN** you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE TAURUS-TEN IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of $100 —the **TAURUS-TEN** is "quite as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. The **TAURUS-TEN** is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. If you are truly serious about penis enlargement — the **TAURUS-TEN** will do the job for you!

WILD WEST

(continued from page 86)

or given the bum's rush.

The reason for this unyielding prejudice was simple and direct: The miners and the cowboys blamed the soldier boys for infecting the parlor-house girls with venereal disease. In frontier logic, the women of pleasure were guiltless: It was the damned cavalry that spread the clap.

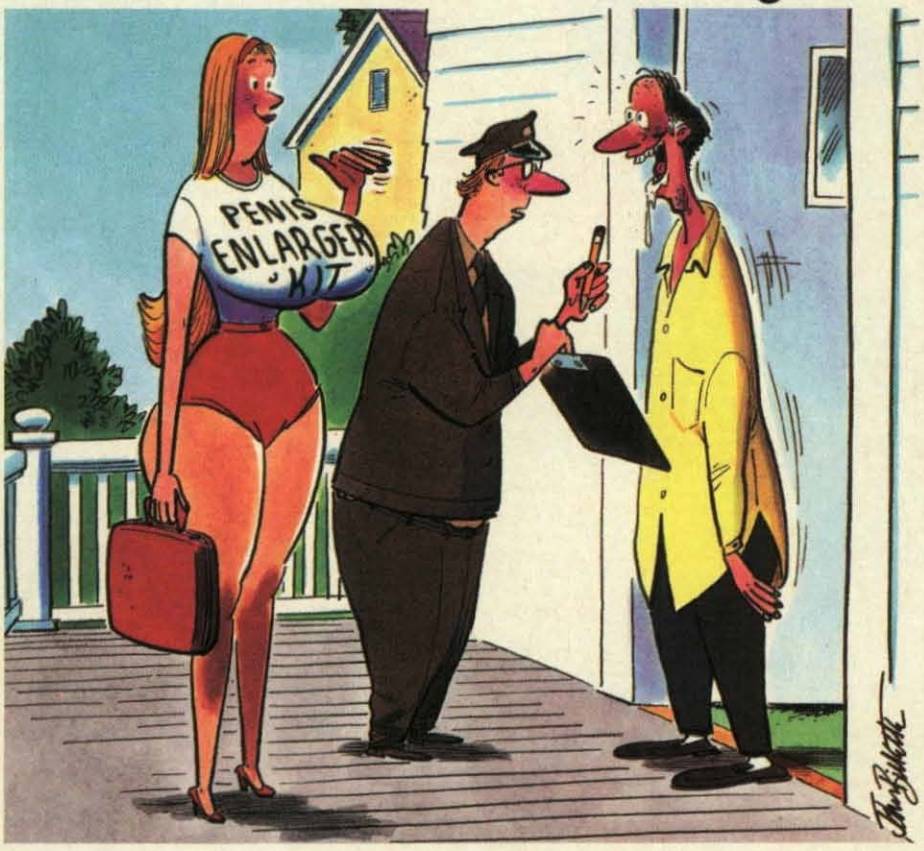

Although there is no proof that the military men carried any more social disease than any group of transients, it was a fact that the pony soldiers did serve as law-enforcement officers until honest marshals caught up with the westward movement. No wonder the free-wheeling cowboys, miners, gamblers and traders had little use for law-and-order bluecoats.

And what of all those master gunfighters who allegedly blazed their way to six-gun glory? Were there fearless flint-eyed men who faced each other in dramatic duels on dusty streets at high noon? The evidence is that the Hollywood-style shootout was a rare occurrence. Billy Breakenridge and Frank Leslie appear to be the only gunfighters who specialized in face-offs.

Despite the mystique of the Colt .44 Peacemaker as the weapon of choice of every lawman and desperado who ever lived, the shotgun was really the firearm that tamed the frontier. A handgun was worn on nearly every hip that went West, but when it came to a serious shootout, sheriffs, marshals, ranchers, sodbusters, professional gunfighters—even the awesome Texas Rangers—relied upon their scatterguns. The most common course of action in a gunfight was to crouch behind rocks or trees and ambush the adversary with shotguns.

Silver-screen myths to the contrary, those cowpokes of yesteryear were no better shots than today's average gun enthusiast who plinks at tin cans on the weekend. Remember that old frontier saying about shotguns: "Buckshot don't miss. It means buryin' every time."

When it comes right down to it, the Old West is largely the creation of imaginative fiction writers, one part truth and four parts hokum. By the time Zane Grey, Clarence Mulford and Luke Short came along, the formula of iron-nerved gunfighters, cowboys, Indians, longhorns, sheriffs, pony soldiers, stagecoaches, dance-hall girls and virtuous maidens was indelibly etched on the popular consciousness. No one since has really messed with the ingredients as they were originally dictated by the alchemists of the dime novels. Attempts to inject gritty realism and psychological motivation have been only moderately successful. "Adult westerns" require work and research, and it is much easier to stick to the tried and true. . . even if it's false.

REVENGE

(continued from page 90)

dragged into Franklin Park, raped, robbed, then raped again.

Clues indicated this was another in a series of rapes committed by the "handcuff rapist," a name coined by the media. The perpetrator used handcuffs to subdue some of his victims.

According to a spokesperson for Women Against Rape, the girl's parents "carefully thought out what they were going to do."

They came up with a dangerous, ill-conceived and crazy plan. The victim's mother volunteered to be the bait. Every spare minute she stood at the bus stop from which her daughter was abducted. Her husband watched nearby with a gun.

Police warned them not to do it. Stunts like this work only in movies.

For over a year they kept trying. More and more women fell victim to the rapist. On Friday, August 5, 1988, the mother was attacked at the same time of day and on the same day of the week as her daughter had been attacked.

She was grabbed from behind, carried to a nearby yard and thrown violently to the ground. The alleged rapist then drew a revolver and warned: "I'll blow your head off."

The husband, however, was on the ball. He leveled his gun and yelled, "Freeze! Police." The perpetrator raised his hands and begged the "policeman" not to shoot. Gathering up his courage, he bolted to his car and drove away.

The husband gave police a description and license number, and it was all over for accused rapist Robert Biddings.

When a reporter asked the proud parents why they took on the rapist, the father answered, "I knew the police were understaffed."

• • •

If you buy a gun and start shooting at anyone—and everyone—you think might be a crook, you will, in all likelihood, end up facing a stiffer sentence than the original criminal. A career criminal can quote law books and has a working knowledge of loopholes.

The average revenge seeker ends up caught and charged with his crimes. He may end up on Death Row with the scum he had hoped to remove from society. He won't have a happy existence in prison.

Our legal system can't afford to let people take revenge. To do so would be to admit that we've lost control. We are, after all, a nation of laws. In a vigilante society no man, woman or child would be safe. Shoplifting could be fatal. Revenge may be sweet, but too much sugar can be hazardous to your health.

SEX PLAY

(continued from page 24)

achieve maximum sexual pleasure.

One final word of caution: Don't be alarmed if the fantasy proves unsatisfying. One man was really surprised and excited when his wife finally agreed to let him screw her ass, but Dan discovered that the fantasy was much better than the real-life situation. It just didn't feel good; not as good as Dan had always imagined it would. Worse, it was painful for his wife, which really ruined the mood. The whole thing seemed degrading to him, and both he and his wife decided not to try it again.

When put to the test, Dan's fantasy didn't work. His wife, however, had a suggestion that they decided to try instead—tying him up to the bedposts while she tickled him from head to foot with a feather. At first Dan thought it was a bit tame, but when she tickled his balls and sucked him off, he realized the wisdom of her fantasy. It started out seeming silly, but it ended in powerful orgasm for both of them.

Now Dan and his wife have moved on to other sexual venues. Using their imaginations, Dan suggests certain lighting, his wife wears different outfits and sex has assumed a new and more important position in their lives. They don't just dream about sex, *they do it.*

HOT LETTERS

(continued from page 30)

On one memorable Friday afternoon at the gym, Louie and I had just finished doing quads when a gorgeous little tart approached the machine and said hello. After a few minutes of small talk, the young lady explained that she had nothing planned for later, so Louie, being the clown he is, said, "My face leaves here at five. You'd better be on it." I was half expecting her to either raise a fuss, slap my partner or just walk away. Instead little Cindy answered, "I'll get my gear."

When the three of us arrived at the apartment Louie and I share, we made a pitcher of margaritas. It wasn't long before Cindy had both of our cocks out and was sucking the two of us, one at a time.

She was quite a cocksucker and after an hour or so cum was dripping from every part of her body. Her mouth was jizz-filled, wad was drying on her eyelids and face, and there was spunk caking her tits and tight, trim belly.

For round two, we laid Cindy down on the bed, and again she took Louie's noodle in her mouth. I had retrieved some K-Y Jelly and smeared a healthy gob on the head of my dick. I neared Cindy's ass, and did it look inviting! Her butt was so tight and hard you could have bounced a quarter off of it.

Very gently I rubbed my meat up along the crack of her ass, then let it rest against her asshole. Cindy finally turned around and said, "Do it—now!" Then she returned to sucking Louie's cock. Holding my pigiron, I rubbed more K-Y Jelly on the end of my wang, then onto and inside of Cindy's browneye. As I did this, Cindy started pushing her perfect butt towards me.

I held the tip at her tiny hole, spread her cheeks and eased it in as far as it would go. It was obvious that Cindy knew what she was doing as she allowed her sphincters to relax to accommodate my easy penetration. *What a feeling!* I pulled almost all the way out, then pushed back in to the hilt.

As my stroking became more rapid, I realized that Louie was shooting another load into Cindy's mouth. He then left the room, and I continued my rear assault. Little Cindy began to moan like an animal, and a pool of sweat formed at the small of her strong, gymnast's back.

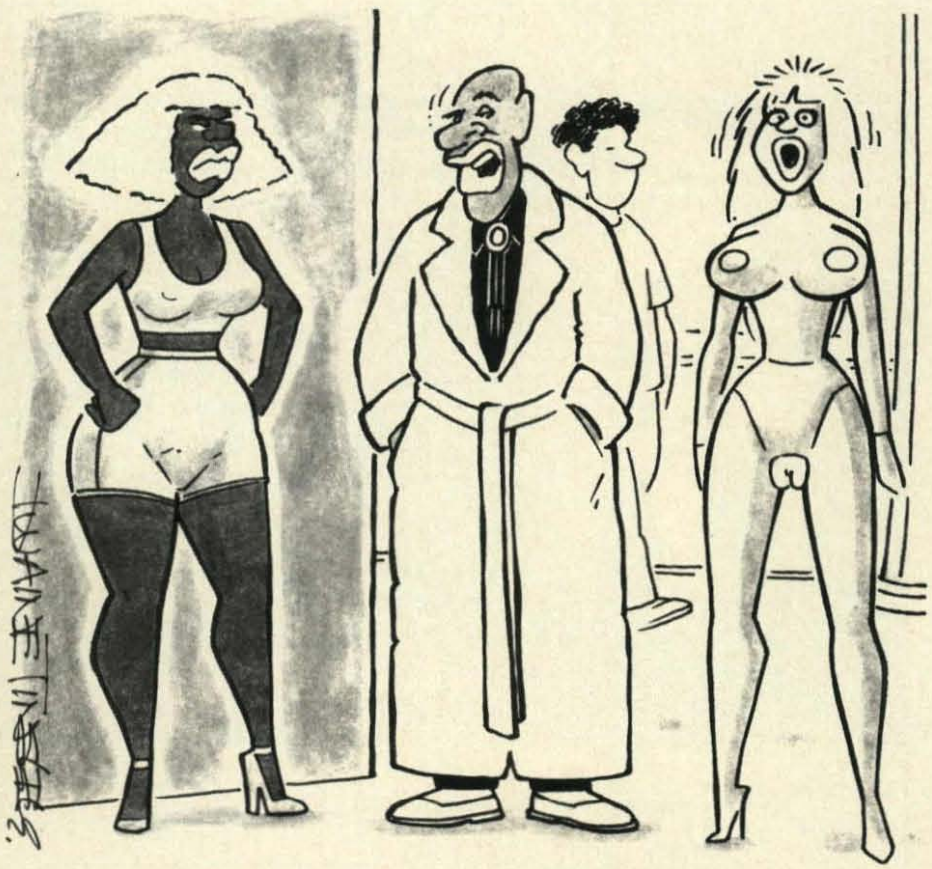

I forced myself to think of other things to keep from coming too soon. I didn't want this sensation to end.

Cindy had quite an asshole on her, hairless, tight and oh, so warm. She was really sweating now. I felt the sheen forming on her tits, which I mauled and tweaked as I pumped her firm behind. She looked back at me again, perspiration pouring from her forehead. With an expression of pure craving on her face, Cindy said, "Faster! Oh, please, faster!" I couldn't hold back any longer. Those last few strokes were the best ever. I blasted a hot load of cum deep into her asshole.

Afterwards, Cindy continued to gyrate back and forth on her stomach, coming violently. I had a hell of a time riding her while trying to keep my deflated cock from falling out. I just left it there, nestled in that tight, snug hole. Finally it fell out, and Cindy just lay there exhausted, her head pushed into the pillows as my spunk ran down the crack of her ass.

She got up slowly from the bed, looked at me with a huge smile and said, "That was great. I'd like to make this a habit." We all got dressed. Cindy got cleaned up and we said our goodbyes. She comes over quite a bit now and mostly gives us head. I haven't gotten back into her butthole since, but what the hell. —K. K.

Sexologist agree: The process of bonding (the choice of "only" one man) occurs in her subconscious and is the trigger to a women's **SEXUAL DESIRE!!** Mephisto's Subliminal technology converts Seduction from an Art to a Science.

Sexual Aids:

How to order them without embarrassment.
How to use them without disappointment.

If you've been reluctant to purchase sexual aids through the mail, the Xandria Collection would like to offer you two things that may change your mind:

1. A guarantee
2. Another guarantee

First, we guarantee your privacy. Should you decide to order our catalogue or products, your transaction will be held in the strictest confidence.

Your name will never (never) be sold or given to any other company. No unwanted, embarrassing mailings. And everything we ship to you is plainly packaged, securely wrapped, without the slightest indication of its contents on the outside.

Second, we guarantee your satisfaction. Everything offered in the Xandria Collection is the result of extensive research and real-life testing. We are so certain that the risk of disappointment has been eliminated from our products, that we can actually guarantee your satisfaction – or your money promptly, unquestioningly refunded.

What is the Xandria Collection?

It is a very, very special collection of sexual aids. It includes the finest and most effective products available from around the world. Products that can open new doors to pleasure (perhaps many you never knew existed!)

Our products range from the simple to the delightfully complex. They are designed for both the timid and the bold. For anyone who's ever wished there could be something more to their sexual pleasure.

If you're prepared to intensify your own pleasure, then by all means send for the Xandria Collection Gold Edition catalogue. It is priced at just four dollars which is applied in full to your first order.

Write today. You have absolutely nothing to lose. And an entirely new world of enjoyment to gain.

NEXT MONTH IN HUSTLER

October HUSTLER on sale August 22, 1989

THE BEST PUSSY ON EARTH

The October HUSTLER promises a month of hard-ons. Your balls will boil when you see our raven-haired sex kitten spread her labes. Then keep time with a gorgeous dancer and her hunky hoofer boyfriend. These hardbodies screw like beasts in heat during their very dirty dance. You'll visit two exotic ladies' tropical tit-and-clit beach party where the action's so explicit you'll swear you can smell the poon juice. You'll spew the goo when our centerfold, a dressed-to-thrill blonde, removes her opulent threads to display her exquisite breasts and snug little snatch. This foldout deserves a place on your bedroom wall. As always, HUSTLER's babes deliver.

MUSCLEHEADS

Have you noticed how the antics of today's pro athletes read more like a police blotter than the sports section? Discover how these heroes turn into felons in Larry Wichman's "Jock Trouble," which documents the abuses and excesses of overdeveloped misfits whose problems range from drugs to gambling to sexual assault and occasional forays into more serious crimes—like murder.

KEEP DREAMIN'

You may be having your best sex while you're asleep! In "Sex Dreams," Michael Lipton reveals the complex psychology behind wet dreams, gives tips on how to decipher sexual symbols and discusses techniques for actually living your sexiest dreams. It's time you got more out of your nocturnal emissions than just slimy wet spots on the sheets!

THE END OF AIDS?

Who would have thought that the humble root of a Chinese cucumber would be the source for a drug that conducts search-and-destroy missions against cells that harbor the AIDS virus? Next month's *AIDSWatch* reports on this possible wonder drug and two other substances being tested that, if proven effective, will make sex fun again.

AND HERE'S YOUR BONUS

Check out next month's titillating *Sex Play*, "Exhibitionism: The Flashing Fetish," a kink that's more than just a lot of flash. Then find out what's new in feature fuckfilms as our intrepid ream team of reviewers gives you *Erotic Entertainment*; discover what hilarious goodies the sick, twisted minds of *Bits & Pieces* have conjured up; treat your cock to the pussy-enriched wonders of *Beaver Hunt*; and take a load off your boner, courtesy of *Hot Letters*. With its features, foxes and info, the October HUSTLER proves once again that there's no finer men's magazine in the world.
